

VILLAGE LIFE™

in the
ITALIAN LAKE DISTRICT

June 2 to 10, 2012

Dear Division Members and Friends:

Ciao!

High on the list of the most captivating destinations in the world is northern Italy's fabled Lake District. Its unique setting of glacial waters and Alpine peaks, sub-tropical climate, ancient towns painted in terra cotta and ochre, and distinctly *bella figura* Italian style combined with a rich history, has inspired poets, composers, musicians, artists and philosophers for centuries.

We are delighted to offer this seven-night VILLAGE LIFE™ in the ITALIAN LAKE DISTRICT program, a wonderful way to experience the true essence of life in and the incomparable beauty and charm of the fascinating region of Lombardy. Our expert-guided tours explore the artistic and architectural treasures left by Roman patricians, medieval lords and Renaissance princes, while enriching lectures and the exclusive VILLAGE FORUM™ featuring local residents bring you personal perspectives on the Lombardy's cultural heritage and modern life. You will have opportunities to taste—and even cook—northern Italy's acclaimed cuisine and learn to speak basic Italian, making your visits to Como's lively market all the more enjoyable.

Complementing this one-of-a-kind comprehensive *soggiorno* are accommodations in the charming HOTEL REGINA OLGA, overlooking Lake Como, and located in the heart of the ancient town of Cernobbio, just north of Milan.

VILLAGE LIFE™ in the ITALIAN LAKE DISTRICT is a popular travel program, an excellent value and a great opportunity to really experience daily life in one of Italy's most unique settings with the convenience of unpacking only once.

Fellow Division members, family and friends won't want to miss this tour!

Arrivederci!

Best Regards,

This delightful town, located at the foot of Mount Bisbino, is the perfect village “home” for our program. Stroll along Cernobbio’s bustling waterfront. Wander down the village’s narrow medieval streets and amble through its romantic piazzas, faced with handsome buildings painted in the soft buttery hue seen throughout the Lake District.

Lake Como

Composer Franz Liszt romanticized about Como saying “When you write the story of two happy lovers, place them on the shores of Lake Como.”

Cruise by private boat across the

Isola Bella is the most spectacular of the three Borromean Islands, located on the Italian side of Lake Maggiore. Visit the magnificent 16th-century villa and stroll through one of the most beautiful gardens in the world.

Surrounded by mountains and a splendid lake, the town of Lugano is full of parks and flowers, medieval monuments and luxurious 19th century villas.

sparkling waters of Italy's deepest—and perhaps most spectacular—lake. Its allure is enhanced by quaint coastal villages like Bellagio and Varenna, and grand Renaissance villas built on the snow-capped mountainsides surrounding Lake Como.

Varenna

Splendidly located on the shores of Lake Como, Varenna's narrow, pine-shaded streets lead through the village's beautifully preserved medieval center. It is famous as the source for the quarried black marble used to decorate the floors of Milan's famous Duomo as well as the villas and cathedrals throughout Lombardy.

Bellagio

Perched on a promontory punctuated by cypress trees, Bellagio is one of the Lake District's most famous towns and popular European holiday destinations since Roman times. In the 18th and 19th centuries, Milanese nobility flocked here to build elaborate villas and cultivate sub-tropical gardens.

Villa Del Balbianello

Just across the lake from Bellagio is the exquisite Villa del Balbianello and its magnificent terraced gardens. Built in 1787 by Cardinal Angelo Maria Durini, it was renovated in the early 20th century by an American veteran of World War I and more recently purchased by Italy's first explorer to summit Mt. Everest, Guido Monzino, who bequeathed it to the Italian National Trust.

Today, it remains an authentic Italian villa masterpiece and repository of 18th-century French and English furniture and Monzino's collection of Chinese, pre-Columbian and African art.

Como

Founded by the Romans in 196 B.C., Como's cobblestoned passages wind past medieval towers and walls, Renaissance palaces and churches, Neoclassical 19th-century villas, and small family-owned shops to the Piazza Cavour and the tranquil lakeside promenade. The Piazza del Duomo, considered to be the most beautiful cathedral in Lombardy, took nearly 400 years to complete and reflects a seamless blend of Gothic and Renaissance styles. **CULTURAL ENRICHMENT OPTION*:** Meet instructors and students of the Aldo Galli Academy of Fine Arts during a private presentation on art restoration. Then, learn secrets of great northern Italian cuisine during a hands-on culinary class followed by an authentic Italian meal.

Lake Maggiore

Italy's second-largest lake and the natural boundary between the regions of Lombardy and Piedmont, Lake Maggiore rivals Lake Como as the most remarkable in the Lake District. The lake's mild climate allows for the gardens to grow rare and exotic plants in the beautiful pleasure grounds beneath the high Alps. The deep, clear waters, have been a draw for many famous figures, including Flaubert, Wagner and Goethe.

Visit Milan's towering Duomo on the Pre-Program option, home to some of Italy's finest religious art.

HOTEL REGINA OLGA

Overlooking Lake Como in the charming village of Cernobbio, HOTEL REGINA OLGA combines traditional Italian ambiance with modern facilities, exceptional service and comfortable accommodations. It is a short water taxi ride from Como and within easy walking distance to boutiques and trattorias. Its classic 19th-century Italian style takes you back to the golden age of travel when the hotel opened. By special arrangement, your room will feature a lovely view of legendary Lake Como, a private bathroom and amenities including air conditioning, direct dial telephone, satellite television, minibar, hair dryer and ample closet space. The elegant Cenobio Dining Room serves northern Italian cuisine, and the lounge, coffee lounge and cocktail terrace bar provide ideal settings for conversation and refreshments. For your leisure, the hotel also offers beautifully landscaped gardens, bicycles and an outdoor swimming pool.

Borromean Islands

Cruise among Lake Maggiore's Isola Bella, Isola di San Giovanni, Isola Madre and Isola dei Pescatori, collectively known as the Borromean Islands, named after the powerful and influential Borromeo family. Visit the exquisitely preserved Isola Bella where Count Carlo Borromeo III commissioned architect Angelo Crivelli in 1632 to design and build a magnificent Baroque retreat dedicated to his wife, Isabella. Walk through Isola Bella's breathtaking gardens, where white peacocks stroll among the seasonal blaze of roses, gardenias, camellias, azaleas and rhododendrons. Tour the palazzo, filled with priceless masterpieces by such artists as Tiepolo and the sculptor Canova, and see the grottoes, decorated with shells, pebbles and pink marble creating mosaics of marine life.

Stresa

An 18th- and 19th-century "grand tour" of Europe was considered incomplete without a visit to Stresa to experience its spectacular mountain views, tropical gardens and the resplendent glistening waters of Lake Maggiore. A young Ernest Hemingway, recuperating in Stresa during World War I, was inspired to make it the setting for Frederic Henry and Catherine Barkley's reunion in *A Farewell to Arms*.

Lugano, Switzerland

Nestled between the Alpine peaks of San Salvatore and Monte Brè, this historic lakeside town is the cultural center of Ticino, the only Swiss region where Italian is the official language. This optional, half-day excursion* includes a funicular ride to the top of Monte Brè and a visit to the simple church of Santa Maria degli Angioli with its amazingly vivid 16th-century fresco of the *Passion of Christ* by Bernardino Luini.

Milan Pre-Program Option*

Milan, recognized as a world fashion and design capital, has an ancient cultural heritage and legacy that blends the ornately preserved palaces, churches, and museums with vibrant contemporary life, an abundance of haute cuisine, art and operatic traditions.

This two-night Pre-Program Option with accommodations in the deluxe SHERATON DIANA MAJESTIC is the perfect prelude to your Lake District *soggiorno* and includes visits to the famous Teatro alla Scala and the exquisite Duomo.

**The Pre-Program Option, the Como Cultural Enrichment optional excursion and the Lugano optional excursion are at additional cost and details will be provided with your reservation confirmation.*

The Romantic Allure of the Italian Lake District

For centuries, Italy's Lake District has seduced hearts, minds and souls; among them were Virgil, Napoleon, Byron, Stendhal, Dickens, Flaubert, Puccini, Toscanini and Hemingway. But long before the Romans annexed the region some 2,000 years ago and began to build their grid-based towns, it was settled by Etruscans and invaded by Celts. It seemed no one could resist the mild climate or the beauty of snow-capped Alpine peaks descending to serene lake shores. Following the Romans, Middle Ages and Renaissance nobility built magnificent holiday villas here, filled them with priceless art and laid out extraordinary gardens. European aristocrats of the 18th and 19th centuries considered the Italian Lake District an essential stop on their "grand tour" of Europe.

Lombardy became one of the richest and most economically developed areas of Italy, and Europe, thanks to its agricultural production, trade and banking activities that extended throughout Europe. "Lombard" was the name given to any merchant or banker coming from northern Italy. And to this day, the region remains of paramount importance to Italy.

From the deep-blue glacial lakes of Maggiore and Como to the bewitching Villa del Balbianello, from the medieval cobblestoned streets of Varenna to the modern sophistication of Milan, discover the exquisite gem that is the Italian Lake District.

The beautiful town of Stresa on Lake Maggiore has beckoned European aristocracy for centuries.
