JUVENILE AND FAMILY DRUG COURTS: A NON TRADITIONAL MODEL OF PROVIDING ACCESS TO SERVICES

**Friday, August 5, 2011
8:30 am to 10:00 am
Room 706, 700 Level
Metro Toronto Convention Centre, South Building**

Please join a panel of experts as they engage in a discussion about the history and practice of juvenile and family drug courts and their important role of early intervention and close supervision in aiding substance abusing youth and their families with a non traditional support network. We hope that the audience will bring its collective experience and knowledge to the table as well so that we may have an interactive and thought-provoking dialogue on this important issue.
