## **REVISED 109**

## ADOPTED AS AMENDED

## **RESOLUTION**

1	<b>RESOLVED,</b> That the American Bar Association encourages all private and public sector
2	organizations to develop, implement, and maintain an appropriate cybersecurity program that
3	complies with applicable ethical and legal obligations and is tailored to the nature and
4	scope of the organization and the data and systems to be protected. including:
5	_
6	(1) conducting regular assessments of the threats, vulnerabilities, and risks to their data,
7	applications, networks, and operating platforms, including those associated with
8	operational control systems; and
9	
0	(2) implementing appropriate security controls to address the identified threats,
1	vulnerabilities, and risks, consistent with the types of data and systems to be protected and
2	the nature and scope of the organization;
3	
4	FURTHER RESOLVED, That the American Bar Association encourages these organizations
5	to develop and test a response plan for possible cyber attacks, including disclosure of data
6	breaches, notification of affected individuals, and the recovery and restoration of disrupted
7	operations; and
8	
9	FURTHER RESOLVED, That the American Bar Association encourages these organizations
.0	to (1) engage in partnerships or cooperative relationships, where appropriate, to address the
1	problem of cyber attacks by sharing information on cyber threats, and (2) develop points of
2	contact and protocols to enable such information sharing.
