

Founded in 1893, ATC is known for its pre-eminence in serving international business, private clients, capital markets and alternative investment funds across the globe.

- ATC is one of the **oldest** management-owned fiduciary service providers and has been **independent** since its inception.
- ATC employs over **350** professionals in **17** offices across Europe, the Caribbean and the Asia Pacific region, and has relevant regulatory licences in all operational jurisdictions.
- ATC's **Private Clients** team provides fiduciary and administrative services to a comprehensive range of structures used by individuals or families to manage their wealth and plan their estate - trusts, foundations, private investment companies and other entities. The team services more than **2,500** structures across the globe.
- ATC's core **Corporate Services** business is servicing and managing our clients' legal, administrative and accounting processes. We offer a full range of management, accounting, domiciliation and legal & compliance services to international holding, finance and trading structures, including more than 150 entities for leading Private Equity houses.
- ATC **Capital Markets** offers management and administration services to capital markets across Europe and has been at the forefront of the development of structured financing and its related products. The total value of the issues we have been involved with is approximately **\$500 billion** (in a mixture of ABS, CB, CDO, CLO, CMBS and RMBS transactions). In addition, the team has been specifically praised by Fitch Ratings for enhancing investor reports ("the majority of reports under their management now being assigned five stars") and has obtained SAS 70 type II certification.
- ATC **Fund Services**, which specialises in offering services to alternative funds, particularly hedge funds, offers the following services: assistance with incorporation; review of fund documentation; registered office; accounting and valuation; custody for fund of funds; registrar and transfer agency; and fiduciary services. Our team "**gets closer to perfection on a regular basis than any provider in this survey**" according to the Hedge Fund Administration Survey by Global Custodian, which consistently ranks ATC as among the best administrators in the world.
