

The *Law and Aging Guide* is a comprehensive listing of the state-wide resources available to help older persons with law-related issues. Published by the American Bar Association Commission on Law and Aging, the *Guide* includes important contact numbers and addresses for legal assistance providers and other law-related services for the elderly. Many states now have toll-free senior legal hotlines. If you are an older person (or family member or trusted friend of an older person) who needs legal advice or assistance, the first step is to see if your state has a hotline, and, if it does, to call the hotline listed below.

[Note: If you are legal services provider or entity listed below, please email any changes of address or information to the ABA Commission at abaelderly@abanet.org, attn: Law and Aging Guide.]
