Alternate Format Ballot

The Alternate Format Ballot (AFB) is a new voting tool that is available to voters with disabilities. The AFB allows voters with disabilities who are unable to mark a printed ballot to vote privately and independently at home if they have, or have access to, a computer with a web browser and a printer.

Call **1-866-ORE VOTE/ 673-8683** or your county elections official for more information.

Accessible Computer Stations

To accommodate voters with disabilities that do not have, or have access to, the required technology to vote the AFB from home, every county elections office will have at least two Accessible Computer Stations (ACS), one permanent and one portable. The permanent ACS is located at the county elections office and voters can go to the office and vote privately and independently using the AFB. The portable station allows county election officials to, upon request, take the ACS and AFB to remote locations or a location agreed upon by the voter and the county elections officials to accommodate participation in the voting process.

Voting Assistance Teams

Any voter with a disability that needs assistance can request assistance from the county elections office. A non-partisan voting assistance team will be able to provide assistance marking a ballot, using the ACS and AFB or completing a voter registration card.

Call **1-866-ORE VOTE/ 673-8683** or your county elections official to request assistance.
