

NATURAL RESOURCES & ENVIRONMENT Systems (Winter 2012)

CALL FOR ARTICLE PROPOSALS

The ABA Section of Environment, Energy, and Resources' magazine *Natural Resources & Environment* will devote its Winter 2012 issue to articles on **Systems**.

The editors of *NR&E* are looking for articles discussing how law addresses (or fails to address) environmental, natural resource, and/or energy as dynamic systems. Articles may address state, regional, national, or international issues. Suggested topics include, but are not limited to:

- Biodiversity, ecosystem resilience, meta-ecosystem dynamics
- Resource, environment, and energy links
- Systems analysis
- Climate change
- Ecosystem services
- Environmental issues in the retail/wholesale business sector; other industry sectors
- Biofuels
- Integrated pollution control
- Pollution tax
- Agriculture
- Watersheds
- NEPA; environmental externalities; life-cycle analysis
- Energy; Electricity
- Decision-making as a system; Permits and regulation
- Policy design; Unintended consequences

WE ARE CURRENTLY SOLICITING AUTHORS TO CONTRIBUTE ARTICLES TO THIS ISSUE.

Please circulate this notice to members of your committee, asking any member interested in writing an article for this issue to submit a proposal describing the article's specific topic, including why the topic is important, and how the article will relate to the theme of the issue. Authors should use the [proposal form](#) and include full contact information and indicate their professional employment, position, or affiliation. Proposal forms should be e-mailed to the Issue Editor (below). Authors may also e-mail their proposals in the body of an e-mail to the Issue Editor provided that they give all of the information requested on the proposal form. The editors seek articles covering a diverse range of topics written by a diverse range of authors.

ARTICLE PROPOSALS ARE DUE BY April 22, 2011.

Article selection will be made by late-April. Article drafts are due by **July 13, 2011**. Authors will work with an editor from the *NR&E* Board throughout the publication process and will be assigned a specific word count limit within the range of 2,500-5,000 words. Articles should be written in magazine style (no footnotes). *NR&E* article guidelines can be found on the ABA Web site at www.abanet.org/abastore/products/periodicals/5350100_writ.html.

PLEASE SEND ARTICLE PROPOSALS TO THE *NR&E* ISSUE EDITOR:
