About the Authors xi
Acknowledgments xv

Chapter 1. An Overview of the PCT System 1
1. What the PCT Is 2
2. The PCT Framework 2
   2.1 History 2
   2.2 Governance 5
3. Statistics 7
4. The PCT Time Frame 8
   4.1 The International and National Phases 8
   4.2 The PCT Timeline 11
5. Benefits of Using the PCT 15
   5.1 Applicants 15
   5.2 Patent Offices 16
   5.3 Third Parties 17

Chapter 2. PCT Procedures 19
1. Requirements to File under the PCT 19
2. Making an Ineligible Application Eligible:
   Applicants-of-Convenience 20
3. Where to File an International Application 21
   3.1 Choosing the Receiving Office 22
4. Requirements for an International Filing Date 24
Contents

5. Completing the Request Form and Options Available at Filing
   5.1 Getting Started 26
   5.2 The Request 26
   5.3 The Applicant(s) and Inventor(s) 27
   5.4 Agents, Common Representatives, and Address for Correspondence 32
   5.5 Designations and Types of Protection 36
   5.6 Claiming Priority in a PCT Application 38
   5.7 The PCT and U.S. Continuation Practice 39
   5.8 The Supplemental Box 40
   5.9 Priority Documents 42
   5.10 Searching Matters 44

6. Helpful Declarations that Are Available under the PCT 45
   6.1 Box No. VIII(i) 47
   6.2 Box Nos. VIII(ii) and VIII(iii) 47
   6.3 Box No. VIII(iv) 50
   6.4 Box VIII(v) 51

7. Sequence Listings 53
   7.1 Sequence Listings 53
   7.2 Boxes IX and X; Completing the Request 55

8. Biological Deposits 57

9. Fees under the PCT 58

Chapter 3. International Search and Preliminary Examination 65
   1. Overview of the System 65
   2. Scope of the International Search 67
   3. Understanding the ISR and WO 68
   4. Selecting an ISA 70
      4.1 Factors in Selecting an ISA 71
      4.2 ISA Competencies 76
      4.3 Effect of ISA Selection on PPH Use 81
      4.4 Linguistic Ability 82
      4.5 Provision of Cited References 83
      4.6 Some Strengths of Each of the ISAs 83
Contents

7. Rectification of Obvious Mistakes 128
8. Reinstatement of Rights by National Offices 130
8.1 Review by the National Offices 131

Chapter 6. Entering the National Phase 133
1. Deadlines for Entering the National/Regional Phase 135
1.1 Deadlines for Entering the National/Regional Phase (as of May 2011) 136
1.2 The Four Patent Regions 138
1.3 Patent Grant 140
2. Determining Where to Enter National Phase 140
2.1 Trends in Regional and National Phase Selection 140
3. General Principles Regarding Entering the National Phase 142
3.1 The Translation 143
3.2 The Fees 144
3.3 Foreign Associates 144
3.4 Entering the National Phase Early 145
3.5 Other Requirements 145
4. Missed Deadlines 147
5. Saving Money and Hassle 148

Chapter 7. Entry into the U.S. National Phase 149
1. General Information 149
1.1 National Stage and Bypass 150
2. National Stage 152
2.1 Fees 152
2.2 Oath or Declaration 153
2.3 Documents Required 154
2.4 Pedigree 157
2.5 Filing Dates in a National Stage Application 161
2.6 Restriction Practice in the United States and PCT 161
2.7 Failure to Meet the 30-Month Deadline 162
3.1 Fees 163
3.2 Oath or Declaration 163
3.3 Documents Required 163
Chapter 8. Entry into the National Phase in Europe, China, and Elsewhere

1. Entering the European Regional Phase
   1.1 What Is Required
   1.2 Fees

2. Practice upon Entry into the European Regional Phase
   2.1 Filing of Amendments
   2.2 Mandatory Response to the IPRP
   2.3 Opportunity to Respond to Objection that No Meaningful Search Can Be Carried Out
   2.4 Restriction on Search of Multiple Independent Claims

3. EPO Divisional Practice

4. Additional Practice Tips
   4.1 Delaying Entry into Regional Phase
   4.2 Accelerating Entry into Regional Phase
   4.3 Making Prosecution More Efficient
   4.4 Auxiliary Requests
   4.5 Problem and Solution Approach to Overcome Inventive Step Rejections

5. Validation after Grant
   5.1 Validation Rates
   5.2 Translations

6. National Phase Entry in China
   6.1 Chinese Emergence
   6.2 Relationship to Hong Kong
   6.3 Two Types of Protection Offered
   6.4 Terminology
   6.5 Fees
   6.6 National Phase Entry Form
   6.7 Deadline for National Phase Entry
   6.8 Translation
   6.9 Amendments and Requesting Examination
6.10 Assignments 190
7. National Phase Entry in Other Countries 191
8. Other Types of Protection Available via PCT—Utility Models 192

Chapter 9. PCT Strategies and Recommendations 199
1. First Filing Your Application 199
2. Different Laws in Different Countries 200
3. Various Ways to Obtain the Filing of a PCT Application 201
   3.1 Using a U.S. Provisional Application as Priority for the PCT Application 201
   3.2 Using a Nonprovisional U.S. Application as Priority for the PCT Application 205
   3.3 PCT First 207
4. Selecting Countries for National Filing 209
   4.1 Factors to Consider in Determining Where to Foreign File 209
   4.2 Evaluation of the Invention 210
   4.3 Evaluating Countries for Filing 211
   4.4 Guidance Tools 212
   4.5 Suggestions on Prioritizing Countries 213
5. Drafting a Global Patent Application 214
   5.1 The Need for a “Global” Patent Application 215
   5.2 General Recommendations for a “Global” Application 217
   5.3 Writing a “Global” Patent Application 219
6. Routes to Faster Acceptance: The Patent Prosecution Highway 225
   6.1 Purpose of PPH 225
   6.2 Three Generations of PPH 225
   6.3 Requirements for Use of the PPH 227
   6.4 Country Participation 229
   6.5 Statistics 230
   6.6 Strategic Use of PCT-PPH 231
   6.7 Benefits of PPH 233
   6.8 Cautions with PPH 233
7. Other Accelerating Programs 234
8. Selecting and Working with Foreign Counsel 235
  8.1 Types of Foreign Counsel 235
  8.2 Finding a Foreign Counsel 236
  8.3 Selection Criteria for Patent Counsel 237
  8.4 Working with Foreign Counsel 240

Chapter 10. WIPO Resources 243
  1. Priority Document Exchange and Digital Access Services 243
     1.1 PDX System 244
     1.2 WIPO DAS System 245
  2. Use of PDX and WIPO DAS with a PCT Application 248
     2.1 When Claiming a U.S. Priority 248
     2.2 When Claiming a Foreign Priority 248
  3. WIPO Publications 251
     3.1 WIPO Internet Resources 252
     3.2 PCT Applicant’s Guide 252
     3.3 PATENTSCOPE 253
     3.4 Other PCT Resources Available on the Internet 253
     3.5 Really Simple Syndication (RSS) Feeds 254
  4. PCT Licensing Feature 254

Chapter 11. Afterword—The Future of the PCT 255
  1. Publishing the Written Opinion 256
  2. Collaborative Search and Examination 256
  4. ePCT 258
  5. PCT-PPH 259
  6. Linking the International and National Phases 259
  7. Conclusion 260

Appendix. PCT Jargon
  1. Glossary of Terms 263
  2. Glossary of Abbreviations 268

Index 271
