Preface

Antitrust Issues in Intellectual Property Law (2015 Edition) is a concise, handy reference that collects case law dealing with every aspect of antitrust issues with intellectual property law. This book presents the cases decided in the past year on each point, as well as relevant earlier cases, and is a resource for anyone who has to know or give an opinion on antitrust issues in intellectual property law, including:

- new lawyers and seasoned litigators
- jurists
- federal judges
- intellectual property attorneys
- antitrust attorneys
- patent attorneys
- in-house counsel

This publication was created to provide you with accurate and authoritative information concerning the subject matter covered; however, this publication was not necessarily prepared by persons licensed to practice law in a particular jurisdiction.
