

MEET OUR WORD FOR MAC EXPERT

Meet our Word for Mac expert who authored this manual.

JEFF SCHOENBERGER

An Apple aficionado to his core, Jeff is Affinity's Mac expert. Whether it's understanding the differences between Word for Windows and Word for Mac or giving advice on iOS apps, Jeff has his clients covered. He has a particular affinity for finding Mac-friendly alternatives to software used by Windows-based legal organizations.

When Jeff isn't working with Apple products, he works with bar associations on providing member benefits, including white papers, articles, consulting services, and training resources.
