BARRON HENLEY

Most people wouldn't relish the idea of spending a day in a conference room, teaching Microsoft Outlook. Barron is not most people. There are few things Barron enjoys more than teaching all-day software training classes.

As an attorney, he understands how challenging it is to practice law without the proper training on the technology tools. When Barron isn't training people on Word or helping transition organizations transition from WordPerfect, he focuses on automating documents and teaching CLE classes for attorneys across North America.

PAUL UNGER

While most people understand the day-to-day struggle of keeping up with email, Paul knows how to tackle the problem better than anyone. Paul's passion is coaching lawyers on managing time, distractions, tasks, emails, and documents efficiently. As the author of *Tame the Digital Chaos – A Lawyer's Guide to Time, Task, Email and Distraction Management*, Paul is truly an expert on the topic.

Paul's expertise is well-founded from his time practicing law. When Paul isn't coaching lawyers, he teaches CLE classes for attorneys across North America.
