About the Authors xvii

Foreword xix

Preface xxiii
  Legal and Forensic Responses xxiii
  Professional Developments xxv
  New Findings xxvii
  Problems Remaining xxix

Chapter 1 Brainwashing and Programming 1
  Varied Meanings 2
    Political 2
    Computer Technology 4
    Social/Psychological and Sociological Usage 5
    Legal/Forensic 7
  Components of the Definitions of Programming and
    Brainwashing with Examples 9
  Operational Definition: Clarifying the Terms and
    Distinguishing between Programming and
    Brainwashing 12
  Definitions Employed in This Study 12
  Stages of Programming/Brainwashing 19
  Ideational and Emotional Components/Thematic Focus 20
4. Sense of Past History 73
5. Proprietary Perspective 74
   The Case of the Pregnant, Proprietary Mother 75
6. Jealousy 76
7. Child Support 77
8. Loss of Identity 78
9. Out of Sight, Out of Mind 80
10. Self-Protection 80
    A. Alcoholism or Drug Addiction 81
    B. Child Sexual Abuse 87
    C. Abductors 96
    D. Criminal Involvement 98
    E. Mental Health 100
    F. Problematic Social Relationships or Lifestyle 103
    G. Preexisting or New Physical Health Condition 104
11. Maintaining the Relationship through Conflict 107
12. Power, Influence, Control, and Domination 110
    The Case of the Embittered-Chaotic Mother 111

Chapter 4 Detection Factors 115
List of Detection Factors 117
1. Contradictory Statements 117
2. Inappropriate and Unnecessary Information 119
3. Character Assault 120
4. Collusion or One-Sided Alliance 121
5. Child Becomes Spy or Conduit of Information 122
6. Use of Indirect Statements 123
7. Restrictions on Permission to Love or Be Loved 124
8. Unchildlike Statements 125
9. Good Parent versus Bad Parent 127
10. Comparative Martyr Role 128
11. Fear of Contact with the Other Parent 130
12. Anxiety Arousal 131
13. Cohort in Secret-Keeping 134
14. Child Appears as Mirror-Image of Programmer 135
## Contents

15. Confusion of a Birth Parent’s Importance 137  
16. Manifestation of Guilt 138  
17. Scripted Views 139  
18. Unmanageability for No Apparent Reason 140  
19. Radical Changes and Dysfunctional Behavior Manifested in Other Spheres 142  
20. Nonverbal Messages 146  
21. Coaching Behavior 147  
22. Brain Twirling 148  
23. Child Threatens Parent 149  
24. Child as Parent’s Best Friend 149  
25. Physical Survival 151  

Chapter 5 Impact and Influence Factors 161  
- Relational Impact and Influence 163  
  - Threatening to Live with the Noncustodial Parent 167  
  - Power Conflicts and Manipulation 168  
  - School-Related Problems 168  
  - Materialistic Demands 169  
  - Behavioral Problems 170  
- Personal Impact and Influences 171  
  - Identity 171  
  - Anger Directed toward Both Parents 172  
  - Behavioral Regression 174  
  - Creating a Fantasy Parent 175  
- Programmers/Brainwashers Often Beget Programmers/Brainwashers 177  
- Residential Propinquity 178  
- Multiple Programmers/Brainwashers 179  
- Vulnerability–Invulnerability 180  
- Vulnerability Characteristics 182  
- Invulnerability Characteristics 190  
- Social Factors Impeding the Success of Programming and Brainwashing 199
Representation of Family Boundaries for Different Types of Parental Relationships 199

Chapter 6  Deprogramming Factors 203

Knowledge of the Themes and Content of the Programme (Programming) 205
Knowledge of Techniques Employed to Inculcate the Themes (Brainwashing) 206
Knowledge of the Duration and Intensity 208
Knowledge of the Motives of the Programmer 209
Evaluation of Degree and Types of Damage 211
Evaluation of the Resources Available in the Deprogramming Process 214
Establishment of Rapport 215
Knowledge of Risks 218
Identifying and Dealing with the “Point of No Return” 219
Knowledge of Shutdown Messages 223
Introduction of Objective Materials 225
Environmental Modification 229
Reeducation, Counseling, Therapy 233
Measuring the Degree and Type of Changes That Can, Will, or Have Taken Place as a Result of the Deprogramming Process 235

Chapter 7  The Female Factor 239

Birthright 240
Proprietary-Exclusionary Perspective 241
The Family and Women Are Synonymous 242
Female Identity and Parenting 242
Financial-Support Needs 243
Lack of Other Resources 244
Continuity and Family History 245
Negative Opinions of Men’s Capacity to Parent 246
Peer-Group Expectations 247
Fear of Another Loss 247
Contents

Desire to Move or Leave a Geographical Area  248
Desire to Create the New Family  248
Opportunity  249
Summary of the Sex Differences in Programming/Brainwashing  249

Chapter 8  The Male Abuse Factor  251
Twenty-One Behavioral Characteristics of Programming-and-Brainwashing Fathers  253
1. Put-Downs/Character Assaults  253
2. Verbal Interruptions  253
3. Other Blamers  254
4. Self-Absorbed  254
5. Threats  254
6. Silent Treatment  255
7. Isolationist Behaviors  255
8. Lack of Ability to Prioritize  256
9. Conflict Is Omnipresent  256
10. False Make-Ups and Cycles  257
11. Drugs Predate Arguments  257
12. High Degrees of Secrecy  258
13. Jealousy  258
14. A Desire to Restrict Growth and Development  259
15. Control Is the Basic Theme  260
16. Need to Be Correct All the Time  261
17. Facilitates Anxiety  261
18. Makes You Feel Bad about Yourself  262
19. Physical Incidents  262
20. Inconsistency  263
21. Creates Defensiveness  263
Summary  264

Chapter 9  Attitudinal and Behavioral Characteristics of Programming-and-Brainwashing Parents  267
M.O. Factors  272
1. Exaggeration  272
2. Escalation 274
3. Social Inversion 277
4. Poor Candidates for Educational and Therapeutic Interventions 279
5. Other Blamers 279
6. Hypervigilance 280
7. Manipulative and Ingratiating 280
8. Provide Rewards to the Children 283
9. System Navigators 283
10. Expect Others to “Get It” 284
11. Isolation 284
12. Will Reinterpret Most Information and Rewrite Scripts (and Further Seek to Ensure Isolation) 285
13. Control/Power Pattern 286
14. Conflict-Habituated and Power Focus 288
15. Closed/Unchanging/Does Not Heed Warnings/Unreasonable 290
16. Social Harassment 295
17. Storytelling and Contamination 296
18. Crusade-Like Behavior or “No One Knows the Trouble I’ve Seen” 297
19. Exclusive Language and Viewing the Children in Proprietary Terms 297
20. Cross-Programming 298
21. Great Stamina 298
22. Self-Perceived Consistency, but Usually Inconsistent 299
23. High Rates of Gender Typing 299
24. Pretend to Focus on Children, but Really Only Capable of Egocentric Activity 299
25. Smoke-Screen Allegations 299
26. Excellent at Coaching and Building Parental Networks 300
27. Hold Stereotypical Views of Custody 300
28. They Have Exit Strategies 301
Chapter 10 Enlisting Professional Assistance 307

Ability to Differentiate Programming-and-Brainwashing from Other Social-Psychological Phenomena 308
Experience 309
Successful Interventions 310
Training 311
Articulation Skills 312
Reputation 312
Ethical Consideration 313
  Time Frame 314
  A Thorough Review 314
  Will Exercise Professional Discretion 315
  Focus on the Children 315
  Objectivity 315
  Being Reasonable 316
  Knowledge of Their Own Organizational Code of Ethics 316
Watch Out for Smooth Advertising 317
Recommendations from Others 317
Willingness to Take a Stance 318
Disciplinary Background 318
Can Recommend and/or Has Experience with Social Interventions 319
Diagnostic Model 319

Chapter 11 Social History as the Basic Research Tool 321

Twenty-Eight Factors Impacting Child’s Adjustment to Divorce 332
Child’s Adjustment to Divorce 332
Effectiveness and Sensitivity of Legal Interactions 332
Potential for Parental Conflict Resolution 332
Amount and Type of New Adults Introduced in Child’s Life (therapist, lawyers, parent coordinators, etc.) 332
Chapter 12 The Resistance Factor and the Legal System

Different Types of Resistance
1. Direct Parent-Supported Resistance
2. Indirect Parent-Supported Resistance

Guidelines for Judges
1. Issue a Timely Ruling
2. Limit Evaluation-Process Problems
3. Keep the Focus
4. Explain the Judge’s Order to the Children
5. Follow-up Schedule in Order to Measure Compliance
6. Articulating an Exact Order
7. Develop a Typology of Non-Compliant Parents and Their Behaviors
8. Don’t Use Terms Such as “Consult” in Reference to Parental Communication or Decision Making
9. Explain the Order to Parents and the Conditions Constituting Noncompliance
10. Develop a List of Penalties for Non-Compliance
11. Identify and Reprimand Surrogate Programmers (Step-parents, Paramours, Grandparents, Stepchildren)
12. Use “Therapy” Sparingly and Precisely

Chapter 13 Questions Most Commonly Asked by Target Parents, Programming/Brainwashing Parents, Attorneys, Judges, and Children

Questions Most Commonly Asked by Target Parents
Questions Most Commonly Asked by Programming/Brainwashing Parents
Questions Most Commonly Asked by Attorneys
Questions Most Commonly Asked by Judges
Questions Most Commonly Asked by Children
Chapter 14 Children’s Statements 375
   Part I. Selected Comments by Reaffiliated / Reconciled / Deprogrammed Children of Varying Ages 375
   Part II. Selected Examples of Children’s Programming-and-Brainwashing Statements 378

Chapter 15 Findings, Conclusions, Surprises, and Implications of the Study 387
   Category I 387
      The Extensiveness of the Themes or Content of the Programme 387
   Category II 388
      The Great Diversity of Techniques Employed by Programmers and Brainwashers to Inculcate Their Messages, Themes, and Goals 388
   Category III 389
      The Multiplicity of Social/Psychological Motives of the Programmer/Brainwasher 389
   Category IV 390
      Detection Factors 390
   Category V 392
      The Types of Impact the Programming/Brainwashing Processes Have on Children 392
   Category VI 394
      The Potential for Successful Intervention, Reduction, and Modification of the Damaging Effects on Children 394
   Category VII 397
      The Female Factor 397
   Category VIII 398
      The Male Abuse Factor 398
   Category IX 398
      The M.O. (Modus Operandi) Factor 398
   Category X 399
      Enlisting Professional Assistance 399
