Chapter I  Introduction to the Surety’s Rights as the Foundation for the Indemnity ..................... 1
A. Background and Summary ........................................................................................................... 1
   1. The Nature of Suretyship .......................................................................................................... 2
   2. Comparison with Insurance: The Extension of Credit Concept and Other Distinctions ............. 4
      a. Underwriting Issues and Considerations .............................................................................. 7
      b. It is the Surety’s Hope and Expectation that It Will Suffer No Loss ............................... 8
B. The Surety’s Common Law and Statutory Rights .................................................................... 9
   1. The Surety’s Common Law Right to Protection from Loss: Exoneration ............................... 10
   2. The Surety’s Common Law and Statutory Rights to Reimbursement (Traditional Indemnity) .... 11
   3. The Surety’s Subrogation Rights and the Indemnity Agreement ........................................... 16
      a. The Surety’s Subrogation Rights – Basis at Law and in Equity ........................................ 16
      b. The Surety’s Subrogation Rights – Practice and Effect ...................................................... 20
         (i) The Surety’s Subrogation to the Obligee’s Rights .......................................................... 20
         (ii) The Surety’s Subrogation to the Principal’s Rights ..................................................... 21
         (iii) The Surety’s Subrogation to Subcontractor/Supplier Rights ......................................... 22
The Surety’s Indemnity Agreement – Law & Practice, 2d Ed.

(iv) The Property Subject to the Surety’s Subrogation Rights ........................................... 23

c. Comparing and Contrasting the Surety’s Subrogation Rights to the Surety’s Reimbursement Rights Under the Indemnity Agreement ......................................................... 23
   (i) Advantages of Subrogation in Comparison with Assignment ........................................... 25
   (ii) Disadvantages of Subrogation in Comparison with Assignment ........................................... 26

d. The Effect of the Surety’s Rights Under Its Indemnity Agreement on Subrogation --Selection and Election of Rights ................................................................. 26

C. Conclusion to Introduction ........................................................................................................ 27

Chapter II Creation of the Relationship Among the Surety, the Principal, and the Indemnitors – Who and How ................................................................. 29

A. The Parties to the Indemnity Agreement and the Execution Thereof ........................................... 29
   1. Principal and Indemnitors ......................................................................................................... 29
      a. Individuals .............................................................................................................................. 30
      b. Corporation ............................................................................................................................ 31
         (i) Subchapter C Corporations ............................................................................................... 31
         (ii) Subchapter S Corporations ............................................................................................... 35
         (iii) Holding Company .............................................................................................................. 35
      c. Limited Liability Company .................................................................................................. 36
      d. Partnership ............................................................................................................................ 38
         (i) General Partnerships ......................................................................................................... 38
         (ii) Limited Partnerships ......................................................................................................... 40
         (iii) Limited Liability Partnership .......................................................................................... 41
      e. Joint Venture ........................................................................................................................ 41
         (i) Multiple Purpose/Multiple Projects .................................................................................... 41
         (ii) Single Purpose/Single Project Joint Venture ..................................................................... 43
      f. ESOP (Employee Stock Ownership Plans) ............................................................................ 44
      g. Foreign Entity ....................................................................................................................... 44
         (i) Foreign Corporations ........................................................................................................ 44
Contents

(ii) Foreign Sovereigns .............................................. 45
(iii) Sovereign Tribal Nations ........................................ 47
(iv) Tribal Affiliates/Entities ........................................ 49
(v) Alaska Native Corporations ........................................ 50
h. Trust/Trust Beneficiaries .......................................... 51
   (i) Testamentary Trust ............................................. 52
   (ii) Business Trusts ................................................. 52
   (iii) Asset Protection/Spendthrift Trusts ......................... 53
   (iv) Family or Special Interest Trust ............................. 54
2. Surety ........................................................................ 55
   a. Corporate Surety .................................................... 55
   b. Personal Surety ....................................................... 55
   c. Compensated Surety ............................................... 56
   d. Uncompensated Surety ............................................. 56
   e. Co-Surety .............................................................. 56
      (i) Contractual Co-Surety ........................................... 56
      (ii) Successor/Predecessor Surety ............................... 57
   f. Reinsurer ................................................................ 58
   g. Surety in Receivership ............................................. 59
   h. Surety in Liquidation ............................................... 60
3. Signatures and Requirements for Signature .......................... 60
   a. Execution by All Parties .......................................... 60
   b. Notarial Acknowledgment ......................................... 61
      (i) Purpose (Forged Signatures) .................................. 61
      (ii) Protections (Notary Liability) ............................... 62
   c. Corporate Resolution .............................................. 63
   d. Need for Original Signature ...................................... 63
4. Surety’s Acceptance – By Writing Bonds ......................... 64
B. The Principal’s and the Indemnitors’ Representations and Warranties ......................................................... 64
   1. The Right, Power and Authority to Execute and Perform the Indemnity Agreement ................................. 64
   2. The Financial Information Provided to the Surety ......... 65
      a. Right to Have Access to Principal’s and Indemnitors’ Books and Records ............................................. 66
b. Right to Financial Information from Third Parties ............ 67

3. Acknowledgement that There are No Oral or Other Agreements as a Condition Precedent or to Induce the Execution of the Indemnity Agreement ........................................ 70

C. Consideration ...................................................................................................................... 73

D. Severability and Partial Execution .................................................................................. 77

1. Severability of Invalid, Illegal, Void, or Unenforceable Provisions of the Indemnity Agreement ................................................................. 78

2. Partial Execution of the Indemnity Agreement ............................................................... 79

   a. One or More Parties Fails to Execute the Indemnity Agreement ........................................ 79

   b. The Execution of the Indemnity Agreement by One or More Parties is Defective or Invalid for any Reason ......................................................... 80

E. Multiple Indemnity Agreements .......................................................................................... 82

1. With the Same Surety........................................................................................................ 83

2. With Two or More Sureties .............................................................................................. 83

F. The Bonds Included Under the Indemnity Agreement ..................................................... 84

1. Bonds Executed On or After the Date of the Indemnity Agreement ..................................... 84

2. Bonds Executed Prior to the Date of the Indemnity Agreement ........................................ 85

G. The Surety's Right to Decline to Execute Bonds ............................................................. 88

1. The Principal is Not Obligated to Obtain Bonds from the Surety ........................................ 89

2. The Surety's Right to Decline to Execute Any New Bonds .............................................. 89

3. The Surety's Right to Decline to Execute Any Final Bonds ............................................... 89

4. Bid Bond Losses Where Final Bonds Not Issued ............................................................ 92

5. Surety Liability for Defective or Rejected Bonds ............................................................ 92

H. The Rights of Other Sureties, Co-Sureties, and Reinsurers ............................................ 93

I. Termination of the Indemnity Agreement Relationship ..................................................... 94

1. The Indemnity Agreement as a Continuing Obligation .................................................... 95

2. Method of Termination ........................................................................................................ 97

   a. Written Notice Required ............................................................................................... 97
Contents

b. Delivery of Written Notice to the Surety - Manner ............... 98
c. Time Conditions - Termination Effective Date ................. 98
3. Effectiveness of Termination with Respect to the Bonds ......... 99
   a. Bonds Executed Prior to the Termination Effective Date .... 99
   b. Bonds Executed After the Termination Effective Date ...... 100
   c. Future Liability for Additional Bonds Executed After the Termination Effective Date ......................... 100
4. Continuing Liability of Non-Terminating Indemnitors .......... 100
5. Termination By Operation of Law (Voiding of a Bond or Bonded Contract and its Effect on the Indemnity Agreement) . 101
6. Disputes Between the Principal and the Indemnitors and/or Among the Indemnitors ................................................. 102

Chapter III  Documents and Agreements Related to the Indemnity Agreement ......................................................... 103
A. Introduction ........................................................................ 103
B. The Surety's Agreement with the Principal and Indemnitors .... 104
   1. Subsequent Indemnity Agreements ................................. 104
   2. Subordination Agreements ............................................ 104
      a. Affiliate Debt ...................................................... 105
      b. Subordinated Debt .............................................. 106
   3. Collateral Agreements .................................................. 107
   4. Capital Retention Agreements ....................................... 107
   5. Tribal Addenda .......................................................... 108
   6. Funds Control Agreements .......................................... 114
      a. Joint Account Agreements ..................................... 116
      b. Trust Agreements .............................................. 116
      c. Third-Party Funds Control Agreements ..................... 118
      d. Cash Collateral Agreements .................................. 119
   7. Lending, Financing, Security Type Agreements .................. 123
      a. Direct Lending .................................................. 123
      b. Indirect Lending ............................................... 124
   8. Underwriting Agreements ............................................. 125
   9. Opinions of Counsel .................................................. 129
C. Collateral for the Surety .................................................. 130
1. What Kinds of Collateral ................................................................. 130  
   a. Irrevocable Letter of Credit ................................................. 130  
      (i) Issuing Entity Requirements–Capacity and Format 131  
      (ii) Evergreen (Automatically Renewable) Clause...... 132  
   b. Certificates of Deposit/Demand Deposit Accounts .......... 132  
   c. Standstill Agreements...................................................... 133  
   d. Real Property.................................................................. 134  
   e. Personal Property.............................................................. 134  
      (i) Equipment .................................................................. 135  
      (ii) Inventory and Materials ............................................. 136  
      (iii) Stocks and Bonds....................................................... 136  
      (iv) General Intangibles.................................................... 136  
      (v) Intellectual Property (e.g., Patents) ......................... 137  
      (vi) Life Insurance (e.g., Key Personnel) ....................... 137  
2. Priority Rights in the Collateral ............................................ 138  
   a. Prior Liens ..................................................................... 138  
   b. Subordination Agreements............................................... 139  
3. Acquiring the Collateral - Means and Methods ................. 139  
   a. Real Property - Mortgages and Deeds of Trust .......... 139  
   b. Personal Property.............................................................. 141  
      (i) Assignment or Security Agreement ......................... 141  
      (ii) Attachment................................................................. 142  
      (iii) Types of Security Agreements............................... 143  
4. Perfection .............................................................................. 145  
   a. Filing U.C.C.-1 Financing Statement ............................... 145  
   b. Possession of the Collateral............................................. 146  
   c. Control............................................................................ 146  
   d. Automatic ........................................................................ 146  
   e. Other Required Filings (Examples Only)...................... 146  
5. Losing the Collateral............................................................... 147  
   a. Failing to Obtain Perfected Lien Rights in the Collateral .. 147  
   b. Failing to Maintain the Collateral................................. 147  
   c. Third Party Actions Taken Against the Collateral........... 148  
      (i) Senior Lien Creditors................................................... 148
Contents

(ii) Debtors/Trustees in Bankruptcy .................................. 149
(iii) Others (e.g., Taxing Authorities and
Judgment Creditors) .................................................. 150
d. Failing to Insure the Collateral .................................. 151

6. Realizing on the Collateral and Application of the Collateral
Proceeds to the Surety’s Loss ........................................... 151
a. By Contract (Indemnity Agreement, Separate Collateral
Agreement, Settlement Agreement or Other) .................. 152
b. Allocation of Collateral and Its Proceeds By
Operation of Law ..................................................... 154

7. Releasing the Collateral ............................................ 155
a. Satisfactory Evidence of the Surety’s Release
and Discharge From All of its Liabilities
under the Bonds .................................................... 156
b. Payment of all of the Surety’s Losses ...................... 156

D. The Surety’s Agreements with Entities with Whom the
Principal and/or Indemnitors Have Relationships ............ 156
1. Inter-Creditor Agreements .......................................... 156
2. Subordination Agreements ......................................... 162
3. Confidentiality Agreements ........................................ 162
4. Guarantees in Favor of Existing Lenders; Guarantees
Supporting New Credit .............................................. 162
5. Equipment, Facility, and Intellectual Property Utilization
Agreements ............................................................. 163
6. Joint Venture Applications and Related Agreements ........ 165

E. The Surety’s Agreements with Entities with Whom the
Surety has Relationships ............................................. 165
1. Reinsurance .......................................................... 165
2. Co-Surety .............................................................. 166
   a. Single Indemnity Agreement for the Co-Sureties .... 167
   b. Multiple Indemnity Agreements for the Co-Sureties .. 168
   c. Co-Surety Side Agreement Among the Sureties Only .. 169
      (i) Percentages ..................................................... 172
      (ii) Lead Surety ................................................... 173
      (iii) Solvency Issues .............................................. 173
d. Accommodation Surety ........................................... 174
e. Fronting Agreements ....................................................... 174
3. The Guiding Claim Procedures ......................................... 175

Chapter IV  Liability of the Principal and Indemnitors to
Indemnify and Reimburse the Surety .......................... 179
A. The Liability of the Principal and Indemnitors ................. 181
   1. What is a “Principal”? ...................................................... 181
   2. Who can be a “Principal”? .............................................. 182
      a. Individuals .................................................................. 183
      b. Corporations or Limited Liability Companies .................... 183
      c. Partnerships, Limited Liability Partnerships,
         Joint Ventures or Their Partners ..................................... 184
   3. What is an “Indemnitor”? ................................................. 185
   4. Who can be an “Indemnitor”? ........................................... 185
      a. Individuals .................................................................. 185
      b. Corporation or Limited Liability Company ....................... 186
      c. Partnership, Limited Liability Partnership,
         Joint Venture or Their Partners ..................................... 186
      d. Trust/Trust Beneficiaries .............................................. 186
   5. The Joint and Several Liability of the Principal and the
      Indemnitors to the Surety ............................................. 187
B. The Reimbursement and Indemnification of the Surety ....... 188
   1. Indemnification Against Liability .................................... 191
   2. Indemnification Against Loss .......................................... 192
C. The Basis for the Surety’s Claim for Reimbursement ......... 194
   1. The Surety Incurs Loss in Connection With Any Bonds ...... 199
   2. The Surety’s Execution, Procurement, Renewal, or
      Continuation of Any Bonds ............................................ 200
   3. The Failure of the Principal and the Indemnitors to
      Comply With Obligations under the Indemnity Agreement .... 202
   4. The Surety’s Enforcement of Its Rights under the
      Indemnity Agreement .................................................... 203
D. The Surety’s Loss – Types of Damages for Which the
Surety Seeks Reimbursement (Indemnification) .................... 204
   1. Unpaid Premiums .......................................................... 204
   2. The Surety’s Payment of Claims ...................................... 205
Contents

3. The Surety’s Advances and Loans ........................................... 208
4. Interest ...................................................................................... 209
5. Recovery of Attorneys’ Fees ..................................................... 210
   a. Requirement that “All” Fees are Recoverable ..................... 211
   b. Requirement that Fees Must be Necessary and
      Incurred in Good Faith ....................................................... 212
   c. Requirement that Fees Must be Reasonable ..................... 213
   d. The Principal’s Offer to Defend ......................................... 216
6. Expenses ............................................................................... 219
7. Bad Faith Claims ..................................................................... 223

Chapter V  The Surety’s Enforcement of its Rights of
Reimbursement (Indemnity) ..................................................... 225
A. Initial Steps Sureties Take to Enforce Their Reimbursement
   (Indemnity) Rights ................................................................ 225
   1. Reviewing the Underwriting File ....................................... 225
   2. Obtaining Asset, Lien, and Internet Searches .................... 228
   3. Sending Notice and/or Demand to Principal and Indemnitors..228
B. Initial Steps Sureties Take Under the Indemnity Agreement ...... 230
   1. Perfecting Security Interests .............................................. 230
   2. Making a Collateral Demand ............................................ 233
   3. Using the Authorizations in the Indemnity Agreement ........ 234
C. Filing Suit Against the Principal and/or the Indemnitors .......... 236
   1. Surety’s Right to Bring Separate Suits .............................. 236
      a. Suits Against Separate Individuals or Entities ............... 237
         (i) Suits Against the Surety’s Principal ....................... 237
         (ii) Suits Against the Surety’s Indemnitors ................. 238
      b. Suits for Separate Surety Losses ............................... 240
         (i) Direct Suits Against the Principal and/or
            Indemnitors ............................................................. 240
         (ii) Cross-Claims and Third-Party Claims .................... 243
   2. Third-Party Beneficiary Provisions .................................... 244
   3. Personal Jurisdiction and Joinder Provisions ..................... 245
   4. Venue for Suit Provisions .................................................. 249
   5. Service of Process Provisions ............................................. 250
6. Confession of Judgment Provision ........................................ 251
8. Waiver of Trial by Jury ..................................................... 255
D. Filing a Claim Against an Indemnitor’s Probate Estate
   Upon Death of the Indemnitor .......................................... 257
E. Standards of Proof ......................................................... 259
   1. Generally ................................................................. 259
   2. Principal Non-Liability Generally Not a Defense ............. 260
   3. Subjective Good Faith of Surety Generally Sufficient ...... 262
   4. Good Faith: Protection of Surety’s Interests .................. 264
   5. Good Faith and Objective Reasonableness ..................... 265
F. The Burden of Proof ...................................................... 268
G. The Surety’s Settlement with One or More Indemnitors ...... 276

Chapter VI The Surety’s Enforcement of its Rights
  to Collateral from the Principal
  and the Indemnitors .................................................... 277
A. Common Law and Equitable Rights of Enforcement ........... 277
   1. *Quia Timet* .......................................................... 278
   2. Exoneration ............................................................ 283
B. Specific Performance of the Surety’s Rights to Demand
   Collateral under the Indemnity Agreement ....................... 284
   1. The Surety’s Rights .................................................. 284
   2. The Surety’s Remedy ............................................... 289
C. Specific Performance of the Surety’s Trust Fund Rights
   under the Indemnity Agreement .................................... 291
   1. The Trust Fund Provision ......................................... 291
   2. Legal Recognition of the Trust .................................. 294
      a. Manifestation of Intent to Create a Trust .................. 296
      b. Ascertainable Trust *Res* .................................... 298
      c. Identification of Beneficiaries ............................... 300
      d. Identification of a Trustee .................................... 300
      e. Making Sense of the Myriad of Rulings ................... 301
   3. Specific Performance As a Remedy ............................. 303
   4. Effective Use of the Trust Fund Provision ..................... 305
Contents

D. The Surety's Assignment Rights .................................................. 307

1. The Surety's Rights ........................................................................ 308
   a. Origin and Nature of the Assignment Rights .................. 308
   b. The Property Rights Assigned ........................................ 309
   c. Right to Contract Funds .................................................. 311
   d. Right to Equipment and Materials ................................. 311
   e. Right to Principal's Subcontracts and Claims ............. 312
      (i) Right to Settle Claims Involving the Principal .... 313
      (ii) Right to Recover Costs and Expenses .................. 314
      (iii) Right to Offset ...................................................... 314
   f. Right to Licenses, Patents, Copyrights, or Trade Secrets ... 314
   g. Right to Other Property (i.e. General and Limited
      Partnership Interests, Tax Refunds, General Intangibles,
      Claims Under Insurance Policies) .................................. 315
   h. Right to Real Property .................................................... 315

2. The Surety's Remedy ..................................................................... 315
   a. The Indemnity Agreement as Security Agreement ....... 315
   b. The Indemnity Agreement as a U.C.C.
      Financing Statement .......................................................... 316
   c. The Effective Date of the Assigned Rights .................. 319
   d. Enforcement of the Surety's Assignment Rights ......... 320
   e. The Non-Waiver of the Surety's Other Contractual,
      Legal, and Equitable Rights ............................................ 321

Chapter VII  The Indemnity Agreement and the
Handling of the Surety Claims .................................................. 323

A. The Surety's Investigation Into the Books and Records
   of the Principal and the Indemnitors ...................................... 323
   1. Access to Principal and Indemnitors' Books and Records .... 323
      a. In general .................................................................... 324
      b. Purposes ..................................................................... 324
      c. Enforcement .................................................................. 326
   2. The Surety's Right to Information from the Principal or
      Indemnitors .................................................................... 326
   3. Access to Information from Third Parties ....................... 328
4. The Principal’s and the Indemnitors’ Obligation to Maintain or Furnish Surety with Accurate Books and Records or Information ................................................................. 330
5. The Surety’s Right to Furnish Information to Third Parties .... 331
6. The Surety’s Investigation at the Bonded Project Site .......... 332
7. The Principal’s Turnover of Books and Records to the Surety Upon the Occurrence of a Default under the Indemnity Agreement .................................................................................. 332

B. The Surety’s Rights to Settle Claims Against Bonds ............ 333
   1. Principal and Indemnitors’ Obligation to Notify Surety of Claims ........................................................................ 333
   2. The Surety’s Investigation .................................................. 334
   3. The Surety’s Right to Settle Claims Against Its Bonds ...... 334
   4. Effect of a Prima Facie Provision on the Surety’s Right to Settle ........................................................................ 340
   5. Indemnitors’ Option to Post Collateral ............................... 341
      a. Effect of Failure to Deposit Collateral ............................... 342
      b. Nature and Amount of Collateral .................................... 343
   6. The Duty of Good Faith ..................................................... 344
      a. The Surety’s Duty to Notify Principal and Indemnitors .... 346
      b. The Surety’s Investigation of Claims and Assertion of Defenses .......................................................... 348
   7. The Duty to Cooperate ....................................................... 351
   8. The Surety’s Right to Settle the Principal’s Affirmative Claims .................................................................... 353
      a. The Surety’s Duty of Good Faith ........................................ 356
      b. The Uniform Commercial Code Commercially Reasonable Standard .................................................... 357

C. Specific Provisions in the Indemnity Agreement Applicable to Performance Bond Claims ................................. 360
1. The Surety’s Advances or Loans to the Principal ............... 360
   a. The Surety’s Right to Advance Money to the Principal ................................................................. 360
   b. The Surety’s Absolute Right to Cancel any Bank Guarantee or Cease Advancing or Lending Money to the Principal ......................................................... 361
   c. The Surety’s Advances as a Loss .................................. 362
2. The Surety’s Takeover Rights .................................................. 363
   a. When the Surety’s Takeover Rights May be Exercised .......... 364
   b. The Substance of the Surety’s Takeover Rights ................. 365
3. The Surety’s Assignment Rights to the Contract Balances and
to the Use of the Principal’s Subcontractors and Suppliers ...... 366
   a. Receipt of the Contract Monies from the Oblige for the
      Performance of the Work ........................................ 366
   b. Use of the Principal’s Subcontractors and Suppliers .......... 367

Chapter VIII  The Indemnity Agreement and the Handling
   of the Surety Claims .................................................. 369
A. The Obligee Refuses to Accept a Bond ................................ 369
B. Additional Obligations of the Principal and the Indemnitors
to the Surety .......................................................... 370
   1. Obligation and/or Right to Obtain the Release and
      Discharge of the Bonds ....................................... 370
      a. By the Principal and the Indemnitors .................... 370
      b. Rights of the Surety ........................................ 371
   2. The Principal and Indemnitors’ Agreement to Subordinate
      Certain Claims to the Surety’s Rights ....................... 372
      a. Claims of Indemnity and/or Contribution by the
         Principal and Indemnitors Against Each Other .......... 372
      b. Loans Between Principal and Indemnitors ............... 373
   3. Notice Obligations of the Principal and Indemnitors .......... 373
   4. The Indemnitors’ Obligation to Know the Status of the
      Principal’s Financial Condition and the Bonded Contracts .... 374
C. Changes or Modifications ............................................. 375
   1. Changes in the Bonds and Underlying Bonded Contracts .... 375
   2. Changes in the Indemnity Agreement ............................ 378
D. Notices ........................................................................ 379
   1. Manner and Method ................................................. 379
   2. The Principal and the Indemnitors’ Notice to the
      Surety of Claims or Demands .................................. 380
E. Waivers and Non-Waivers ............................................. 380
   1. The Principal’s and the Indemnitors’ Waivers and
      Non-Waivers ...................................................... 380
