A Note from the Editors xxiii

The Forum on Air & Space Law xxv

Introduction xxvii

Jeffrey N. Shane

I INTERNATIONAL REGULATION 1

1 The Chicago Convention 3

Mark W. Atwood

I. Introduction 3

II. Overview 3

III. History of the Chicago Convention 5

IV. Analysis of the Chicago Convention 7

A. Provisions Related to Sovereignty 7

B. Provisions Related to Uniformity and Nondiscrimination 16

V. Conclusion 18

Appendix A: The Freedoms of the Air 19

2 International Air Service Agreements 23

Aqsa Mahmud

I. Historical Antecedents and General Principles 23

II. Provisions in Air Services Agreements 27

A. Grant of Traffic Rights 27

B. Capacity 29

C. Fair Competition 29

D. Pricing 30
3 International Air Safety Regulation

Michael Jennison

I. ICAO, International Safety Rule Maker 42
II. How ICAO Makes the Rules 42
III. The Role of ICAO’s Air Navigation Commission 43
IV. National Aviation Safety Rules 44
V. The FAA as an Exemplar of National Rules 45
VI. European Air Safety Regulation, a Process of Gradual Centralization 46
VII. Regional Aviation Safety Regulation 47
VIII. Sources of Regulatory Disharmony 48
IX. Bilateral Aviation Safety Regulation—Harmonization and Reciprocal Reliance 48
X. Compliance 49
XI. The Role of the FAA’s IASA Program in Building Compliance with SARPs 50
XII. ICAO’s Universal Safety Oversight Audit Program (USOAP) 51
XIII. CAA Oversight of Foreign Carriers 52
XIV. IASA and USOAP Results 52
XV. International Air Transport Association (IATA) Operational Safety Audit (IOSA) Program 53
XVI. Conclusion 53

4 The International Air Transport Association

Michael Gill and Auguste Hocking

I. Introduction 55
II. Origin 56
III. Governance and Membership 57
IV. Mission and Roles
A. Standard Setting 59
B. Industry Financial Services and Distribution 60
C. Advocacy 61
D. Commercial Activities 63
V. IATA in the United States 63
A. The Origins of Tariff Coordination 63
B. International Rate-making in a Regulated System, 1946 to 1978 64
C. Deregulation, International Liberalization, and IATA after 1978 65
D. Antitrust Immunity and IATA 66
E. Structure and Operation of the Modern Traffic Conferences 70
F. The Legal Aspects of Contemporary Standard Setting with DOT 72
VI. Conclusion 75

II  U.S. DEPARTMENT OF TRANSPORTATION 77

5  DOT’s Role, History, and Statutory Authority 79
Peter D. Irvine
I. Introduction 79
II. DOT’s Role 79
III. DOT’s History 82
IV. DOT’s Statutory Authority 85
A. Aviation Policy (49 U.S.C. Section 40101) 87
B. Unfair and Deceptive Practices (49 U.S.C. Section 41712) 88
C. Air Carrier Licensing (49 U.S.C. Sections 41101–41111) 89
D. Collection of Aviation Data (49 U.S.C. Sections 329 and 41708) 92
F. International Air Service Agreements and Traffic Rights (49 U.S.C. Section 40105) 96
G. Slots and Slot Exemptions (49 U.S.C. Section 41718) 98
I. Small and Rural Community Air Service (49 U.S.C. Sections 41731–41743) 100
J. Taxes, Fees, and Preemption (49 U.S.C. Sections 47129, 40116, 41713) 101

6 Licensing Requirements for U.S. and Foreign Air Carriers 103
Evelyn D. Sahr and Drew M. Derco
I. Foreign Carrier Licensing Concerns 103
II. Other DOT Regulatory Requirements 108
III. Enhancing Airline Passenger Protections 109
IV. Part 382 109
V. DOT Reporting Requirements 110
VI. Federal Aviation Administration 110
VII. Transportation Security Administration 111
VIII. Customs and Border Protection (CBP) 112
IX. Ongoing Compliance Obligations 114
A. Fees 114
B. Income and Ticket Taxes 115
C. Reporting and Training Requirements 115
D. Other Requirements 116
X. Licensing Procedures for U.S. Carriers 116

7 Regulation of Indirect Air Carriers and Charters 123
Brent Connor and Jason Tutrone
I. Indirect Air Carriers 123
A. Economic Regulation of U.S. Indirect Air Carriers 123
B. Economic Regulation of Foreign Indirect Air Carriers 125
C. The Transportation Security Administration’s Regulation of Indirect Air Carriers 128
D. Accreditation by the International Air Transport Association 133
II. Charters 134
A. Charter Rules for Direct Air Carriers 135
B. Rules for Public Charters 139
C. Special Considerations for Air Charter Brokers 141

8 Regulation of Airline Ticket Distribution 143
David A. Schwarte
I. Introduction 143
II. The Foundational Rule for Airline Price Advertising: 14 C.F.R. Section 399.84
III. DOT Rules Regarding Taxes and Fees and Carrier-imposed Surcharges
IV. Rule Governing Advertising of Round-trip Fares with Each-way Amounts
V. “Free” Must Really Mean Free
VI. Round Airfares Up, Not Down
VII. Social Media Airfare Ads Must Comply with DOT Regulations
VIII. Disclosure Requirements for Codeshare Flights
IX. The 24-hour Reservation Hold Rule
X. Restrictions on Post-purchase Ancillary Fee Increases
XI. DOT Guidance Regarding Non-neutral Displays of Airline Flights and Fares
XII. Disclosure by Ticket Agent Websites When Participating Carriers Offer No Service

9 Codesharing and Airline Alliances

Anita Mosner

I. Introduction and Historical Perspective
II. Structure of Codesharing Arrangements
III. Regulation of Codesharing
   A. DOT Policies Governing Codesharing Arrangements between U.S. Carriers
   B. DOT Rules and Procedures Governing Codesharing Arrangements Involving a Foreign Carrier
   C. Disclosure Requirements Applicable to All Forms of Codesharing
IV. Practical and Competitive Significance of Codesharing
   A. Codesharing and “Fly America”
   B. Limitations of Codesharing Arrangements
   C. Antitrust Concerns
V. Airline Alliances
VI. Conclusion
10 Airline Alliances and Antitrust Immunity

David Heffernan and Reese Davidson

I. Alliances Allow Airlines to Develop Global Networks, and ATI Allows Airlines to Maximize Cooperation through International Alliance Agreements 180

II. DOT Has Statutory Authority to Approve and Immunize International Alliance Agreements 181

A. Competitive Effects Analysis under 49 U.S.C. Section 41309(b) 183

B. Public Benefits Analysis under 49 U.S.C. Section 41308(b) 184

C. Conditions and Remedies 185

III. ATI Is a Critical Part of DOT’s Overall International Aviation Policy 185

IV. History and Evolution of DOT’s ATI Policy 186

V. Most (but Not All) Economic Studies Show That Immunized Alliances Generate Substantial Benefits for Consumers 188

VI. ATI Criticism and Support 190

VII. Conclusion 191

11 Nondiscrimination on the Basis of Disability in Air Travel

Evelyn D. Sahr and Drew M. Derco

I. Applicability, Conflicts of Law, and Equivalent Alternative Determinations 194

A. Conflict-of-Law Waivers 194

B. Equivalent Alternative Request 195

II. Nondiscrimination and Access to Services 196

A. General Prohibitions on Advance Notice and Check-in Requirements 196

B. Medical Certificates 197

III. Accessibility of Airport Facilities and Aircraft 199

A. Airport Accessibility Requirements 199

B. Aircraft Accessibility Requirements 200

C. Seating Accommodations 201

IV. Boarding, Deplaning, and Connecting Assistance 203

V. Service Animals 205

VI. Stowage and Transportation of Assistive Devices 206

VII. Information and Services for Passengers with Disabilities 208

A. Information for Passengers with Disabilities 208

B. Services Aboard Aircraft 209
12 DOT Consumer Protection: Regulations and Enforcement 215
Amna Arshad, Robert Gorman, Michael Hallock, and Laura Jennings

I. Jurisdiction 215
   A. Aviation Consumer Protection and Civil Rights 215
   B. Economic Aviation Issues 216

II. Civil Rights 217
   A. Discrimination 217
   B. Security Threats 217

III. Unauthorized Operations 218
   A. U.S. Air Carriers 218
   B. Foreign Air Carriers 219
   C. Air Charter Brokers 220
   D. Unauthorized Operations Enforcement 220
   E. Public Charters 221

IV. Consumer Protection 223
   A. Prepurchase Rules 223
   B. Post-purchase Rules 225
   C. At the Airport 226
   D. Tarmac Delays 228
   E. Baggage Loss 230
   F. Customer Service Plans and Complaint Handling 231
   G. The Aviation Disaster Family Assistance Program 231

V. Enforcement Process 233
   A. Enforcement: Authority and Procedures 233
   B. Enforcement Procedures 234
   C. On-site Inspections 236

13 Ownership and Control of U.S. Air Carriers 237
Jennifer Trock and Kenneth P. Quinn

I. Overview 237

II. Statutory U.S. Citizenship Requirements 238

III. Citizenship Determinations 240
   A. Department Fitness Determinations and Continuing Fitness Reviews 240
   B. Standards of Review—Totality of the Circumstances 241
IV. Citizenship Issues 243
   A. Corporate Structure 243
   B. Management 244
   C. Voting Interest and Total Equity 245
   D. Warrants and Other Securities 249
   E. Debt 250
   F. Corporate and Financing Documents 251
   G. Other Indicia of Control 253
V. Conclusion 254

III FEDERAL AVIATION ADMINISTRATION 255

14 FAA's Role, History, and Statutory Authority 257
Gerald F. Murphy and Jonathan T. Linde
   I. Introduction 257
   II. The Federal Aviation Act 259
   III. Today's FAA 260
      A. Regulation of Airmen 260
      B. Regulation of Aircraft 262
      C. Regulation of Air Carriers 263
      D. Regulation of Airports 264
      E. Airport Improvement Program 264
      F. Air Traffic Control 265
      G. Security 267
      H. Regulation of Noise 268
   IV. Enforcement and Judicial Review 269
   V. New Responsibilities 269
      A. Unmanned Aircraft 269
      B. Commercial Space Flight 271

15 FAA Certification of Aircraft and Equipment 273
Lisa A. Harig
   I. FAA Aircraft Certification Service 273
   II. Design and Production Approvals 275
      A. Type Certification 276
      B. Technical Standard Order 277
      C. Parts Manufacturer Approval 278
   III. Airworthiness Certification 278
      A. Standard Airworthiness Certificate 278
B. Special Airworthiness Certificate 279

IV. Continued Airworthiness Programs 281
   A. Quality System Audit of Production Approval Holders 281
   B. Design Approval Holders 281
   C. Special Airworthiness Information Bulletins 282
   D. Airworthiness Directives 282

V. International Considerations 283
   A. Validation of Foreign TC/STC 283
   B. TSO Approval 283
   C. Export Certificate of Airworthiness 283
   D. Mandatory Continuing Airworthiness Information 284

16 The FAA's Certification and Regulatory Scheme for U.S. and Foreign Air Carriers 285
Rebecca MacPherson
I. Background 286
II. Regulation of U.S. Air Carriers 287
III. Regulation of Foreign Air Carriers 288
IV. Operations Specifications 290
V. Imposition of Airworthiness Requirements on Air Carriers 292
VI. Economic Regulations 293
   A. Economic Authority 293
   B. Slot-controlled Airports 294

17 FAA Regulation of Airports 297
E. Tazewell Ellett, William L. Elder, Patrick R. Rizzi, and Kathy M. Miljanic
I. The FAA's Roles in Airport Regulation 297
   A. Statutory Basis 297
   B. The FAA as Certifier of Airports 298
   C. The FAA as Promulgator of Airport Safety-Related Regulations, Standards, and Policies 298
   D. The FAA as Auditor and Inspector of Airports and Airport Operations 299
   E. The FAA as Enforcer of Airport Regulatory Requirements 299
   F. The FAA as Funder of Airports 300
   G. The FAA as Enforcer of Federal Airport Grant Assurances and Related Federal Airport Obligations 301
   H. The FAA's Categorization of Airports 301
II. The FAA’s Certification and Regulation of Certain Airports under 14 C.F.R. Part 139
   A. Scope of Airport Certification 302
   B. Regulation of Airport Standards and Operations at Certificated Airports 304

III. Other FAA Regulation of Airports 307
   A. Part 150: Airport Noise Compatibility Planning 307
   B. Part 153: Airport Operations Requirements 308
   C. Part 157: Notice of Construction, Alteration, Activation, and Deactivation of Airports 308
   D. Part 161: Notice and Approval of Airport Noise and Access Restrictions 309
   E. Part 170: Establishment and Discontinuance Criteria for Air Traffic Control Service and Navigation Facilities 312
   F. Part 171: Nonfederal Navigation Facilities 312

IV. Airport Improvement Program (AIP) Funding and Related Federal Obligations 312
   A. FAA Airport Grant Funding 313
   B. Federal Airport Grant Assurances 315

V. The FAA’s Policy on the Use of Airport Revenue 317
   A. Statutory Bases 317
   B. Policy Requirements 317
   C. Airline Service Incentives vs. Subsidies 320

VI. Airport-related Disputes—Part 16 Complaints and Proceedings 321
   A. Background 321
   B. Part 16 Complaints 322
   C. Director’s Determinations 323
   D. Hearings 324
   E. Appealing the Hearing Officer’s Initial Decision 325
   F. Consent Orders 326
   G. Judicial Review 326
   H. Ex Parte Communications 326

VII. Airport Privatization 326
   A. Different Approaches to Airport Privatization 326
   B. FAA’s Airport Privatization Pilot Program 329

18 Federal Regulation of Airspace and Air Traffic 333
Naveen C. Rao
I. Metes and Bounds of U.S. Airspace 334
II. Operating Rules as Airspace Regulations 337
III. Regulation of Structures on the Surface 340
IV. The Boundary between Federal and Local Regulation 341
V. The Field of Air Traffic Control 342
VI. Regulation of Privately Operated Air Traffic Control Facilities and Services 345
VII. NextGen 346

19 Federal Regulation of Airport Fees 349
Roy Goldberg
I. Federal Statutory Provisions 350
II. DOT Rates and Charges Policy 351
III. Federal Airport Fee Cases 353

20 Federal Regulation of Business Aviation 365
Eileen M. Gleimer, Gerald F. Murphy, and Steven J. Seiden
I. Introduction 365
II. Part 91 Versus Part 135 366
III. Compensation 367
   A. Generally 367
   B. Fully Allocated Cost Reimbursement 368
   C. Limited Cost Reimbursement 370
   D. “Foreign” Civil Aircraft 371
IV. Management Arrangements 372
V. Fractional Ownership Programs 373

21 Registration and Perfection Requirements for Civil Aircraft in the United States 375
Will van Egmond
I. Aircraft Registration 375
   A. Aircraft Definition and Owner of Aircraft 375
II. Registration Documentation 378
   A. Bills of Sale 378
   B. Aircraft Registration Applications 378
III. Citizenship of Registered Owner 380
   A. Statutory Basis 380
   B. Individuals 380
   C. Partnerships and Co-ownerships 380
   D. U.S. Citizen Corporations 380
E. Noncitizen U.S. Corporations 382

F. Trusts 382

IV. Registration Renewal 383

V. Civil Penalties for Violations of the Transportation Code 384

VI. Aircraft Financing and the Convention on International Interests and Mobile Equipment 384

VII. Collateral Eligibility with Respect to the FAA Aircraft Registry and International Registry 385

A. Aircraft 385

B. Engines 386

C. Propellers 386

D. Subsequently Installed Equipment 386

22 The FAA’s International Aviation Safety Assessment Program 389

Roncevert D. Almond

I. Initiating an IASA Assessment 390

A. International Legal Process 390

B. Foreign Air Carrier Operations to the United States 391

II. Stages of the IASA Process 394

A. Diplomatic Note 394

B. In-country Assessment 395

C. Assessor’s Questionnaire 395

D. Assessment Report 396

E. Final Discussions 396

F. Categorization 397

III. Impact of IASA Category Ratings 397

A. Category 1 Rating 397

B. Category 2 Rating 398

C. Heightened Surveillance List 400

D. Codesharing 400

E. Relationship to Other Safety Audit Programs 401

IV. Conclusion 402

23 FAA Legal Enforcement Actions 405

James Aloysius Barry

I. FAA Investigations 406

II. Legal Enforcement Actions 408

A. Certificate Actions 408

B. Civil Penalty Actions 411
III. Sanction Guidance

IV NATIONAL TRANSPORTATION SAFETY BOARD

24 Aviation Accident Investigations
Gary L. Halbert
I. Introduction
II. Organization
III. Investigation Authority
IV. Investigation Process
V. Launch of Go Team
VI. Parties to the Investigation
VII. Disclosures by Parties
VIII. Fact-finding Phase
IX. Public Investigative Hearing
X. Witnesses
XI. Technical Review
XII. Submission
XIII. Board Meeting
XIV. Conclusion

25 NTSB Adjudication of Airmen and Air Agency Appeals
Kathleen A. Yodice
I. Introduction
II. FAA Enforcement Action
III. Emergency Appeals
IV. Non-emergency Appeals
V. Proceedings before an ALJ
VI. Appeals to the NTSB
VII. Appeals to Federal Court
VIII. Equal Access to Justice Act
IX. Petitions for Review of a Certificate Denial

V U.S. DEPARTMENT OF HOMELAND SECURITY

26 Transportation Security Administration
Mardi Ruth Thompson and Amy Steiner
I. Introduction
II. Statutory Authority 452
   A. Introduction 452
   B. Major Authorities 452

III. Regulations, Security Programs, and Security Directives 454
   A. Regulations 454
   B. Security Programs 455
   C. Security Directives 456
   D. Orders 456
   F. U.S. and Foreign Aircraft Operators 457
   G. Airport Operators 460
   H. Airport Categories 460

IV. Civil Enforcement of Regulations 462
   A. Introduction 462
   B. Compliance and Enforcement Philosophy 462
   C. Administrative Investigations 463
   D. Steps in Progressive Enforcement 463
   E. Sensitive Security Information (SSI) in Enforcement Actions 465

V. Aviation Passenger Screening 465
   A. Introduction 465
   B. Responsibilities of Persons 465
   C. Fourth Amendment Principles Applied to TSA’s Security Operations 466
   D. Special Needs or Administrative Search Doctrine 467
   E. Incidental Discovery of Contraband during Security Screening 468

VI. Litigation 469
   A. Introduction 469
   B. Judicial Review of TSA Orders—49 U.S.C. Section 46110 469
   C. Sensitive Security Information (SSI) in Litigation 469
   D. Disclosure of Information in Litigation in Which TSA Is Not a Party—Touhy Regulations 471
   E. Service of Summons and Complaints 471
   F. Federal Tort Claims Act 471

VII. Sensitive Security Information 472
   A. Introduction 472
   B. Information that Constitutes SSI 472
   C. Who May Have Access to SSI 473
D. Referring Requests for SSI to TSA 474
E. Responsibility to Protect, Mark, and Destroy SSI 474
F. SSI in TSA Civil Enforcement Litigation 475
G. SSI in Civil Litigation Where TSA Is Not a Party 476
H. SSI in Criminal Cases Where TSA Is Not a Party 476

27 U.S. Customs and Border Protection 479
Bryan Luby and Brian Volsky
I. Introduction 479
II. CBP History 479
III. Passenger Information Regulations—APIS and PNR 481
   A. Voluntary APIS and PNR 481
   B. Post-9/11 Requirements 482
IV. CBP Legal Authorities for Air Cargo Security 484
V. International and Landing Rights Airports 486
   A. International Airports 486
   B. Landing Rights and User Fee Airports 487
VI. Penalties 487
VII. Conclusion 488

VI U.S. DEPARTMENT OF JUSTICE 489

28 Antitrust Law and Aviation 491
Roger Fones
I. Agreements in Restraint of Trade 491
   A. Horizontal Agreements 492
   B. Vertical Agreements 498
   C. Interlocking Directorates—Section 8 499
II. Monopolization and Attempted Monopolization 500
   A. Predatory Pricing and Capacity 500
   B. Exclusive Dealing and Tying 502
   C. Loyalty Discounts and Bundled Pricing 503
   D. Monopoly “Leveraging” 503
   E. Refusals to Deal 504
III. Criminal Enforcement 506
IV. Private Litigation 507
V. Immunities and Preemption 508
   A. Statutory Immunity (DOT) 508
29 Airline Mergers and Acquisitions

James Dick and Roger Fones

I. Review of Airline Mergers and Acquisitions before 1989 511
II. Hart-Scott-Rodino Premerger Notification Requirements 513
III. The U.S. Department of Justice’s Competitive Analysis 515
   A. Relevant Markets in the Airline Industry 516
   B. Concentration 518
   C. Competitive Effects 519
   D. Entry 519
   E. Efficiencies 520
   F. Failing Firms and Assets 520
IV. Major Transactions Reviewed by the U.S. Department of Justice 521
   B. American Airlines and TWA (2001) 522
   C. America West Airlines and US Airways (2005) 522
   D. Delta Air Lines and Northwest Airlines (2008) 523
   F. Southwest Airlines and AirTran Airways (2011) 524
V. Partial Acquisitions 526
   A. Northwest Airlines and Continental Airlines 526
   B. Delta Air Lines and Virgin Atlantic Airways 527

30 Government Enforcement of Antitrust Laws in Aviation

Roger Fones

I. Department of Justice Organization and Structure 529
II. Civil Enforcement Procedures 530
   A. Merger Investigations 530
   B. Civil Conduct Investigations 531
   C. Merger and Civil Conduct Remedies 534
   D. Tunney Act 535
   E. Judgment Enforcement 536
III. Criminal Enforcement Procedures 536
   A. Grand Jury Investigations 536
   B. Witness Immunity 539
   C. DOJ’s Leniency Policy 540
IV. Other DOJ Activities 542
   A. Business Review Letters 542
   B. Competition Advocacy 542
   C. Participation in Private Suits 542
V. State Antitrust Enforcement 542
   A. State Enforcement of Federal Antitrust Laws 543
   B. State Enforcement of State Antitrust Laws 543
VI. Foreign Enforcement of Competition Laws 545
   A. Cartel Enforcement 545
   B. Merger Control 546

VII OTHER REGULATORY ISSUES 547

31 Congressional Oversight of Aviation 549
Jeffrey R. Sural
   I. Introduction 549
   II. Congressional Oversight 550
      A. Authorizing Committees 550
      B. Appropriators 551
   III. Key Public Laws 554
      A. The FAA Modernization and Reform Act (the Act) 554
      B. Airport and Airway Trust Fund 555
      C. Aviation and Transportation Security Act 555
   IV. Exercising Oversight 555
      A. Hearings 556
      B. Power of the Purse 557
      C. Nomination Confirmations 558
      D. Reports 559
      E. Investigations: Committee, GAO, and IG 559
   V. Conclusion 560
      Appendix A: Compilation of Key Statutes 561
      Appendix B: Significant Aviation Laws Passed by Congress 563

32 Federal Preemption of State Aviation Regulation 565
Robert S. Span
   I. Basic Principles of Preemption 566
   II. Federal Control over Aviation 567
   III. ADA Preemption 569
   IV. Aviation Safety Preemption 575
V. Local Restrictions on Noise 576
VI. Conclusion 577

33 The Railway Labor Act 579
Elizabeth Ginsburg and Arthur Luby
I. Introduction 579
II. History of the Railway Labor Act 580
III. Passage of the Railway Labor Act 583
IV. Coverage of the Airline Industry 585
V. Union Security and Dues Checkoff 586
VI. 2012 Amendments to the Railway Labor Act 586
VII. The Role of the National Mediation Board 588
VIII. The Status Quo Obligation 589
IX. Emergency Boards 593

34 Environmental Regulation of Aviation 597
Renee Martin-Nagle
I. Introduction 597
II. National Environmental Policy Act of 1969 (NEPA) 598
III. NEPA and FAA Order 1050.1E 599
IV. Noise 602
V. Air 603
VI. Hazardous Materials, Substances, and Wastes 605
VII. Water 607
VIII. Wildlife 609
IX. Miscellaneous 610
X. Global Efforts Regarding Emissions 611
XI. Conclusion 612

Table of Cases 613

Index 623
