The first version of the Fundamentals of Guardianship, developed by Greg Mullowney and Francine Saccio, was published by the National Guardianship Association in 2001. In 2004 NGA’s Training and Education Committee took this text framework, redesigned the material, added references to the Standards of Practice, and developed resources and a glossary. The dedicated persons on this subcommittee were Chairperson Vickie V. Alkire, Sally Hurme, Beth Upshaw Mathews, and Susan McMahon. In 2014, the NGA Education Committee under the leadership of Chairperson Helen Ferraro-Zaffram and the work of the committee members Ginny Casazza, Lauren Sherman, and Sally Hurme made major revisions to reflect the evolution of guardianship practice and NGA’s updated Standards of Practice.

A very special thank you to those who have contributed their valuable time, energy, and expertise to this project over the years.
