The Section of Real Property, Trust and Estate Law of the American Bar Association published Mike’s article on medical marijuana tenancies in Vol. 46, No. 2 (Fall, 2011) of the Real Property, Trust and Estate Law Journal in anticipation of this book. Mike is grateful to Brock Kaminski, Ryan Sweeney, Tim Bourcet, and Cepand Alizadeh, all law school graduates interested in MBE industry legal dimensions, for their useful comments on this book and to Sharon Cronk for her constant input and moral support. If errors remain after a severe scrubbing, the errors are Mike’s alone.
