Preface to the Second Edition

In any project of the magnitude of a new or revised book, there are always many people to recognize and thank. In this case, all of the authors deserve our great thanks for sharing their time, experience, and efforts to make the second edition of *The Handbook on Additional Insureds* a success. We thank each one of them.

We would also like to thank Wiggin and Dana LLP for its support throughout the year-long process of putting this second edition together. Wiggin and Dana not only permitted but encouraged and supported our efforts in editing this text. Finally, we would like to thank the Insurance Coverage Litigation Committee of the ABA’s Tort Trial and Insurance Practice Section, Richard Paszkiet, Sarah “Sam” Orwig, Judith Goodman, and the staff of ABA Publishing.

The analyses and opinions contained in *The Handbook on Additional Insureds* do not necessarily reflect the views of the editors nor are the contributor’s views necessarily the views of their firms or clients.
