Conclusion 117

CHAPTER 3
Patents: Real-World Issues in Mixed Realities
Steve Chang and Sanford Warren

Introduction 120
I. A Brief Overview of U.S. Patent Protection 120
   A. Utility Patents: U.S. Patentability Requirements 120
   B. Design Patents: U.S. Patentability Requirements 128
   C. Obtaining a Patent for Inventions on Video Games and Virtual Worlds 129
II. Patent Protection for Video Games and Virtual Worlds 130
   A. Utility Patents 130
   B. Design Patents 138
III. Using a Patent in a Virtual World 146
   A. Enforcement Avenues 146
   B. Infringement Issues 157
C. Damages Issues 160
D. Video Game Lawsuits 164
Conclusion 172

CHAPTER 4
Implications of Video Games and Immersive Entertainment in Trademark Law 173
William K. Ford and Anna L. King

Introduction 174
I. Overview of Trademark Protection 176
II. Trademark Issues in the Video Game and Virtual World Contexts 184
   A. Traditional Uses: Physical Products 185
   B. In-Game Uses: Direct Liability 187
   C. In-Game Uses: Secondary Liability 191
III. Analysis of Trademark Issues in Video Games and Virtual Worlds 192
   A. Nominative Fair Use 202
   B. The First Amendment 208
IV. Secondary Liability 216
V. Unfair Competition: Trademark Infringement and Misappropriation 219
Conclusion 222

CHAPTER 5
Implications of Video Games and Immersive Entertainment and the Law of Trade Secrets 225
Thomas J. Mihill, Steven M. Kushner, Adam C. Losey

Introduction 226
I. Trade Secrets Generally 226
   A. What Is a Trade Secret and What Can Be Protected? 226
   B. The Competitive Advantage Requirement 230
   C. The Secrecy Requirement 232
   D. Trade Secret Information Protected by Other IP Laws 236
II. Trade Secrets in Video Games and Virtual Worlds 239
   A. Gameplay: What Players/Users See 239
   B. Game Design: Behind the Scenes 245
III. Applying the Traditional Analysis to Video Game and Virtual World Issues 249
IV. What Remedies Are Available for Trade Secret Misappropriation? 251
   A. Injunctive Relief 251
   B. Damages 253
   C. Criminal Actions 253
Conclusion 254

CHAPTER 6
Rights of Publicity 255
Lynne Boisineau and Ben Manevitz

Introduction 256
I. The Development of Right of Publicity Protection in the United States 258
   A. Elements 259
   B. Types of Potential Claims Overlapping with the Right of Publicity 264
   C. Variations in State Law 271
   D. Defenses 272
Conclusion 296

CHAPTER 7
International Considerations of Video Games and Immersive Entertainment 299
Ken Cheney

Introduction 300
I. International Copyright Issues in Online Games and Virtual Environments 304
   A. Choice of Law and Conflict of Laws 305
   B. Territoriality of Copyright Infringement 314
