INDEX

A
abandoned property, 150–51
key questions regarding, 151
manner of abandonment, 150
privacy expectation, surrender of, 150
unlawful police conduct, impact of, 151
administrative searches, 173
firearms industry, requirements for, 173
liquor industry, requirements for, 173
personal effects, desks, and lockers, searches of, 173–74
regulatory compliance, assurance of, 173
administrative security screenings, 174–76
consent analysis of, 175
international borders, searches at, 174
public safety interests, protecting, 174
purpose of, 174
screening checkpoints at public buildings, 175
subway entrances, 176
administrative traffic checkpoints, 63–64. Also see sobriety checkpoints.
authorizing statute, adherence to, 64
Fourth Amendment application to, 64
purpose of, 64
aerial surveillance, 154–55
searches, exemption from, 154
affidavits for search warrants, 197–99. Also see drafting affidavits.
challenges to, 199
connection with criminal activity, establishing, 214
defined, 197
harmony with warrant, requirement for, 210
officer’s credibility and experience, 215
Aguilar-Spinelli test, 207
hearsay information, application to, 207
probable cause, application to, 200
anonymous tips, stops based on, 40–41
factors that bolster reliability of, 40–41
impaired drivers, identification of, 40
quantity and quality of information, sufficiency of, 40
anonymous tipster role in establishing probable cause, 202
anticipatory search warrants, 207–08
benefits of, 208
probable cause, issues regarding, 208
purpose of, 208
standard for consideration of, 208
arrest indications in custody determinations, 125
arrest warrants, 82–95. Also see warrantless arrests.
benefits of, 83
Constitutional provisions, 83
fair probability, defined, 82
probable cause as factor, 76
statutory provisions, 83
time limitations, 83
arrests, defining, 70–75
arrests, making, 70–75. Also see exigent circumstances; hot pursuit; probable cause to arrest; Vienna Convention arrest.
authoritative commands, issuance of, 73–74
confine in patrol car, 74
custody, factors determining, 71
exit route, blocking of, 73
handcuffs or other restraints, use of, 73
intention, issues regarding, 70–71
investigative stops, distinguishing from, 72
length of detention, 74
Miranda warning, issues regarding, 75
movements of suspects, issues regarding, 74
nature of questioning, 74
numerous officers, presence of, 72
physical restraint, 72
weapons, display of, 72
arrests, place of, 83–86
entering a residence, prohibitions against, 83–84
entering a third party’s home, requirements regarding, 85–86
knocking at door, issues regarding, 85
misdemeanor arrest warrants, requirements regarding, 84
options regarding, 83–84
Steagald rule, provisions of, 85
valid felony arrest warrant and home entry, 84
arson detector dogs, 273
assistance in execution of warrant, 233–34
civilian assistance, permissibility of, 233
civilian experts, involvement of, 233
news media personnel, allowance for, 234
other law enforcement agencies, support from, 233
audiotaping, undisclosed, 254
authority to consent to search, 161–66
co-residents, issues regarding, 163
computer files, search of, 161
consent of children, issues regarding, 161
joint access, consideration of, 161
means of expressing, 165–66
reasonable basis for determining authority, 163
scope of the consent, determining, 165
spousal consent, 161
stolen property, searches of, 163
third-party consent, acceptance of, 161
vehicle, consent to search, 162
automobile searches, 166–68
  automobile exception, limitations on, 168
closed containers, issues regarding, 167
control of vehicles, issues regarding, 167
small objects as probable cause, 167
warrantless searches, justification for, 166

B
batch strikes as nonlethal force tools, 109–10
biometric identifiers, issues regarding, 246–50
compelling use of biometric identifiers, factors regarding, 247
compulsion to provide, 246
device ownership, establishing, 247
fingerprints, providing of, 248
foregone conclusion doctrine, application of, 248–49
boats, canine sniffs of, 269
Coast Guard use of detector dogs, 269
body cavity searches, 228–29
body wires, issues regarding, 253–54
booking questions, review in defining interrogation, 127
booking searches, 188–89
  suspicion of concealing contraband, requirement for, 188
border search doctrine
  viewing cell phone memories, application to, 253
bus interdictions, 264–65
  canine sniffs of luggage, 264

C
canine sniffs, 60–61, 151–52, 260–62. Also see canine sniffs on school property;
detaining vehicle to wait for detector dogs; detector dogs, establishing reliability of;
package interdiction due to canine sniffs; vehicle sniffs by canines, contraband, issues regarding, 152
drug-detection dogs, use of, 61
expectations of privacy regarding, 261
extension of detention, consideration of, 60
exterior of vehicle, conduct of, 60
marijuana odor, detection of, 261–62
necessary care in performing, 61
probable cause created by, 152, 261
ruled to not be searches, 260
canine sniffs on school property, 265–66
parking lots, inclusion of, 265
school locker sniffs, coordination with school officials, 265–66
canine use of force. Also see deadly force, canine exception to; felony suspect apprehension, canine use in; find and bite philosophy; misdemeanor suspect apprehension, canine; warning requirement for deployment of dog, circumstances dictating canine use, 276
deployment of dog, questions regarding, 277
liability protection, 283
necessity of using deadly force, prevention of, 276
principles regulating, 276
service dog bite, liability for, 277
unintended bites, consequence of, 283
cell phone calls, interception of, 250
cell phone memories, viewing, 250–53
border search doctrine, application to, 253
dangers presented by cell phone, evaluation of, 251
phone evidence, suppression of, 252
public safety exigencies, consideration of, 252
search incident to arrest doctrine, application of, 251
suspect arrest, devise access options, 250

cell phone tracking, 255–57. Also see cell site simulators.
cell site location information, obtaining, 255–56
exigent circumstances, consideration of, 256
pen register device, use of, 255
Pen Register Statute provisions, 255
probable cause requirement, 255
reduced cause standard, application of, 255
Stored Communications Act, provisions for, 255, 257
third-party doctrine, application of, 256
cell site simulators, 257–58
cell phone locations, determining, 257
exigent circumstances, consideration of, 258
purpose of, 257
chemical aerosol sprays as nonlethal force tools, 109
child pornography site access role in establishing probable cause, 204
cloud-based personal assistant devices, obtaining, 245–46
communications-intercept warrants application for, 239
probable cause affidavits, filing of, 239
state public safety agencies, application for, 239
community caretaker responsibility
exigent circumstances, application to, 180
person’s welfare, checking on, 3
vehicle impoundment, justification for, 179
computer keyboard keylogging, 242–43
computer searches, 229–33
concerns regarding computers, 229–30
e-mail transmissions, issues regarding, 232
Electronic Communications Privacy Act, provisions of, 232
Federal Bureau of Investigation, assistance for, 230
Federal Guidelines for Searching and Seizing Computers, provisions of, 230
forensic technology expertise, need for, 232
illegal images, discovery of, 231–32
plain view doctrine, application of, 230
Privacy Protection Act, application to, 231
probable cause, development of, 231
scope of search, determining, 231
search warrants for, drafting of, 230
searches in controlled environment, need for, 230
services of experts, securing, 230
technical challenges regarding, 230
U.S. Attorney’s Office, assistance for, 230
confession, voluntariness of, 118–23
coercion, consequences of, 118
coercion, factors determining, 121–23
defendant challenges of, 118
false statements, allowance of, 119–20
invalidation of confession, consequences of, 118
persistence of interrogating, consideration of, 119
physical abuse, consequences of, 120
promises of leniency, consideration of, 122–23
psychological pressure, consideration of, 120
recordings, issues regarding, 123
trickery or deception, consideration of, 119
consent to searches. See authority to consent to search; voluntariness in consent to search.
constructive possession and probable cause, 77–79
constructive possession defined, 77
factors indicating constructive possession, 77–95
correctional facilities, use of force in, 111
excessive force claims, 111
correctional institution visitor searches, 189–90
reasonable suspicion basis for search, 189
visitor leaving, prevention of, 189
currency, canine sniffs of, 267
curtilage, 152–54
curtilage doctrine, application of, 154
defined, 152
scope of, determining, 152
searches, restrictions on, 152
custody, factors determining, 71, 123–26
form of interrogation, 126
four general factors regarding, 124
indications of arrest, 125
investigative focus, 125
length of questioning, 126
site of interrogation, 124
time of day, 126
D
deadly force, 98
escape prevention, 98
in situations created by officer, 98
officer liability for, 98
deadly force, canine exception to, 277–78
dog training, consideration of, 277
factors determining deadly force, 277
detaining vehicle to wait for detector dog, 269–71
officer's diligence, consideration of, 270
reasonable wait, determining, 269
detector dogs, establishing reliability of, 271–72
certification programs, training in, 271
dog training, documentation of, 271
evidence required to establish reliability, 271–72
detention, guidelines regarding. See investigative detention.
Also see biometric identifiers, issues regarding.
diplomatic immunity, 90–91
basis for, 90
criminal charges, options for, 91
levels of, 90
privileges under, 91
DNA Analysis Backlog Elimination Act, special government needs searches, application to, 185
DNA sampling of arrestees, 91–92
documentary evidence searches, 214–15
business records, description of, 215
First Amendment free speech implications, 214
pornographic material, searches for, 214
drafting affidavits, 215–19
conclusions, support for, 216
criminal activity, reference to, 216
newer officers, challenges for, 215
officer's credibility and experience, establishing, 215
power writing, advice regarding, 217–19
property sought, reference to, 216
rules of grammar, adherence to, 217–19
driver and occupants during stop, options regarding, 54
drug courier profile stops, 39
independent reason for stop, need for, 39
problems regarding, 39
race or ethnicity issues, 39
drug interdiction indicators, 44–51
factors supporting reasonable suspicion, 45–51
illegal drug activity, clues regarding, 44–45
drugs and alcohol inquiries during stop, 43–44
reasonable suspicion requirement for, 43–44
state regulations regarding, 44
transporting illegal drugs or precursors, 44
e-mail messages, access to, 241–42
reasonable grounds requirement for, 242
search warrant requirements for, 241
Stored Communications Act provisions, 241
USA PATRIOT Act provisions, 242
electronic communications issues, 238–39
Electronic Communications Privacy Act, provisions for, 238
expectation of privacy, recognition of, 238
Foreign Intelligence Surveillance Act, provisions for, 238
monitoring of, permissibility, 238
Omnibus Crime Control and Safe Streets Act, provisions for, 238
Stored Communications Act, provisions for, 238
USA PATRIOT Act, provisions for, 238
Electronic Communications Privacy Act, 238
computer searches, application to, 232
electronic device access
foregone conclusion doctrine, application to, 248–50
passcodes to decrypt digital devices, obtaining, 247–50
searches for digital devices, 247
electronic surveillance, 238.
Also see digital device access; internet traffic, interception of.
computer keyboard keylogging, 242–43
one-party consent for monitoring, 242
electronic surveillance law, 238–39
complexity of, 238
evanescence evidence searches, 182–84
DUI arrests, application to, 182
evidence susceptible to rapid deterioration, consideration of, 182
Health Insurance Portability and Accountability Act consideration of, 183
physical evidence, application to, 182
warrantless blood draws, permissibility of, 184
warrantless seizures, allowance for, 182
evidence, obtaining through use of force, 110–11
attempt to swallow evidence, issues regarding, 110
endangerment, avoidance of, 110
forced blood draws, 110
significant need requirement, 110
three factors in assessing, 110
Winston v. Lee ruling regarding, 110
excessive force in arrests, 98–99
questions regarding, 98
exigent circumstances, 83–88
absence of, 83–86
defined, 86
evidence preservation, need for, 88
hot pursuit, relation to, 87
limits on application of, 86
warrantless compliance, excuse of, 86
exigent circumstances search exception, 179–82.
Also see booking searches; correctional institution visitor searches; evanescent
evidence searches; inmate and cell searches; special government needs searches. Community caretaker functions, conduct of, 180
Emergency aid doctrine, application of, 180
Exigency caused by police, consideration of, 179
Hot pursuit justification for, 181
Justification for, 181
Justification for warrantless entries, 179
Missing child, search for, 181
Murder scenes, application to, 179
Officers’ safety, threat to, 179
Probation and parole searches
Public safety, threat to, 179
Exit route blocking in arrest determination, 73
Expectation of privacy, 148–49
Activities exempt from, 149
Contexts for, 148
Impact of, 148
Legality of a search, challenge to, 148
Extent of the search, 220–22
Ending of search, 221
General rule governing, 220
Reasonable extensiveness of, 221
Reasonable time requirement, 221
Surroundings, inclusion of, 221

F

Fair probability and arrest warrants, 82
False statements in obtaining search warrants, 197–99
Material omissions of fact, 198
Probable cause findings, influence on, 199
Reckless disregard for truth, 197
