Acknowledgments	xvii
Chapter 1: Introduction	1
Chapter 2: The Negotiation and Contracting Process	3
A. The Traditional Negotiation Process	3
B. The Competitive Negotiation Process	4
1. Overview	4
2. Requests for Information (“RFI”)	4
3. Requests for Proposal (“RFP”)	5
4. Procedures and Rules for a Competitive Negotiation	12
5. Documenting the Negotiations/Term Sheet/Letters of Intent	14
6. Structuring the Transaction	16
7. Negotiating the Agreement	17
8. Inclusion of the RFI and RFP Response in the Final Agreement	21
9. Concerns for Lawyers	22
10. Metadata	23
C. Successful Procurement	23
1. Establishing the Customer’s Goals	24
2. Vendor Selection	24
3. The Negotiation Process—Strategies	25
4. Allocating and Quantifying Risk	25
5. Managing the Customer–Vendor Relationship	26
Chapter 3: Licensing Software	29
A. Overview	29
1. The Concept of Licensing	29
2. Intellectual Property Rights Applicable to Software	29
B. The First Sale Doctrine	39
1. In General	39
2. Applicability to Software	42
C. The Transfer of Intellectual Property Rights	43
Chapter 4: Terminology of a License Grant (§ 3.1)	45
A. Definition of the “Licensor,” “Licensee,” and “Affiliates”	46
1. “Licensor”	46
2. “Licensee”	46
3. “Affiliates”	48
4. Purchase of Licenses by Affiliates	49

B. Term of the License (§ 4.2)	50
1. Overview	50
2. The Failure to State a Term	51
3. Perpetual Licenses	52
4. Evergreen Term	52
5. Activation Keys/Codes	53
C. Use (§ 3.1)	53
1. General	53
2. Internal Use	55
3. Nonexclusive/Exclusive Use	56
4. Scope of Use	57
5. Creation of Derivative Works (§ 3.4)	60
6. Prohibition of Reverse Engineering	62
7. Reservations of Rights Clauses	66
D. Geographic Restrictions (§ 3.1)	66
E. Object Code Licenses and Source Code Licenses (§ 3.1)	67
F. Irrevocable/Non-terminable Licenses (§ 3.1)	68
G. Assignment (§ 3.1, § 22)	69
1. By Licensee	69
2. By Licensor	72
3. Transfer	73
H. Novation	74
Chapter 5: Ancillary Clauses	75
A. Representations, Warranties, Covenants, and Disclaimers (§ 16)	75
1. Representations and Warranties (§§ 16.1, 16A-AE, 16.2)	75
2. Covenants	96
3. Disclaimer of Representations and Warranties (§ 16.1.4)	97
4. Length of Warranty (§ 16.1)	99
5. Third-Party Warranties	100
B. General Indemnification (§ 15)	100
1. Overview	100
2. Relevant Language	101
3. Exclusions	106
4. Contributory vs. Comparative Negligence	107
5. Equitable and Implied Indemnification	108
6. Limits on Liability for Indemnification Obligations	108
7. Direct vs. Third-Party Indemnification Claims	109
8. Indemnifying a Party for Its Own Negligence	109
9. When an Indemnification Event Arises	110
10. General Drafting Considerations	111
C. Intellectual Property Indemnification (§ 14)	114
1. Overview	114
2. Implied Indemnification under UCC § 2-312	116
3. Limits on Indemnification	117

4. Qualifications to Limit the Licensor’s Risk	118
5. Conditions to Indemnification	119
6. Mitigation by Licensor	120
7. Exclusions	121
8. Assumption of Defense.....	123
D. Acceptance and Acceptance Test Procedures (§§ 1.14, 7).....	123
1. Software	123
2. Shrinkwrap Software.....	124
3. Professional Services (§ 16.C).....	125
E. Term of the Agreement.....	125
1. Fixed Term.....	125
2. Evergreen Term.....	125
F. Breach and Cure (§ 5)	126
1. Breach.....	126
2. Notice	128
3. Cure	128
G. Expiration, Termination, and Cancellation.....	131
1. Expiration	132
2. Termination for Breach.....	132
3. Termination for Reasons Unrelated to Performance.....	134
4. Termination for Convenience (§ 4.1)	135
5. Unjustified Termination	138
6. <i>Force Majeure</i> (§ 33).....	138
7. Bankruptcy	139
8. Transition.....	139
H. Remedies (§§ 5.2, 5.3).....	139
1. Remedies under the UCC.....	139
2. Licensee Remedies (§ 5.3).....	140
3. Licensor Remedies (§ 5.2)	145
4. Cumulative Remedies	149
I. Limitation of Liability (§ 17).....	149
1. Limiting Monetary Liability (§ 17.2)	150
2. Disclaimer of Consequential/Incidental/Punitive/ Special Damages (§ 17.1)	161
3. Deemed Direct Damages (§ 17.4, Form Q.2.DD.7 § 1.2.).....	166
4. Reducing the Statute of Limitations (§ 17.1)	167
5. Exclusive Remedy.....	169
J. Price, Payment, and Revenue Recognition Issues (§ 8).....	169
1. Pricing	169
2. Price Indexing (§ 8.4).....	178
3. Payment	178
4. Revenue Recognition Issues.....	180
5. Rebates	185
K. Taxes (§ 8.6).....	186

L. Third-Party Software and Intellectual Property	187
M. Licensee Obligations	188
Chapter 6: Boilerplate	189
A. Recitals and Headings (§ 53).....	189
1. Recitals	189
2. Headings (§ 53).....	191
B. Definitions (§ 1 and Form Q.1)	191
C. Insurance (§ 38)	192
1. General Insurance	192
2. Intellectual Property Infringement Claims	198
3. Reviewing and Negotiating an Insurance Provision.....	199
D. <i>Force Majeure</i> (§ 33)	200
1. Overview.....	200
2. Defining <i>Force Majeure</i>	201
3. Notification.....	202
4. Additional Terms.....	203
5. Impact on Performance	204
6. Other Potentially Applicable Theories	204
E. Public Disclosures and References (§§ 44, 50)	206
1. Public Disclosures (§ 44).....	206
2. References (§ 50)	206
F. Waiver (§ 31)	207
G. Waiver of Right to Jury Trial (§ 32).....	207
H. Governing Law and Venue (§ 28).....	208
1. Governing Law.....	208
2. Venue.....	220
I. Compliance with Laws (§ 25)	222
1. General.....	222
2. A Warranty vs. an Indemnity.....	223
3. Utilizing the Change Order Process.....	224
4. Potential Compromises.....	225
5. Contractual Language.....	226
6. Monitoring Changes in the Law	228
7. Ensuring Compliance	228
J. Notices (§ 52)	228
K. Third-Party Beneficiaries (§ 40)	229
L. Legal Fees (§ 49)	231
M. Survival (§ 18)	232
1. General.....	232
2. Lack of a Survival Clause.....	233
N. No Construction against Drafter (§ 51).....	234
O. Online Terms (§ 23)	234
1. In General.....	234
2. The Validity of On-line Terms and Amendments.....	235

3. On-line Terms under UCITA and the UCC	236
P. Service of Process	238
Q. Severability (§ 55).....	239
R. Amendment and Oral Modification	239
S. Integration/Entire Agreement (§ 58)	240
1. General.....	240
2. Collateral Agreements	242
T. Seals (Penultimate Paragraph and Signature Line)	243
U. Signatures, Signature Lines, and Signature Pages.....	243
1. Electronic Signatures.....	244
2. Manual Signatures	245
V. Dating the Agreement.....	245
W. Terms/Corporate Policies Incorporated by Reference.....	246
Chapter 7: Other Important Issues.....	249
A. The Work Made for Hire Doctrine and Moral Rights	249
1. Work Made for Hire Doctrine	249
2. Moral Rights.....	256
3. Patent Rights	258
B. Ownership of Software Enhancements (§§ 3.2, 3.5, 12.1).....	259
1. In General.....	259
2. Joint Ownership.....	261
3. Other Alternatives	263
C. Functional Specifications and Technical Specifications (§ 1.7).....	264
1. Functional Specifications.....	264
2. Technical Specifications.....	266
D. Change Orders (§ 9.8).....	267
1. Methodology of the Change Order Process.....	267
2. The Contents of a Change Order	268
3. The Failure to Agree	268
E. Audits (§§ 9.13, 16.Q; Form Q.2.E).....	269
1. General.....	270
2. Auditing the Licensor	272
3. Responding to an Audit Request	279
4. Disputes	279
F. Business Continuity and Disaster Recovery (§ 35).....	280
1. Business Continuity	280
2. Disaster Recovery	280
G. Future Development (§ 16K)	281
H. Training and Documentation (§§ 11, 13.1)	282
1. Training (§ 11)	282
2. Documentation (§ 13.1)	282
I. Transition/Continuing Services (§ 42.2)	283
J. Benchmarking (§ 8.B).....	283
K. Antitrust and Copyright Misuse Issues (§ 3.6).....	285

1. Antitrust Issues	285
2. Copyright Misuse Issues	287
3. Digital Millennium Copyright Act—Computer Maintenance Competition Assurance Act	288
L. Export/Import Issues (§ 43)	289
1. General	289
2. Definitions	290
3. Export of Software and Technology	290
4. Cloud Computing	291
5. Deemed Exports	291
6. Contractual Considerations (§ 45)	292
7. Customs	292
M. Bonds, Parent Guarantees, and Letters of Credit (§§ 8.H, Exhibit 8H, 34)	293
1. Bonds (§ 34)	293
2. Parent Guarantees (§ 8.H, Exhibit 8H, Signature Line) (Form O.1, Q.2.LL.39)	293
3. Letters of Credit (Form Q.2.LL.36)	294
N. Most Favored Customer (§ 8.A)	294
O. Work for Competitors/Exclusivity (§ 9.12)	297
P. Good-Faith Efforts, Best Efforts, and Commercially Reasonable Efforts	298
1. General	298
2. Good Faith	298
3. Best Efforts	299
4. Commercially Reasonable Efforts	300
Q. Time Is of the Essence	301
R. Consent Will Not Be Unreasonably Withheld	301
S. Third-Party Access	302
T. Third-Party Access/Subcontractor Approval	303
1. Customer-Imposed Limitations	303
2. Vendor-Imposed Limitations	304
U. Tools	305
V. Non-disparagement Clauses	306
W. Non-solicitation Clauses	306
Chapter 8: Types of Licenses	307
A. End-User Licenses	307
1. Development Licenses	307
2. Beta Licenses	308
3. Demonstration Licenses	310
4. Evaluation/Pilot Licenses	312
5. Production Licenses	314
B. Specialized Licenses	314
1. Reseller Licenses	314
2. Original Equipment Manufacturer (“OEM”) Licenses	315
3. Value-Added Reseller (“VAR”) Licenses	315

4. Points to Consider with Reseller, Original Equipment Manufacturer (“OEM”), and VAR Licenses	317
5. System Integrators	322
6. Sublicenses.....	323
7. Outsourcing Licenses.....	323
Chapter 9: Cloud Computing and Hosting	325
A. Cloud Computing.....	326
1. Overview of Cloud Computing	326
2. Licensing from the Perspective of a Third-Party Proprietary Software Vendor.....	331
3. Licensing from the Cloud Provider’s Perspective.....	332
4. SaaS Contract Terms	335
5. SaaS Escrow vs. Business Continuity Services.....	361
B. Hosting.....	366
1. An Overview of Hosting.....	366
2. Licensing Models.....	367
3. Dedicated vs. Shared Hosting	368
4. The Benefits and Drawbacks of Hosting.....	369
5. Issues for Consideration in Hosting Agreements	369
6. Licensing and Contracting Concerns in a Hosted Environment.....	370
Chapter 10: Service-Level Agreements (SLAs) (§ 3.B)	377
A. Overview.....	377
B. Negotiating Service-Level Agreements.....	378
1. Overview.....	378
2. Conditions Precedents.....	379
3. Calculating Availability.....	379
4. Notification.....	381
5. Remedy: Credits vs. Cash Payments vs. Termination.....	381
6. Exclusive Remedy	381
7. Termination Rights.....	382
C. The Law of Small Numbers	382
D. Limitation of Liability	383
Chapter 11: Statements of Work (SOW).....	385
A. Drafting the SOW.....	385
B. Content of the SOW	386
C. Resolving Conflicts between and the Master Agreement and SOW	387
Chapter 12: Free and Open-Source Software.....	389
A. Overview.....	389
1. Open-Source Commercial Models	390
2. Static vs. Dynamic Linking	391
3. Open-Source Tools.....	391
B. Free vs. Open-Source Software	391
C. Costs Associated with Using Open-Source Software.....	392

D. Advantages and Risks of Using Open-Source Software.....	393
1. Advantages	393
2. Risks	394
3. Legal Concerns	395
E. Open-Source License Types.....	397
1. Permissive Licenses (“Nonviral” Licenses)	397
2. Nonpermissive Licenses (“Viral” Licenses).....	398
F. Negotiating Licenses for Software That Incorporates	
Open-Source Software	400
1. Incoming Licenses.....	400
2. Outgoing Licenses	401
G. Quantifying the Risk	402
1. Establishing an Open-Source Review Board/Compliance	
Program for Software Development.....	403
2. Evaluating the Risks of Using Open-Source Software	404
3. Open-Source Software Audits	405
H. Legal Challenges	405
1. Contract-Based Claims.....	406
2. Copyright-Based Claims.....	406
I. Managing Open Source	407
Chapter 13: Shrink-Wrap, Click-Wrap and Browse-Wrap Licenses	411
A. Shrink-Wrap Licenses	411
B. Click-Wrap Licenses.....	412
C. Browse-Wrap Licenses	413
Chapter 14: Applicability of the Uniform Commercial Code (UCC) and the	
Principles of Law of Software Contracts.....	415
A. Article 2 of the Uniform Commercial Code	415
B. The Uniform Computer Information Transactions Act (UCITA).....	416
1. History of Attempts to Apply UCC Article 2 to Software Licensing	416
2. Present Status of UCITA.....	417
3. Significant Provisions of UCITA (2002 Version)	418
4. Rejection of UCITA (Bomb Shelters)	424
C. Principles of the Law of Software Contracts	425
Chapter 15: Software Development Agreements.....	427
A. Waterfall vs. Agile Development Methodologies	427
1. Agile	427
2. Waterfall.....	429
3. The Development Process	430
B. Issues to Be Considered in the Development Process	431
1. Pricing.....	431
2. Scope of Work.....	432
3. Customer Dependencies.....	432
4. Milestones and Timelines.....	433
5. Acceptance.....	433
6. Sweep Clauses	433

C. Development Risks	434
D. Ownership of Developed Intellectual Property	435
1. Factors Influencing Intellectual Property Ownership of Developed Software	435
2. Ownership Options	436
3. Alternative Ownership Options	438
E. Ownership of Tools	442
F. Customization vs. Configuration	443
G. Starting Work before Contract Signature	443
Chapter 16: Software Development Kit (SDK) Licenses and Application Program Interface (API) Licenses	445
A. Software Development Kit Licenses	445
B. Application Program Interface (API) Licenses	446
1. Overview	446
2. Negotiating an API License	446
3. APIs in the European Union	447
C. <i>Oracle America, Inc. vs. Google, Inc.</i>	448
Chapter 17: System Integration, Distribution, Reseller/VAR and OEM Agreements	449
A. System Integrators	449
B. Distributors	454
C. Resellers/Value-Added Resellers (VARs)	455
1. Overview	455
2. Licensing	456
3. End-User License Agreements (EULAs)	456
4. Breach of the EULA	456
5. Royalties/License Fees/Pricing	457
6. Intellectual Property Ownership	457
7. Termination	457
8. Sales and Marketing Requirements	458
9. Customer Terms	458
10. Third-Party Beneficiaries	458
D. Original Equipment Manufacturers (OEMs)	459
Chapter 18: Maintenance and Support (Forms J.1, J.2, and J.3)/(§§ 11, 16K)	461
A. Nomenclature	461
1. Maintenance vs. Support	461
2. Upgrades, Releases, Updates, Enhancements, and Modifications	462
3. Numbering Protocol	462
B. Maintenance vs. New Versions	462
C. Maintenance Terms (§ 16)	463
1. Licensor Obligations	463
2. Exclusions to Maintenance Obligations	467
3. Pricing and Payment (§ 8.4)	467
D. Independent Service Organizations (ISOs) (§ 3.6)	469

Chapter 19: Data Privacy and Data Security	471
A. Identification and Evaluation of the Underlying Risks.....	472
1. Types and Nature of Data the Vendor Will Be Accessing, Transmitting, Processing or Storing.....	472
2. Respective Responsibilities of the Vendor and Customer for Data Protection.....	472
3. Administrative Safeguards	473
4. Technical/Operational Safeguards	473
5. Physical Safeguards	473
B. Mitigating the Risk	474
1. Use Clear and Unambiguous Language.....	474
2. Craft the Definitions with Care	474
3. Use of Privacy by Design	475
4. Implement Definitive Security Standards	475
5. Restrict Access and Use of Data	478
6. Security Audits.....	480
7. Use Indemnities.....	481
8. Governing Law.....	481
9. Insurance	482
C. Damages.....	482
1. Direct Damages	482
2. Consequential Damages	482
3. Government Fines.....	482
4. Third-Party Claims by Affected Individuals and Other Third Parties.....	483
D. Limitation of Liability	483
1. Vendor Perspective.....	483
2. Customer Perspective.....	484
3. Potential Compromise	485
4. Exclusions from Limitations of Liability	486
E. Responding to a Data/Security Breach	486
1. Do Not Wait for a Security Incident	486
2. Present a United Front	487
3. Retain an Experienced Team of Advisors	487
4. Identify and Quantify the Harm.....	487
5. Avoid Further Damage and Loss	487
6. Establish and Implement a Communications Plan.....	488
7. Review All Applicable Policies, Procedures, and Contracts	488
8. Resolve the Technical Problems	489
F. Insurance.....	489
Chapter 20: Software Use Audits.....	491
A. Overview.....	491
1. Use of Software Auditing Tools	492
2. Third Party Auditing Tools.....	493
B. Elements of an Audit Clause	494
1. Purpose of the Audit	494

2. Reporting Methodology	494
3. Notice	495
4. Logistics of the Audit	496
5. Cost.....	496
6. Auditors	496
7. Compliance with Customer Policies.....	496
8. Compliance with Laws.....	496
9. Confidentiality/Use of Audit Results	496
10. Additional License Fees, Penalties and Interest.....	497
11. Superseding Provisions.....	497
12. Resolution of Any Underpayment	497
C. Preparing for the (Eventual) Audit Request.....	498
1. Implement a Comprehensive Software Procurement and Use Policy...498	
2. Conduct Regular Self-Audits	499
3. Create a Protocol for Responding to an Audit Request.....	499
D. Responding to an Audit Request	499
Chapter 21: Escrow Agreements	503
A. Release Events	503
1. In General.....	503
2. In the Event of Bankruptcy	505
3. Impact of a Release Event.....	506
B. Use of Third-Party Escrow Agents	506
1. In General.....	506
2. Verification of Escrowed Materials	507
3. Materials to Be Escrowed	508
4. Escrow Fees	509
C. Use of Escrowed Materials.....	510
D. Third-Party Software	511
E. Practical Nature of Software Escrow	511
Chapter 22: Confidentiality Provisions and Trade Secret Protection	515
A. Proprietary Information Clauses and Agreements (§ 12).....	516
1. General.....	516
2. Principal Provisions of a Nondisclosure Agreement	520
3. Third-Party Access	535
4. Residuals.....	537
5. Employees.....	538
6. Overlapping Nondisclosure Agreements	539
7. Multi-party Nondisclosure Agreements.....	540
8. Confidentiality and Data Security in the Cloud.....	540
B. Trade Secret Laws/Protections.....	550
1. General.....	550
2. Uniform Trade Secret Act.....	557
3. Computer Fraud and Abuse Act (CFAA).....	559
4. Restatement (Third) of Unfair Competition.....	559

5. Economic Espionage Act of 1996.....	560
6. The Defend Trade Secrets Act.....	560
7. State Laws	561
8. The Inevitable Disclosure Doctrine	561
Chapter 23: Representing the Global Entity.....	563
A. Access and the Scope of Use	564
B. Provision of Technology to Non-U.S. Citizens	565
C. Ownership of Developed Work.....	566
D. Taxes and Import/Export Duties.....	566
E. Governing Law and Venue Provisions.....	566
1. Governing Law.....	566
2. Venue.....	567
F. Reverse Engineering in the European Union	568
1. Reverse Engineering in the European Union	568
G. UN Convention on Contracts for the International Sale of Goods	568
H. The Foreign Corrupt Practices Act	570
1. Anti-bribery Provisions	570
2. Books and Records Provisions.....	572
3. Applicability of FCPA	573
4. Risks under FCPA Anti-bribery Provisions.....	574
I. The USA Patriot Act (Public Law 107-56)	577
J. Anti-boycott Regulations.....	579
K. Availability of a Meaningful Remedy.....	580
Chapter 24: Bankruptcy Issues	581
A. The Treatment of Software Licenses in Bankruptcy.....	581
B. The Licensor's Bankruptcy.....	582
1. Nonexecutory License.....	582
2. Executory License.....	583
3. Drafting Techniques.....	584
C. The Licensee's Bankruptcy.....	587
1. Nonexecutory License.....	587
2. Executory License.....	587
Chapter 25: Employee Issues.....	591
A. Assignment of Intellectual Property Rights	591
1. Employer's Ownership of Employee Inventions.....	591
2. Documenting the Employee's Existing Intellectual Property	591
3. Executing a Proper Assignment	592
B. Protection of Employer and Client Confidential Information	593
1. Ethics and Training	594
2. Confidential Information of Employee's Former Employer	595
C. Non-solicitation of Employees by Former Employees (§§ 5.3.7, 9.14).....	596
D. Non-solicitation of Employees of Vendor/Customer	597

E. Noncompetition Agreements.....	598
F. Theft/Destruction of Employer Property—Computer Fraud and Abuse Act....	601
1. Overview.....	601
2. The Meaning of “Loss”.....	601
3. “Unauthorized Access”: A Dichotomy of Opinion	602
4. Contractual Protections.....	603
5. Corporate Policies	604
6. Other Theories of Recovery	605
Chapter 26: When Problems Arise	607
A. Addressing Issues That May Arise.....	607
1. Be Proactive.....	607
2. Maintaining the Attorney-Client Privilege/Attorney Work Product Doctrine.....	608
3. Keep Lines of Communication Open	612
4. Document the Process	612
5. Quality Assurance Audits.....	613
6. Prepare for the Possibility of Litigation	614
B. Responding to a Deficiency Notice	614
C. Potential Claims, Defenses, and Counterclaims.....	615
1. Customer Claims	615
2. Customer Actions.....	619
3. Vendor Defenses.....	620
4. Vendor Claims/Counterclaims	623
5. Termination for Convenience (§ 4.1.A)	626
D. The Negotiation Process	627
1. Tolling Agreement.....	627
2. Settlement Negotiations.....	627
3. Renegotiating the Contract	630
E. If Litigation Arises	630
Chapter 27: Dispute Resolution (§§ 29, 30).....	633
A. The Causes for Disputes.....	633
B. Internal Dispute Resolution (§ 29).....	634
C. Mediation (§ 29)	634
D. Arbitration (§ 30).....	636
1. General Benefits and Drawbacks.....	636
2. Legal Concerns	637
3. Practical Concerns	639
4. The Risks Associated with a Bifurcated Approach.....	641
5. International Arbitration.....	646
E. Settlement Agreements	649
1. Possible Compromises	649
2. Settlement Agreements.....	649

Chapter 28: Best Practices for Contract Drafting and Successful

Implementation	651
A. Carefully Craft and Understand the Definitions	651
B. Create Uniform Terms, Conditions, and Processes	651
C. Use Plain Language/Choose Your Words Carefully.....	652
1. Choice of Words	652
2. Terminology Harmonization	655
3. Avoid Creating New Obligations.....	655
4. Headings and Formatting.....	656
D. Eliminate Ambiguity	656
E. Focus on Creating a Long-Term, Mutually Beneficial Agreement	659
F. Implement Peer Review	660
G. Use an Authority Matrix	660
H. Do Not Ignore the Exhibits and Schedules	661
I. Audit Compliance after Contract Execution	662
J. Avoid Scope Creep.....	663
