## Part I: An Overview of Environmental Liability

### Chapter 1

<b>Federal Environmental Liability under CERCLA and RCRA . . . . .</b>	<b>3</b>
<i>Laurence S. Kirsch and John C. Raffetto</i>	
Liability Arising from Ownership or Leasing of Real Estate . . . . .	4
The Comprehensive Environmental Response, Compensation, and Liability Act . . . . .	4
The Resource Conservation and Recovery Act . . . . .	30
Liability Arising from the Buying or Selling of Real Estate . . . . .	33
Liability of “Interim Landowners” and Disclosure of Known Releases or Threatened Releases on Property . . . . .	33
Sale of Real Estate as Arranging for Disposal under CERCLA . . . . .	34
Conclusion . . . . .	36

### Chapter 2

<b>Common Law Causes of Action for Environmental Claims . . . . .</b>	<b>37</b>
<i>Margo R. Casselman and Christopher D. Thomas</i>	
Typical Causes of Action . . . . .	39
Nuisance . . . . .	39
Defenses . . . . .	47
Damages . . . . .	50
Trespass . . . . .	51
Elements . . . . .	51
Damages . . . . .	56
Defenses . . . . .	56
Strict Liability . . . . .	56
Abnormally Dangerous Activity . . . . .	57
Illustrative Cases in the Environmental Context . . . . .	58
Defenses . . . . .	62
Negligence . . . . .	62
Elements . . . . .	62
Defenses . . . . .	67
Conclusion . . . . .	67

---

*Chapter 3*

**State Environmental Programs and Statutory Frameworks for Consideration  
in Real Estate Transactions . . . . . 69**  
*Kevin R. Murray and Elizabeth A. Rudolf*

Development of State Programs . . . . . 70

    CERCLA Preemption . . . . . 70

    CERCLA Section 128: EPA’s General Enforcement Assurances to States  
    to Encourage the Voluntary Assessment and Cleanup of Sites Addressed  
    under State Oversight . . . . . 72

State Programs . . . . . 73

    Voluntary Cleanup Programs . . . . . 73

    State Hazardous Substance Release Acts (State Superfund  
    or ‘Little Superfund’ Statutes) . . . . . 75

    Bona Fide Prospective Purchaser Protection . . . . . 77

    Lender Liability . . . . . 78

State Survey . . . . . 78

*Chapter 4*

**Transaction-Triggered Environmental Laws . . . . . 111**  
*David B. Farer and Jay A. Jaffe*

New Jersey Industrial Site Recovery Act . . . . . 113

    Subject Parties . . . . . 113

    ISRA Triggers . . . . . 114

    The ISRA Process . . . . . 115

    Exemption Procedures . . . . . 116

    The ISRA Hammer: Violation and Penalty Provisions . . . . . 117

Iowa Environmental Quality Act . . . . . 117

Connecticut Transfer Act . . . . . 117

    Subject Establishments . . . . . 118

    Triggers . . . . . 118

    Transfer Act Process . . . . . 118

    Violation and Penalty Provisions . . . . . 119

    Covenants Not to Sue . . . . . 119

    Working Group and Legislative Developments . . . . . 119

Connecticut Termination of Operations Law . . . . . 120

Oregon Hazardous Waste Removal and Remedial Action Act . . . . . 120

    Subject Parties and Properties . . . . . 121

    Trigger, Process, and Penalty Provisions . . . . . 121

Michigan Natural Resources and Environmental Protection Act . . . . . 121

    Subject Parties and Transactions . . . . . 121

    Trigger, Process, and Penalty Provisions . . . . . 122

Ohio Cessation of Regulated Operations Program . . . . . 122

    Subject Operations and Parties . . . . . 122

    Trigger, Process, and Penalty Provisions . . . . . 122

San Francisco’s Ordinance . . . . . 124

    The Ordinance Process . . . . . 124

California Cleanup of Santa Susana Field Lab Law . . . . . 125

Delaware Transfer or Closure of Establishments Law . . . . .	125
Subject Parties and Properties . . . . .	125
Triggers, Process, and Enforcement . . . . .	125
Sleepy Hollow’s Environmental Protection and Property Reclamation Law. . . . .	126
Subject Parties and Properties . . . . .	126
Triggers and Process. . . . .	126
Exemptions . . . . .	127
Enforcement. . . . .	127
Washington State Disclosure Law. . . . .	127
Triggers and Process. . . . .	127
Repealed Transaction-Triggered Environmental Laws . . . . .	128
Illinois . . . . .	128
Indiana. . . . .	128
Hawaii . . . . .	128
Related State Laws . . . . .	129
 <i>Chapter 5</i>	
<b>Environmental Release Reporting Obligations. . . . .</b>	<b>131</b>
<i>Thomas S. Burack</i>	
What Constitutes a Release . . . . .	132
Regulated Substances and Contaminants. . . . .	132
Emerging Contaminants . . . . .	134
Case Law Interpreting What Is a Release. . . . .	134
Who Must Report? . . . . .	137
Federal Reporting Requirements . . . . .	137
Statutory and Regulatory Provisions . . . . .	137
Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) Section 103(a) . . . . .	137
CERCLA Section 103(c). . . . .	139
CERCLA Section 103(f). . . . .	139
CERCLA Section 9611(g). . . . .	140
Brownfields Act Sections 221 and 222(a). . . . .	141
Emergency Planning and Community Right to Know Act (EPCRA) Section 304 . . . . .	142
Clean Water Act (CWA) Section 311(b)(5) . . . . .	143
Resource Conservation and Recovery Act (RCRA) . . . . .	143
Toxic Substances Control Act (TSCA) . . . . .	144
Clean Air Act (CAA) . . . . .	145
State Law Reporting Requirements . . . . .	147
Other Considerations . . . . .	147
Contractual Obligations. . . . .	147
Common Law Fraud . . . . .	148
Status as Innocent Purchaser . . . . .	149
Sentencing Guidelines and Incentives for Reporting . . . . .	149
Counsel as Coconspirator . . . . .	150
Ethics Considerations. . . . .	150
Waiver of Privilege . . . . .	151
Conclusion . . . . .	153

---

*Chapter 6*

**Lender and Fiduciary Liability Issues . . . . . 155**  
*Abbi L. Cohen and John M. Ix*

CERCLA Risk for Lenders and Fiduciaries . . . . . 156

- General Defense to Liability. . . . . 158
- Innocent Landowner Defense. . . . . 158
- Bona Fide Purchaser and Contiguous Landowner . . . . . 160
- Other Defenses. . . . . 161

CERCLA's Lender Liability Provisions . . . . . 161

- History pre-1992; EPA Lender Liability Rule (1992); Asset Conservation Act . . . . . 161
- Participation in Management. . . . . 162
- Foreclosure and Post-foreclosure Activities . . . . . 163
- Security Interest . . . . . 164
- The Lender. . . . . 164
- Conforming Amendments to RCRA . . . . . 164
- Remaining Environmental Risks for Lenders. . . . . 165
- Judicial Interpretation of the Secured Creditor Exemption . . . . . 166
- Non-CERCLA Assurances for Lenders . . . . . 174
- Developing a Strategy that Addresses Environmental Risk . . . . . 175
- Activities before Creation of a Security Interest: Due Diligence. . . . . 176
- Avoidance of Operator Liability before Creation of a Security Interest . . . . . 178
- Loan Documentation: Creating the Security Interest and Policing the Loan . . . . . 178
- Monitoring and Enforcing the Loan . . . . . 179
- Protection of Collateral: Cleanup Obligations . . . . . 180
- Protection of Collateral: Notice Provisions . . . . . 181
- Exercise of Remedies . . . . . 181
- Post-foreclosure Activities . . . . . 183
- Solutions: Summary . . . . . 183
- CERCLA's Fiduciary Liability Provisions. . . . . 183
- Benefits and Limitations of the Federal Statutory Protections . . . . . 185
- State Statutory Relief . . . . . 187
- Measures for Limiting Fiduciary Liability . . . . . 188
- Environmental Policy . . . . . 188
- Due Diligence. . . . . 189
- Leases. . . . . 189
- Fiduciary Agreements. . . . . 190
- Insurance Policies. . . . . 190
- Divestment of Trust Property. . . . . 190

Conclusion . . . . . 190

*Chapter 7*

**Treatment of Environmental Liabilities in Bankruptcy . . . . . 191**  
*Pamela K. Elkow and Thomas J. Sansone*

Introduction . . . . . 191

- Environmental Laws . . . . . 193
- The Bankruptcy Code . . . . . 195

Bankruptcy Concepts as Applied to Environmental Claims . . . . . 197

- Abandonment of Contaminated Property . . . . . 197
- Effect of the Automatic Stay. . . . . 199

Due Process: What Constitutes Sufficient Notice? . . . . .	201
Dischargeability of Environmental Obligations . . . . .	203
When Is an Environmental Liability a “Claim”? It Depends.. . . . .	204
When Does the Claim Arise? . . . . .	206
Allowability, Amount, and Priority of Environmental Claims . . . . .	209
Pre-petition Settlement Agreements as Executory Contracts . . . . .	214
Successor Liability Issues Peculiar to Bankruptcy. . . . .	215
Protections for Lenders and Fiduciaries . . . . .	215
Insurance for Environmental Claims . . . . .	216
Conclusion . . . . .	217

*Chapter 8*

**Environmental Criminal Enforcement: A Primer for the Real Estate Practitioner . . . . . 219**

*W. Warren Hamel and Karl R. Heisler*

Introduction . . . . .	219
A Brief History of Environmental Crimes Statutes and Enforcement in the United States . . . . .	221
Roots of Criminal Environmental Enforcement: How Conduct That Threatens to Cause Harm to the Environment Became a Crime . . . . .	221
How Might Criminal Enforcement Impact a Real Estate Transaction? . . . . .	227
The Arc of the Deal . . . . .	227
Statutes That Can Give Rise to Criminal Liability and Examples of Criminal Dispositions . . . . .	228
Is It a <i>Criminal</i> Violation? Factors Distinguishing a Criminal Violation from Civil or Administrative Environmental Violations . . . . .	240
Factors that Prosecutors Typically Consider Before Filing a Criminal Case . . . . .	240
Additional Considerations: Burden of Proof, Adequacy of Non-Criminal Sanctions and Collateral Consequences—Suspension and Debarment . . . . .	249
Recent Developments in Criminal Environmental Enforcement . . . . .	250
The Worker Endangerment Initiative and Hybrid Environmental/Worker Safety Suits . . . . .	250
Individual Accountability for Corporate Wrongdoing . . . . .	251
Evolving Theories of Liability for Corporations and Their Officers . . . . .	252
EPA’s Current Compliance Initiatives. . . . .	256
The Migratory Bird Treaty Act . . . . .	256
Conclusion . . . . .	258

**Part 2: Environmental Due Diligence: Identification of Environmental Issues**

*Chapter 9*

**Fundamentals of Due Diligence . . . . . 261**

*Mary Ellen Ternes*

Due Diligence Targeting Responsible Party Liability under CERCLA . . . . .	263
Landowner Liability Protections: Innocent, Contiguous Property, and Bona Fide Prospective Purchaser Defenses . . . . .	264
Definition of “All Appropriate Inquiries” . . . . .	266
Phase I Environmental Site Assessments . . . . .	267
The ASTM Standards . . . . .	267
Beyond the Scope of the ASTM Standard . . . . .	274

Case Law Interpreting the Landowner Liability Defenses . . . . .	277
Property Purchased Before the 2002 CERCLA Brownfields Amendments . . . . .	277
Property Purchased After the 2002 CERCLA Brownfields Amendments . . . . .	282
Consultants and Their Role in the Due Diligence Process . . . . .	284
Conclusion . . . . .	286
Resources . . . . .	286

*Chapter 10*

**Environmental Consultants . . . . . 287**

*Mary Ellen Ternes*

Selecting a Consultant . . . . .	288
The Initial Screening Process . . . . .	288
Requests for Proposals and Qualifications . . . . .	292
Proposal Review and Consultant Selection . . . . .	293
Addressing Contractual Concerns . . . . .	294
General Contract Terms . . . . .	294
Consultants' Representations, Warranties, and Covenants . . . . .	297
Indemnity Issues . . . . .	299
Insurance Requirements . . . . .	300
Supervising the Consultant . . . . .	301
Determining the Scope of Work for the Phase I ESA . . . . .	301
Determining the Scope of Work for the Phase II ESA . . . . .	304
Determining the Scope of Work for an Environmental Compliance Audit . . . . .	308
Establishing the Report Format . . . . .	308
Reviewing the Final Report . . . . .	309
Understanding the Phase I Report . . . . .	309
Understanding the Phase II Report . . . . .	310
Understanding an Environmental Compliance Audit Report . . . . .	310
Protecting a Report from Disclosure . . . . .	311
Attorney-Client Privilege . . . . .	311
Other Potential Privileges . . . . .	312
Typical Problems Encountered with Reports . . . . .	312
Addressing the Consultant's Liability for Work Performed . . . . .	315

*Chapter 11*

**Understanding Environmental Reports and Risk-Based Cleanups: Science Issues for Transactional Lawyers . . . . . 317**

*Mary Ellen Ternes*

Approaching the Prospect of Phase II Sampling . . . . .	318
Evaluating Phase II Sampling and Analysis Plans and Reports . . . . .	319
Developing the Sampling and Data Quality Plans . . . . .	320
What the Report Should Tell the User . . . . .	322
What the Consultant Does in the Field for Phase II . . . . .	323
Evaluation of Phase II Results . . . . .	327
Common Problems with Phase II Reports . . . . .	329
Understanding Environmental Sampling Data and Lab Reports . . . . .	331
Sampling . . . . .	332
Site Maps . . . . .	332
Boring or Well Logs . . . . .	332
Chain-of-Custody Records . . . . .	333
Laboratory Analytical Reports . . . . .	333

Ascertaining the Potential for Migration of the Detected Constituents . . . . .	336
Contaminant Categories . . . . .	336
Physical and Chemical Properties of Contaminants . . . . .	337
Assessing the Risks of Contaminants . . . . .	340
Risk Assessment . . . . .	341
Contaminant Toxicity . . . . .	342
Exposure Assessment . . . . .	342
Unacceptable Risk . . . . .	343
Target Cleanup Levels: How Clean Is Clean? . . . . .	344
Superfund Framework for Establishing Cleanup Objectives . . . . .	345
Use of Engineering and Institutional Controls to Mitigate Exposure and Lower Risk . . . . .	347
Risk-Based Remediation Relying on Engineering and Institutional Controls . . . . .	348
Brownfields and Voluntary Cleanup Program Remediation . . . . .	349
Conclusion . . . . .	350
Resources . . . . .	350

*Chapter 12*

<b>Non-Scope Items: Asbestos, Lead-Based Paint, and Radon . . . . .</b>	<b>351</b>
---	------------

*Chad C. Baker*

Asbestos . . . . .	353
Regulations . . . . .	355
Considerations . . . . .	361
Lead . . . . .	362
Regulations . . . . .	363
Regulatory, Criminal, and Personal Injury Liability . . . . .	368
Radon . . . . .	371

*Chapter 13*

<b>An Overview of Institutional Controls . . . . .</b>	<b>375</b>
--	------------

*Amy L. Edwards*

Introduction . . . . .	375
Definition of Institutional Controls . . . . .	376
Examples of Institutional Controls . . . . .	377
Proprietary Controls . . . . .	377
State and Local Government Controls . . . . .	380
Informational Devices . . . . .	386
Enforcement Tools . . . . .	389
The Enforceability of Institutional Controls . . . . .	391
Degrees of Enforceability . . . . .	391
Requirement of Conveyance . . . . .	391
Doctrines Limiting Long-Term Enforceability . . . . .	392
The Need for an Enforcer . . . . .	392
Implementation Considerations . . . . .	393
Description of Restricted Activities and Uses . . . . .	393
Description of Permitted Activities and Uses . . . . .	394
Maintenance Requirements . . . . .	394
Subordination Requirements . . . . .	394
Disclosure Requirements in Deeds, Leases, and Mortgages . . . . .	394
Mechanisms for Modifying or Terminating the Controls . . . . .	395
Impact of Noncompliance with the Controls . . . . .	396

Whether the Control “Runs with the Land” . . . . .	396
Easements. . . . .	396
Emergencies . . . . .	397
Legal Authority . . . . .	397
Public Participation Issues . . . . .	397
ASTM and EPA Guidance . . . . .	398
Conclusion . . . . .	400

**Part 3: Issues Related to the Transactional Structure, Tax, and Business Matters**

*Chapter 14*

<b>Structuring the Transaction to Allocate Environmental Liability . . . . .</b>	<b>403</b>
<i>Gerard A. Caron and Gregory A. Bibler</i>	
Early Considerations. . . . .	404
Accounting Considerations . . . . .	405
Offer or Letter of Intent Stage . . . . .	405
Acquisition Agreement Stage . . . . .	406
Pre-closing Diligence . . . . .	407
Representations and Warranties . . . . .	407
Covenants . . . . .	411
Contractual Indemnification . . . . .	412
Cost-Sharing Provisions . . . . .	416
Miscellaneous Provisions . . . . .	417
Other Types of Agreements . . . . .	418
Financing Agreements . . . . .	418
Lease Agreements. . . . .	418
Service Agreements . . . . .	419
Side Agreements . . . . .	419
Separation Agreements. . . . .	419
Institutional Controls. . . . .	420
Mechanisms to Structure the Transaction . . . . .	420
Transfer of Assets. . . . .	420
Formation of a Subsidiary . . . . .	422
Limited Liability Company . . . . .	422
Limited Partnership . . . . .	422
Lease Agreement . . . . .	423
Global Transactions . . . . .	423
Conclusion . . . . .	424

*Appendix*

<b>Sample Provisions . . . . .</b>	<b>425</b>
Defined Terms . . . . .	425
Representations and Warranties . . . . .	426
Example 1: Asset Purchase Agreement—Shorter Form . . . . .	426
Example 2: Asset Purchase Agreement—Longer Form . . . . .	426
Example 3: Stock Purchase or Merger—Shorter Form. . . . .	427
Example 4: Stock Purchase or Merger—Longer Form . . . . .	428
“As Is” Provision for Purchase and Sale of Real Property. . . . .	429
Excluded Liabilities Provisions for Asset Purchase Agreements . . . . .	430
Example 1 . . . . .	430
Example 2 . . . . .	430

Indemnification Provisions . . . . .	431
Example 1: Asset Purchase Agreement—General Indemnification Covering All Breaches of Representations and Excluded Liabilities, including Environmental Matters . . . . .	431
Example 2: Asset Purchase Agreement—Specific Environmental Indemnification . .	431
Example 3: Limitations on Indemnification . . . . .	431
Stand-Alone Environmental Indemnification Agreement . . . . .	432
Environmental Remediation and Indemnification Agreement . . . . .	438
Lease Provisions . . . . .	442
Financing Agreements—Covenants . . . . .	444
Example 1: Compliance with Environmental Laws . . . . .	444
Example 2: Environmental Assessments . . . . .	445
Example 3: Release of Hazardous Substances . . . . .	445
Example 4: Reporting Obligations . . . . .	445

*Chapter 15*

<b>Environmental Issues in the Landlord–Tenant Context . . . . .</b>	<b>447</b>
<i>Adrienne J. Bell and Jennifer S. Huntsman</i>	
Overview of Legal Principles Affecting the Landlord–Tenant Relationship . . . . .	448
Overlapping Liability as Owner and Operator . . . . .	448
Limitations on the Third-Party and Innocent Landowner Defenses . . . . .	450
Risk Shifting through Indemnities . . . . .	452
Permitting and Disclosure Obligations . . . . .	453
Remediation Obligations . . . . .	453
Leases: Negotiating and Drafting to Address Environmental Issues . . . . .	454
Issues Relating to the Initial Transfer of Possession . . . . .	454
Issues Relating to Tenant’s Operation of the Premises . . . . .	458
Issues Relating to Lease Expiration or Termination . . . . .	464
Conclusion . . . . .	466

*Chapter 16*

<b>Current Insurance Policies for Insuring against Environmental Risks . . . . .</b>	<b>467</b>
<i>Ann M. Waeger</i>	
Introduction . . . . .	467
Available Types of Insurance Coverage . . . . .	470
Possible Transactional Uses for Environmental Insurance Products . . . . .	470
Claims-Made versus Occurrence-Based Coverage . . . . .	470
Overview of Available Environmental Insurance Coverage . . . . .	471
Pollution and/or Remediation Legal Liability . . . . .	471
Cleanup Cost Cap, Stop Loss, or Cost Containment Coverage . . . . .	472
Lender Environmental Protection Insurance . . . . .	473
Contractor’s Pollution Liability and Errors and Omissions Insurance . . . . .	474
Finite Risk . . . . .	475
Uses of Environmental Insurance Coverage . . . . .	476
Additional Security for Contractual Indemnity . . . . .	476
Security When No Contractual Indemnity Is Given . . . . .	476
Security for Ongoing Manufacturing Operations . . . . .	476
Additional Loan Security . . . . .	477
Development . . . . .	477
Contractor’s Work . . . . .	477

Government-Led Brownfield Insurance Programs . . . . .	478
Massachusetts Brownfield Redevelopment Access to Capital Program . . . . .	478
Connecticut Department of Economic and Community Development Program . . . . .	478
Wisconsin Department of Natural Resources Program . . . . .	478
New York Department of Environmental Conservation Brownfields Cleanup Program . . . . .	479
Select Issues to Consider When Evaluating Coverage . . . . .	479
Up-Front Premium Payment . . . . .	479
Financial Viability of Insurance Company . . . . .	480
Developing Case Law Interpreting Coverage . . . . .	480
Fact-Sensitive Transactions . . . . .	480
Careful Analysis of Terms and Exclusions . . . . .	480
Time Frames . . . . .	481
Admission of Policies in Various States . . . . .	481
Examples of Policy Terms That Require Negotiation . . . . .	481
Known Conditions . . . . .	482
Insured . . . . .	482
Bodily Injury . . . . .	483
Property Damage . . . . .	483
Underground Storage Tanks, Asbestos, and Lead Paint . . . . .	483
Material Change in Use . . . . .	483
Intentional Acts . . . . .	484
Contractual Liability . . . . .	484
Insured's Property . . . . .	484
Cancellation . . . . .	485
Choice of Law/Choice of Forum . . . . .	485

*Chapter 17*

<b>Brownfields Redevelopment: Creative Solutions to Historical Environmental Liabilities . . . . .</b>	<b>495</b>
<i>Todd S. Davis</i>	
Defining the Brownfields Problem . . . . .	495
What Is a Brownfield? . . . . .	497
Why Are Brownfields Demanding Attention? . . . . .	497

Assessing the Barriers to Brownfields Redevelopment . . . . .	498
Ambiguous Legal Liability . . . . .	499
Lack of Concentrated Expertise . . . . .	499
Potentially Substantial Capital Costs . . . . .	500
Insufficient Financing . . . . .	500
Nebulous Government Policies . . . . .	500
Entrenched Attitudes among Regulators . . . . .	501
Absence of a Consistent Redevelopment Framework . . . . .	501
Public Opposition . . . . .	501
Limited Demand for Redeveloped Sites . . . . .	501
Competition from Greenfields . . . . .	502
Understanding Owner Liability under Superfund . . . . .	502
Bringing Down the Barriers . . . . .	503
The Brownfields Act: A New Federal Commitment	
to Brownfields Redevelopment . . . . .	503
Summary of the Brownfields Act's Major Provisions . . . . .	504
Prospective Purchaser and Innocent Landowner Liability Protection . . . . .	505
Food for Thought . . . . .	507

*Chapter 18*

<b>Redevelopment of Environmentally Impacted Real Property Using Tax Increment . . . . .</b>	<b>509</b>
<i>David E. Gee, Lamont R. Richardson, and April M. Medley</i>	
General Overview . . . . .	509
Use of Tax Increment Solely in Connection with Environmental Remediation . . . . .	511
Determination of Amount of Tax Increment . . . . .	511
Political and Policy Considerations . . . . .	513
Specific Issues Related to Reimbursement Agreements . . . . .	514
Comparison of Tax Increment to Conventional Financing . . . . .	515
Public Access to Information . . . . .	518
Specific Issues Related to Development Agreements . . . . .	518
Summary . . . . .	520

*Chapter 19*

<b>Tax Implications of Environmental Aspects of Real Estate</b>	
<b>and Commercial Transactions . . . . .</b>	<b>523</b>
<i>Roberta F. Mann</i>	
Introduction . . . . .	523
Tax Treatment of Environmental Liabilities . . . . .	523
General Rules for Deductibility and Capitalization . . . . .	523
History of the Tax treatment of Environmental Liabilities . . . . .	525
The Modern Rule: Treasury Regulation Section 1.263(a)-3(j) (Treatment	
of Remediation Costs) and (l) (Adaptation of Land for New or Different Use) . . . . .	528
Fines or Penalties . . . . .	530
Environmental Tax Opportunities . . . . .	530
Energy-Efficient New Homes Tax Credit . . . . .	530
Deduction for Energy-Efficient Commercial Buildings . . . . .	531
Renewable Energy Tax Credits . . . . .	531
Deduction for Contribution of Conservation Easement . . . . .	533
Conclusion . . . . .	534

*Chapter 20*

**Environmental Disclosure Requirements under Securities Laws . . . . . 535**

*Gregory E. Lindley*

Background. . . . . 535

The Statutory and Regulatory Framework . . . . . 537

    Disclosure of Capital Expenditures: Item 101 . . . . . 538

    Disclosure of Legal Proceedings: Item 103. . . . . 540

    Management’s Discussion and Analysis: Item 303. . . . . 541

    Climate Change Issues . . . . . 545

    Proxy Materials . . . . . 547

    General Disclosure Requirements . . . . . 548

    Accounting Requirements . . . . . 549

Recent Trends in SEC Disclosure Policies . . . . . 551

    Case Law . . . . . 551

    Enforcement Matters . . . . . 552

    Plain-English Disclosure. . . . . 554

Conclusion . . . . . 555

**Part 4: Environmental Issues Specific to Real Estate Development**

*Chapter 21*

**Underground Storage Tanks. . . . . 559**

*Walter G. Wright, Jr.*

Background. . . . . 560

Environmental Impacts. . . . . 561

Federal and State Regulatory Programs . . . . . 561

    Resource Conservation and Recovery Act . . . . . 562

    MTBE . . . . . 574

    Key UST Regulatory Requirements Affecting Commercial Transactions. . . . . 576

    State Programs . . . . . 578

Tools for Resolving UST Issues in Commercial Transactions:

    Uses and Limitations . . . . . 582

    State Funds. . . . . 582

    Environmental Assessments . . . . . 582

    Contractual Allocation of UST Responsibilities. . . . . 583

    ASTs: An Alternative to USTs . . . . . 585

    UST Secured Creditor Exemptions. . . . . 585

*Chapter 22*

**Wetlands Considerations in Real Estate Transactions . . . . . 587**

*LaJuana S. Wilcher, Sarah P. Jarboe, and Joye Beth Spinks*

Introduction . . . . . 587

Wetlands Definition, Delineation, Classification,  
and Characteristics. . . . . 589

    Wetlands Delineation . . . . . 589

    Wetlands Classification . . . . . 591

Jurisdictional Determinations. . . . . 592

The Economic Value of Wetlands. . . . . 593

What Activities Are Regulated? . . . . . 594

    Dredged Material. . . . . 594

    Fill Material . . . . . 596

Statutory Exemptions . . . . .	596
Exclusions from the Exemptions . . . . .	598
Obtaining Authorization to Discharge Dredged or Fill Material . . . . .	598
Individual Permits . . . . .	598
Least Environmentally Damaging Practicable Alternative Analysis . . . . .	601
Compensatory Mitigation . . . . .	602
CWA Section 401 Certification . . . . .	604
General Permit Authorization . . . . .	605
Section 404(q) . . . . .	607
Section 404(c) Veto . . . . .	607
States and CWA Section 404 . . . . .	608
Enforcement . . . . .	609
Citizen Suits . . . . .	611
Discharges without a Section 404 Permit . . . . .	611
Violation of Conditions of a Section 404 Permit . . . . .	611
Wholly Past Violations . . . . .	612
Liability of Subsequent Owners . . . . .	612
Wetlands Subject to the CWA’s Jurisdiction . . . . .	612
Conclusion . . . . .	615
 <i>Chapter 23</i>	
<b>The Endangered Species Act . . . . .</b>	<b>617</b>
<i>J.B. Ruhl, Alan M. Glen, and Rebecca M. Powers</i>	
Background . . . . .	617
Chapter Roadmap . . . . .	619
Statutory and Regulatory Overview . . . . .	620
Species Listing, Critical Habitat Designation, and Recovery Planning . . . . .	620
Take Prohibitions . . . . .	624
Section 7 Interagency Consultations . . . . .	627
Incidental Take Authorities . . . . .	629
The Regional Planning Alternative . . . . .	632
Enforcement and Other Programs . . . . .	633
Critical Issues for Development . . . . .	634
“Best Science” and the Post-Listing Paradox . . . . .	634
Defining the Occurrence and Scope of Take . . . . .	635
Section 7 Consultations . . . . .	635
No Vested Rights . . . . .	636
Choosing between a Section 7 Consultation, an Individual HCP, and a Regional HCP . . . . .	637
Defining the Type and Scope of Mitigation . . . . .	639
Administrative Developments and Reforms . . . . .	640
2018 Guidance . . . . .	641
Section 7 . . . . .	641
Section 4(d) . . . . .	642
Section 4 . . . . .	643
An ESA Checklist for Development Projects . . . . .	643
Before and during Project Design . . . . .	643
During the Authorization Phase . . . . .	645
Post-Development . . . . .	646
Conclusion . . . . .	647

*Chapter 24*

**NEPA and Commercial Transactions** . . . . . 649  
*Andrea Driggs and Christopher D. Thomas*  
History and Mechanics of NEPA . . . . . 651  
Categorical Exclusions . . . . . 651  
Environmental Assessments . . . . . 652  
Environmental Impact Statements . . . . . 653  
Supplemental Environmental Impact Statements . . . . . 655  
EPA Review of an Agency’s NEPA Analysis . . . . . 655  
Judicial Review and NEPA . . . . . 655  
Litigation Risks and Questions . . . . . 655  
Examples of Litigation Involving Real Estate/Land-Use Issues . . . . . 656  
Interactions between NEPA and Other Environmental Laws . . . . . 659  
NEPA Regulations: 2020 Update . . . . . 660  
    Environmental Effects . . . . . 660  
    “One Federal Decision” Policy and Agency Approvals . . . . . 661  
Practical Considerations . . . . . 661  
Conclusion . . . . . 662

*Chapter 25*

**Conservation Easements** . . . . . 663  
*Heidi S. Glance and Kylie J. Crandall*  
Conservation Easement as a Real Estate Document . . . . . 663  
    In General . . . . . 663  
    Common Law . . . . . 664  
    UCEA . . . . . 665  
Federal Statutory Basis: I.R.C. Section 170 . . . . . 665  
    In General . . . . . 665  
    I.R.C. § 170 . . . . . 665  
    Donative Intent . . . . . 666  
    Partial Consideration . . . . . 666  
    Requirements for Deductibility . . . . . 666  
Additional Requirements . . . . . 672  
    Mortgaged Property . . . . . 672  
    Third-Party Mineral Interests . . . . . 672  
    Documentation of Condition of Property and Notice of Intent  
        to Exercise Retained Rights . . . . . 673  
Extinguishment . . . . . 673  
Compliance . . . . . 673  
Valuation of Conservation Easement Donations . . . . . 674  
Federal Gift and Estate Taxation of Conservation Easements . . . . . 675  
    I.R.C. Section 2055: Estate Tax Deduction . . . . . 675  
    I.R.C. Section 2031(c): Estate Tax Exclusion . . . . . 675  
    I.R.C. Section 2522: Gift Tax Considerations . . . . . 676  
The Conservation Easement . . . . . 676  
    Grantor’s Choice of Entity and Timing . . . . . 676  
    Selection of Grantee . . . . . 677  
    Baseline Study/Appraisal . . . . . 677

Retained Interests/Permitted Uses . . . . .	678
Permitted and Prohibited Uses . . . . .	679
Amendments and Modification of the Original Easement . . . . .	680
Conservation Easements and Eminent Domain . . . . .	681
Federal Farm and Ranch Lands Protection Program . . . . .	682
Taxpayer-Friendly Deduction Limitations . . . . .	682
Reduction of Federal Charitable Deduction by Allowable State Tax Credits . . . . .	683
Appendix A. . . . .	684
State Conservation Easement-Enabling Statutes. . . . .	684
Appendix B. . . . .	688
Permitted Uses and Practices . . . . .	688
Appendix C. . . . .	691
Prohibited Uses and Practices. . . . .	691

*Chapter 26*

**Historic Preservation Issues for Real Estate Development . . . . . 693**

*Sara C. Bronin*

Introduction . . . . .	693
Designation. . . . .	694
Federal Designation . . . . .	694
State and Local Designation. . . . .	698
Effect of Listing and Eligibility for Listing. . . . .	699
Local Regulation . . . . .	699
Restrictions on Demolition . . . . .	700
Restrictions on Alteration . . . . .	702
Restrictions on New Construction. . . . .	704
Conservation and Preservation Restrictions . . . . .	705
Creation . . . . .	705
Alteration and Termination . . . . .	707
Value of Conservation and Preservation Restrictions. . . . .	708
Tax Credits. . . . .	710
Federal Rehabilitation Tax Credit Program . . . . .	711
State and Local Tax Credits. . . . .	715
Conclusion . . . . .	715

*Chapter 27*

**Cultural Resources . . . . . 717**

*Hadassah M. Reimer and Murray D. Feldman*

What Is a Cultural Resource? . . . . .	717
Historic Properties Listed on or Eligible for the National Register of Historic Places. . . . .	718
Traditional Cultural Properties with Landscape Values. . . . .	718
Cultural Resources in the Broader Context . . . . .	719
Statutory and Other Protections for Cultural Resources . . . . .	719
The National Historic Preservation Act . . . . .	719
Other Federal Consultation and Cultural Resource Review Obligations. . . . .	724
State and Local Approaches to Protection of Historic Resources . . . . .	724
Best Practices for Addressing Cultural Resources in Real Estate Transactions . . . . .	727

*Chapter 28*

**Smart Growth and Sustainability** . . . . . 729

*Girair Simon and Cullen Howe*

Introduction . . . . . 729

Smart Growth. . . . . 730

    Smart Growth Initiatives at the Federal Level . . . . . 730

    State Level Smart Growth Policies . . . . . 733

    Regional Coordination of Smart Growth Policies . . . . . 736

    Local Level Smart Growth Policies . . . . . 738

Sustainable Development . . . . . 741

    Building Rating Systems. . . . . 741

    Federal Initiatives to Improve Building Performance . . . . . 743

    State and Local Initiatives . . . . . 745

    Property Assessed Clean Energy (PACE) Financing. . . . . 746

    State and Model Energy Codes . . . . . 747

    Green Leases . . . . . 747

Conclusion . . . . . 748

*Chapter 29*

**Environmental Justice and Transactions** . . . . . 749

*Nicholas Targ, Letitia D. Moore, and Michael B. Gerrard*

Introduction . . . . . 749

Defining Environmental Justice and Background. . . . . 750

    Defining Environmental Justice . . . . . 750

    Background on Genesis of the EJ Movement . . . . . 751

Legal Authorities . . . . . 752

    Civil Rights Laws. . . . . 752

    Environmental Laws and Authorities. . . . . 758

Applications of Legal Authorities . . . . . 762

    Siting . . . . . 762

    Environmental Permitting . . . . . 763

    Planning, Zoning Law, and Programmatic Efforts to Address EJ Issues . . . . . 764

    Policies and Rules. . . . . 766

Determinations of Need . . . . . 767

Existing Facilities . . . . . 768

EJ Issues in Transactions. . . . . 770

Conclusion . . . . . 770

Index. . . . . 771
