Chapter 1: Introduction	1
Chapter 2: The Negotiation and Contracting Process	3
A. The Traditional Negotiation Process.....	3
B. The Competitive Negotiation Process.....	4
1. Overview.....	4
2. Requests for Information (“RFI”).....	4
3. Requests for Proposal (“RFP”).....	5
4. Procedures and Rules for a Competitive Negotiation	14
5. Responding to an RFI/RFP	15
6. Structuring the Transaction	15
7. Documenting the Negotiations/Term Sheet/Letters of Intent.....	16
8. Negotiating the Agreement.....	19
9. Inclusion of the RFI and RFP Response in the Final Agreement.....	22
10. Concerns for Lawyers	23
11. Metadata	24
12. <i>PRACTICE POINT</i> : Negotiation insights.....	25
C. Successful Procurement	26
1. Establishing Each Party’s Needs and Goals.....	26
2. Vendor Selection.....	27
3. The Negotiation Process—Build a Well-Rounded Team	28
4. The Type and Structure of the Agreement	29
5. Quantifying and Allocating Risk.....	29
6. Managing the Customer–Vendor Relationship.....	31
D. <i>PRACTICE POINT</i> : Checklist for negotiating an agreement	32
Chapter 3: Licensing Software.....	33
A. Overview	33
1. The Concept of Licensing.....	33
2. Intellectual Property Rights Applicable to Software	33
B. The First Sale Doctrine	46
1. In General.....	46
2. Applicability to Software.....	48
C. The Transfer of Intellectual Property Rights	50

Chapter 4: Terminology of a License Grant (§ 3.1)	51
A. Important Definitions	52
1. “Licensor”	52
2. “Licensee”	53
3. “Affiliates” (§ 1.2)	55
4. “Software”	57
5. “User”	57
B. Term of the License (§ 4.2)	58
1. Overview	58
2. A Fixed Term	59
3. Perpetual and Irrevocable Licenses	59
4. Evergreen (Autorenewal) Term	60
5. The Failure to State a Term	61
C. Use (§ 3.1)	62
1. General	62
2. Scope of Use	63
3. Nonexclusive/Exclusive License	66
4. Internal Use	68
5. Creation of Derivative Works (§ 3.4)	69
6. Prohibition of Reverse Engineering	71
7. Reservation of Rights Clauses	74
D. Geographic Restrictions (§ 3.1)	75
E. Paid Up (§ 3.1)	75
F. Object Code Licenses and Source Code Licenses (§ 3.1)	76
G. Irrevocable/Non-Terminable Licenses (§ 3.1)	77
H. Assignment of the License (§ 3.1, § 22)	77
1. By Licensee	77
2. By Licensor	81
3. Transfer	82
I. Implied Licenses	82
Chapter 5: Ancillary Clauses	85
A. Representations, Warranties, Covenants, and Disclaimers (§ 16)	85
1. Representations and Warranties (§§ 16.1, 16A-AE, 16.2)	85
2. Covenants	107
3. Disclaimer of Representations and Warranties (§ 16.1.4)	107
4. Length of Warranty (§ 16.1)	110
5. Third-Party Warranties	111
B. General Indemnification (§ 15)	111
1. Overview	111
2. Relevant Language	112
3. Exclusions	118
4. Contributory vs. Comparative Negligence	119
5. Equitable and Implied Indemnification	119

6.	Limits on Liability for Indemnification Obligations.....	120
7.	Direct vs. Third-Party Indemnification Claims.....	120
8.	Indemnifying a Party for Its Own Negligence.....	121
9.	When an Indemnification Event Arises	122
10.	General Drafting Considerations	123
11.	<i>PRACTICE POINT</i> : Checklist for drafting an indemnity provision.....	124
C.	Intellectual Property Indemnification (§ 14)	126
1.	Overview.....	127
2.	Implied Indemnification under UCC § 2-312.....	129
3.	Limits on Indemnification.....	129
4.	Qualifications to Limit the Licensor’s Risk	130
5.	Conditions Precedent to Indemnification.....	132
6.	Mitigation by Licensor	132
7.	Exclusions	133
8.	Assumption of the Defense	135
D.	Acceptance and Acceptance Test Procedures (§§ 1.14, 7).....	135
1.	Software	135
2.	Deemed Acceptance.....	136
3.	Shrink-wrap Software	137
4.	Professional Services (§ 16.C).....	137
E.	Term of the Agreement	137
1.	Fixed Term.....	138
2.	Evergreen Term.....	138
F.	Breach and Cure (§ 5)	138
1.	Breach.....	139
2.	Notice	140
3.	Cure	140
G.	Expiration, Termination, and Cancellation.....	144
1.	Expiration	144
2.	Termination for Breach.....	144
3.	Termination for Reasons Unrelated to Performance	146
4.	Termination for Convenience (§ 4.1)	147
5.	Unjustified Termination	150
6.	<i>Force Majeure</i> (§ 33).....	151
7.	Bankruptcy	151
8.	Transition.....	151
9.	<i>PRACTICE POINT</i> : Checklist for terminating an agreement	152
H.	Remedies (§§ 5.2, 5.3).....	152
1.	Remedies under the UCC.....	153
2.	Licensee Remedies (§ 5.3)	154
3.	Licensor Remedies (§ 5.2)	159
4.	Cumulative Remedies	163
5.	Sole and Exclusive Remedy	164

I. Limitation of Liability (§ 17).....	164
1. Limiting Monetary Liability (§ 17.2)	165
2. Disclaimer of Consequential, Incidental, Punitive and Special Damages (§ 17.1)	177
3. Deemed Direct Damages (§ 17.4, Form Q.2.DD.7 § 1.2.).....	182
4. Reducing the Statute of Limitations (§ 17.1)	183
J. Price, Payment, and Revenue Recognition Issues (§ 8).....	185
1. Pricing Models	185
2. Price Indexing (§ 8.4).....	193
3. Payment	193
K. Taxes (§ 8.6).....	196
1. Sales Tax.....	196
2. Employee-Related Taxes (Form Q.2.UU.1, 2 and 3)	197
3. Foreign Taxes (Form Q. 2.UU.4)	197
L. Third-Party Software and Intellectual Property	198
M. Purchase of Licenses by Affiliates	199
N. Licensee Obligations	200
O. Changes to Features and Functionality; Sunsetting.....	201
Chapter 6: Boilerplate	203
A. Recitals and Headings (§ 53).....	203
1. Recitals	203
2. Headings (§ 53).....	205
B. Definitions (§ 1 and Form Q.1)	205
C. Insurance (§ 38)	206
1. General Insurance	206
2. Intellectual Property Infringement Claims	213
3. <i>PRACTICE POINT</i> : Reviewing and negotiating an insurance provision	214
4. Tying the Agreement’s Limitation of Liability to a Party’s Insurance Coverage.....	215
D. <i>Force Majeure</i> (§ 33)	215
1. Overview.....	215
2. Defining <i>Force Majeure</i>	217
3. Notification.....	219
4. Additional Terms.....	219
5. Impact on Performance	220
6. Other Potentially Applicable Theories.....	221
7. <i>PRACTICE POINT</i> : Checklist for drafting a comprehensive <i>force</i> <i>majeure</i> provision.....	221
E. Public Disclosures and References (§§ 44, 50)	222
1. Public Disclosures (§ 44).....	222
2. References (§ 50)	223
F. Waiver (§ 31)	223

G. Waiver of Right to Jury Trial (§ 32).....	224
H. Governing Law and Venue (§ 28).....	225
1. Governing Law.....	225
2. Venue.....	237
I. Compliance with Laws (§ 25)	239
1. General.....	239
2. A Warranty vs. an Indemnity.....	240
3. Utilizing the Change Order Process.....	241
4. Potential Compromises.....	242
5. Contractual Language.....	243
6. Monitoring Changes in the Law	244
7. Ensuring Compliance	245
J. Notices (§ 52)	245
K. Third-Party Beneficiaries (§ 40)	247
L. Legal Fees (§ 49)	248
M. Survival (§ 18).....	249
1. General.....	249
2. Lack of a Survival Clause.....	251
N. No Construction Against Drafter (§ 51)	251
O. Amending Written Agreements Through Online Terms (§ 23).....	252
1. General.....	252
2. The Validity of Online Terms and Amendments	253
3. Online Terms under UCITA and the UCC.....	254
4. Negotiating Provisions Allowing Online Amendments.....	254
5. <i>PRACTICE POINT</i> : Best practices for creating enforceable online terms and amendments.....	256
P. Service of Process	257
Q. Severability (§ 55).....	258
R. Amendment and Oral Modification	258
S. Assignment and Novation of the Agreement (§ 22)	259
1. Assignment.....	259
2. Novation	259
T. Integration/Entire Agreement (§ 58)	260
1. General.....	260
2. Collateral Agreements	262
U. Seals (Penultimate Paragraph and Signature Line)	263
V. Signatures, Signature Lines, and Signature Pages.....	263
1. Signature Authority.....	264
2. Electronic and Digital Signatures.....	264
3. Facsimile Signatures.....	265
4. Manual Signatures	265
W. Dating the Agreement.....	266
X. Terms/Corporate Policies Incorporated by Reference.....	266

Chapter 7: Other Important Issues	269
A. The Work Made for Hire Doctrine and Moral Rights	269
1. Work Made for Hire Doctrine	269
2. Moral Rights.....	277
3. Patent Rights	279
B. Ownership of Software Enhancements (§§ 3.2, 3.5, 12.1).....	280
1. General.....	280
2. Joint Ownership.....	282
3. Other Alternatives	284
4. <i>PRACTICE POINT</i> : Checklist for negotiating ownership rights in developed intellectual property.....	285
C. Functional Specifications and Technical Specifications (§ 1.7).....	285
1. Functional Specifications.....	285
2. Technical Specifications.....	287
D. Change Orders (§ 9.8).....	288
1. Methodology of the Change Order Process.....	288
2. The Contents of a Change Order.....	289
3. The Failure to Agree	289
E. Auditing the Licensor (§§ 9.13, 16.Q; Form Q.2.E).....	290
1. General.....	291
2. Types of Audits	293
3. Responding to an Audit Request.....	299
4. Disputes	300
5. <i>PRACTICE POINT</i> : Checklist for drafting an audit provision.....	300
F. Business Continuity and Disaster Recovery (§ 35).....	301
1. Business Continuity	301
2. Disaster Recovery	301
3. <i>PRACTICE POINT</i> : Checklist for drafting disaster recovery and business continuity plans	303
G. Future Development/Roadmaps (§ 16K)	303
H. Training and Documentation (§§ 11, 13.1)	304
1. Training (§ 11)	304
2. Documentation (§ 13.1)	304
I. Transition/Continuing Services (§ 42.2)	305
J. Benchmarking (§ 8.B).....	305
K. Antitrust and Copyright Misuse Issues (§ 3.6).....	307
1. Antitrust Issues	307
2. Copyright Misuse Issues.....	309
3. Digital Millennium Copyright Act—Computer Maintenance Competition Assurance Act.....	311
L. Export/Import Issues (§ 43).....	312
1. General.....	312
2. Definitions.....	312
3. Export of Software and Technology.....	313

4. Cloud Computing.....	314
5. Deemed Exports	314
6. Contractual Considerations (§ 45).....	315
7. Customs	315
8. <i>PRACTICE POINT</i> : Checklist for obtaining export approval	315
M. Bonds, Parent Guarantees, and Letters of Credit (§§ 8.H, Exhibit 8H, 34)	317
1. Bonds (§ 34)	317
2. Parent Guarantees (§ 8.H, Exhibit 8H, Signature Line) (Form O.1, Q.2.LL.39)	317
3. Letters of Credit (Form Q.2.LL.36)	318
N. Most Favored Customer (§ 8.A)	318
1. Overview.....	318
2. <i>PRACTICE POINT</i> : Checklist for drafting and reviewing most favored customer provisions	320
O. Work for Competitors/Exclusivity (§ 9.12).....	321
P. Good-Faith Efforts, Best Efforts, and Commercially Reasonable Efforts	322
1. General.....	322
2. Good Faith	322
3. Best Efforts.....	323
4. Commercially Reasonable Efforts	324
Q. Time Is of the Essence.....	325
R. Consent Will Not Be Unreasonably Withheld.....	326
S. Third-Party Materials.....	326
T. Third-Party Access.....	327
1. General.....	327
2. Considering Requests for Third Part Access.....	328
3. <i>PRACTICE POINT</i> : Checklist for considering third party access	329
U. Subcontractor Approval.....	329
V. Non-disparagement Clauses	329
W. Non-solicitation Clauses	330
X. Off-Shore Work.....	330
Chapter 8: Types of Licenses	331
A. End-User Licenses	331
1. Development Licenses	331
2. Beta Licenses	332
3. Demonstration Licenses	334
4. Evaluation/Pilot Licenses	336
5. Production Licenses	338
6. Sandbox Licenses.....	338
B. Specialized Licenses.....	339
1. System Integration Licenses.....	339
2. Sublicenses.....	339
3. Outsourcing Licenses	339

Chapter 9: Mobile Applications

- A. General..... 341
- B. Mobile Application Development Agreements341
 - 1. Native Apps vs Web Apps..... 341
 - 2. The Development Agreement 341
 - 3. Third Party Software and Materials 343
 - 4. End User Agreements 344
 - 5. Confidentiality for Mobile Applications.....345
- C. *PRACTICE POINT*: Checklist for mobile application development agreements..... 345

Chapter 10: Free and Open-Source Software.....347

- A. Overview..... 347
 - 1. Open-Source Commercial Models 348
 - 2. Static vs. Dynamic Linking 349
 - 3. Open-Source Tools..... 349
 - 4. The Right of Attribution 350
- B. Free vs. Open-Source Software 350
- C. Costs Associated with Using Open-Source Software..... 351
- D. Advantages and Risks of Using Open-Source Software..... 352
 - 1. Advantages 352
 - 2. Risks 352
 - 3. Legal Concerns 355
- E. Open-Source License Types 357
 - 1. Permissive Licenses (“Nonviral” Licenses) 358
 - 2. Nonpermissive Licenses (“Viral” Licenses)..... 358
- F. Negotiating Licenses for Software That Incorporates Open-Source Software..... 360
 - 1. Incoming Licenses..... 361
 - 2. Outgoing Licenses 363
- G. Quantifying the Risk 364
 - 1. Establishing an Open-Source Review Board/Compliance Program for Software Development..... 365
 - 2. Evaluating the Risks of Using Open-Source Software 365
 - 3. Open-Source Software Audits 366
- H. Legal Challenges 367
 - 1. Contract-Based Claims..... 367
 - 2. Copyright-Based Claims..... 368
- I. Licenses Masquerading as Open Source Licenses..... 368
- J. Managing Open-Source..... 369
- K. *PRACTICE POINT*: Open-source best practices..... 370

Chapter 11: Shrink-Wrap, Click-Wrap, Browse-Wrap, Scroll-Wrap and Sign-in

- Wrap Licenses.....373**
- A. Shrink-Wrap Licenses 373

B. Click-Wrap Licenses.....	374
C. Browse-Wrap Licenses.....	376
D. Scroll-Wrap Licenses.....	377
E. Sign-in Wrap Licenses	377
F. <i>PRACTICE POINT</i> : Checklist for the enforceability of online agreements	377
Chapter 12: Service-Level Agreements (SLAs) (§ 3.B)	379
A. Overview.....	379
B. Law of Small Numbers.....	380
C. Negotiating Service-Level Agreements.....	381
1. Overview.....	381
2. Conditions Precedent.....	382
3. Calculating Availability.....	382
4. Reporting.....	384
5. Remedy: Credits vs. Cash Payments vs. Termination.....	385
6. Exclusive Remedy	385
7. Termination Rights.....	386
8. Model Language	386
D. Application to Limitation of Liability	387
E. Service Levels vs. Performance Warranties	388
F. <i>PRACTICE POINT</i> : Checklist for drafting service level agreements.....	388
Chapter 13: Statements of Work (SOW)	391
A. Drafting the SOW	391
B. Principal Terms.....	392
1. Products and Services.....	392
2. Ownership of Deliverables	393
3. Delivery Timelines	393
4. Pricing, Milestones and Payment.....	393
5. Duration and Termination Rights.....	393
6. Customer Acceptance and Acceptance Testing.....	394
C. Resolving Conflicts between the Master Agreement and SOW	394
D. <i>PRACTICE POINT</i> : SOW checklist	394
Chapter 14: Cloud Computing and Hosting	397
A. Cloud Computing.....	398
1. Overview of Cloud Computing.....	398
2. Licensing from the Perspective of a Third-Party Proprietary Software Vendor	404
3. Licensing from the Cloud Provider’s Perspective.....	405
4. SaaS Contract Terms	408
5. SaaS Escrow vs. Business Continuity Services.....	436
B. Hosting.....	441
1. Overview.....	441
2. Dedicated vs. Shared Hosting	442
3. The Benefits and Drawbacks of Hosting.....	443

4.	Issues for Consideration in Hosting Agreements	444
5.	Licensing Models.....	445
6.	Licensing and Contracting Concerns in a Hosted Environment.....	446
C.	<i>PRACTICE POINT</i> : Checklist of issues to consider when switching from an on-premise solution to a cloud-based solution	452
Chapter 15:	Applicability of the Uniform Commercial Code (UCC) and the Principles of Law of Software Contracts	455
A.	Article 2 of the Uniform Commercial Code.....	455
B.	The Uniform Computer Information Transactions Act (UCITA)	457
1.	History of Attempts to Apply UCC Article 2 to Software Licensing	457
2.	Present Status of UCITA.....	458
3.	Significant Provisions of UCITA (2002 Version)	464
4.	Rejection of UCITA (Bomb Shelters)	465
C.	Principles of the Law of Software Contracts	467
Chapter 16:	Software Development Agreements.....	467
A.	Waterfall vs. Agile Development Methodologies	467
1.	Agile	467
2.	Waterfall	469
3.	The Development Process	471
B.	Issues to Be Considered in the Development Process	473
1.	Pricing.....	473
2.	Payment	474
3.	Scope of Work	474
4.	Customer Dependencies.....	475
5.	Vendor Staffing	475
6.	Milestones and Timelines (§§ 8.2, 8.3).....	477
7.	Reporting.....	477
8.	Acceptance.....	478
9.	Third Party Materials	478
C.	Development Risks	478
D.	Ownership of Developed Intellectual Property	479
1.	Factors Influencing Intellectual Property Ownership of Developed Software.....	480
2.	Ownership Options.....	481
3.	Alternative Ownership Options	483
E.	Customization vs. Configuration.....	488
F.	Funding Options.....	488
G.	Cloud.....	489
H.	Starting Work before Contract Signature	489
I.	<i>PRACTICE POINT</i> : Checklist for drafting software development agreements	489
Chapter 17:	Services Agreements	493
A.	Professional Services Agreements	493

1. Services and Deliverables (§3).....	493
2. Warranties (§6).....	494
3. Remedies (§§6.1, 8).....	494
4. Customer Dependencies (§2.12 (iii)).....	494
5. Key Personnel (§4.2).....	495
6. Staffing Changes.....	496
7. Acceptance (§5).....	497
8. Statements of Work (SOWs) (§8).....	497
9. Term and Termination (§8).....	497
10. <i>PRACTICE POINT</i> : Checklist for acceptance provisions in services agreements.....	497
B. System Integration Agreements.....	498
1. The customer contracts with the vendor directly to purchase a vendor's products, and the system integrator operates solely as the system integrator.....	498
2. The system integrator integrates its products with third-party products, assuming full responsibility for the third-party vendor's products.....	498
3. The system integrator resells the vendor's products to the customer....	499
4. <i>PRACTICE POINT</i> : Checklist for drafting a systems integration agreements.....	499
C. Staff Augmentation Agreements.....	503
D. Subcontract Agreements.....	503
1. General.....	503
2. Flow Down Provisions.....	504
3. Data Privacy Provisions.....	505
E. Support Agreements.....	505
F. <i>PRACTICE POINT</i> : Checklist for drafting professional services agreements.....	506
Chapter 18: Software Development Kit (SDK) Licenses and Application Program Interface (API) Licenses.....	509
A. Software Development Kit Licenses.....	509
1. General.....	509
2. <i>PRACTICE POINT</i> : Checklist for drafting an SDK license.....	510
B. Application Program Interface (API) Licenses.....	510
1. Overview.....	510
2. Negotiating an API License.....	511
3. APIs in the European Union.....	512
C. <i>Oracle America, Inc. vs. Google, Inc.</i>	512
Chapter 19: Tools.....	515
A. General.....	515
B. Types of Tools.....	516
C. Ownership of Tools.....	516

Chapter 20: Distribution Agreements: Reseller, Value Added Reseller, Original Equipment Manufacturer, and Referral Agreements.....	519
A. Common Elements.....	519
1. Territory.....	519
2. Scope of the License Grant.....	519
3. Term, Termination and Renewal.....	520
4. Effect of Termination	521
5. Pricing and Fee Structure	522
6. Reporting.....	524
7. Audit.....	524
8. End User License Agreements (EULAs)	525
9. Breach of the EULA	525
10. Sales and Marketing Requirements.....	526
11. Intellectual Property Use and Ownership	526
12. Third Party Beneficiaries	527
13. End User Terms	527
14. Indemnification	527
15. Potential Risks and Concerns	528
B. Reseller Agreements.....	529
1. Overview.....	529
2. Reseller Licenses	530
C. Value-Added Reseller (VARs) Agreements.....	531
1. Overview.....	531
2. Value-Added Reseller Licenses.....	532
D. Original Equipment Manufacturer (OEMs) Agreements.....	532
1. Overview.....	532
2. Original Equipment Manufacturer License	533
E. Referral Agreements.....	534
F. <i>PRACTICE POINT</i> : Checklist for Reseller and OEM agreements.....	536
Chapter 21: Maintenance and Support (Forms J.1, J.2, and J.3)/ (§§ 11, 16K)	539
A. Nomenclature.....	539
1. Maintenance vs. Support	539
2. Upgrades, Releases, Updates, Enhancements, and Modifications	540
3. Numbering Protocol	540
B. Maintenance vs. New Versions	541
C. Maintenance	541
1. Principal Terms.....	542
2. Exclusions to Maintenance Obligations (§5).....	547
3. Pricing and Payment (§ 7).....	548
D. Independent Service Organizations (ISOs)	549
E. <i>PRACTICE POINT</i> : Checklist for reviewing maintenance and support agreements	550

Chapter 22: Data Privacy, Data Security, Data Use and Ownership	551
A. Data Privacy	551
1. Overview	551
2. Use of a Data Privacy Addendum (DPA)	552
3. <i>PRACTICE POINT</i> : Checklist for drafting Data Privacy Addendums... ..	552
B. Data Security	553
1. Identification and Evaluation of the Underlying Risks.....	553
2. Mitigating the Risk.....	555
3. Damages.....	563
4. Limitation of Liability.....	564
5. Responding to a Data/Security Breach.....	568
6. Insurance	570
C. Data Ownership and Use	571
1. Anonymized vs. De-Identified Data	571
2. Data Ownership.....	571
3. Data Output and Reports	572
D. <i>PRACTICE POINT</i> : Best practices for vendor data security	573
Chapter 23: Auditing the Licensee - Software Use Audits.....	575
A. Overview.....	575
1. Use of Software Auditing Tools	576
2. Third Party Auditing Tools.....	578
B. Elements of an Audit Clause	578
1. Purpose of the Audit	579
2. Audit Methodology	579
3. Notice	581
4. Logistics of the Audit	581
5. Cost.....	581
6. Auditors	582
7. Compliance with Customer Policies.....	582
8. Compliance with Laws.....	582
9. Confidentiality/Use of Audit Results	582
10. Additional License Fees, Penalties and Interest.....	582
11. Superseding Provisions.....	583
12. Resolution of Any Underpayment	583
C. Preparing for the (Eventual) Audit Request.....	584
1. Implement a Comprehensive Software Procurement and Use Policy... ..	584
2. Conduct Regular Self-Audits	584
3. Create a Protocol for Responding to an Audit Request.....	585
D. Responding to an Audit Request	585
E. <i>PRACTICE POINT</i> : Checklist for responding to an audit request	586
Chapter 24: Escrow Agreements	589
A. Release Events	589
1. General	589

2. In the Event of Bankruptcy	591
3. Impact of a Release Event	592
B. Use of Third-Party Escrow Agents	592
1. General.....	592
2. Verification of Escrowed Materials	593
3. Materials to Be Escrowed	595
4. Escrow Fees	596
C. Use of Escrowed Materials.....	597
D. Third-Party Software.....	598
E. Practical Nature of Software Escrow	599
F. <i>PRACTICE POINT</i> : Checklist for drafting an escrow agreement.....	600
Chapter 25: Confidentiality Provisions and Trade Secret Protection	601
A. Proprietary Information Clauses and Agreements (§ 12).....	602
1. General.....	602
2. Principal Provisions of a Nondisclosure Agreement	606
