1.0 General Information

1.1 Issuing Department. The ABA Production Services department has issued this RFP on behalf of the American Bar Association. The sole point of contact in the ABA for this RFP shall be Marisa L’Heureux at marisa.lheureux@americanbar.org, the Issuing employee for this RFP. Please refer all inquiries to the Issuing employee.

1.2 Type of Contract. The contract needs to comply with the ABA Contract Policy and will be reviewed by the ABA's General Counsel's Office. ABA entities do not have separate legal standing to enter into oral or written contracts in their own names. All contracts are entered into on behalf of the American Bar Association. The Issuing Department, in its sole discretion, may undertake negotiations with Suppliers whose proposal, in the judgment of the Issuing department, show them to be qualified, responsible and capable of performing the project or providing the goods.

1.3 Incurring Costs. The ABA is not liable for any costs the Supplier incurs in preparation and submission of its proposal, in participating in the RFP process or in anticipation of the award of the contract.

1.4 Proposals. To be considered, Suppliers should submit a complete response to this RFP, using the format provided in Section 2.0. For this RFP, the proposal must remain valid for 120 days taking into consideration time required for evaluation of proposals and processing of the contract or until a contract is fully executed. If the Issuing employee selects the Supplier’s proposal for award, the contents of the selected Supplier’s proposal will become, except to the extent the contents are changed through Best and Final Offers or negotiations, contractual obligations.

1.5 Prime Contractor Responsibilities. The contract will require the selected Supplier to assume responsibility for all services offered in its proposal whether it produces them itself or by subcontract. All subcontract work must be disclosed to the Issuing employee and the Issuing
employee will consider the selected Supplier to be the sole point of contact with regard to contractual matters.

1.6 Terms of the Contract. The contract is not considered approved until the terms have been reviewed and approved by the Office of General Counsel. An “American Bar Association Office of General Counsel” approval seal will appear on the contract with the signature of the attorney approving the terms of the contract.

1.7 Use of Electronic Versions of this RFP. This RFP is being made available by electronic means. If a Supplier electronically accepts the RFP, the Supplier acknowledges and accepts full responsibility to ensure that no changes are made to the RFP. In the event of a conflict between a version of the RFP in the Supplier’s possession and the Issuing department’s version of the RFP, the Issuing department’s version shall govern.

1.8 Questions and Answers. If any Supplier has any questions regarding this RFP, the Supplier must submit the questions by email to the Issuing employee named in Section 1.1 of this RFP. Questions must be submitted no later than the date indicated on the Bid Timetable [submit to marisa.lheureux@americanbar.org by April 12, 2019]. The Supplier should not attempt to contact the Issuing employee by any other means. The Issuing employee will send answers to any and all submitted questions to each of the Suppliers involved in the bid.
