Nomination and Election of Officers and Council Members

Section 1. At a time not later than the close of the Section's Fall Meeting, the Chair, after

shall not be a former officer or Council member of the Section, and the Chair shall promptly
thereafter announce the names and addresses of the members of the Committee in the
Administrative Law News, or by other publication to Section members. The Chair may appoint a
member to fill any vacancy that may arise thereafter in the Nominating Committee. The
Nominating Committee shall make and report one nomination for each position which is to be
filled by election at the annual meeting as provided in Article III of these Bylaws. The report
shall identify each nominee and shall include a brief statement of the nominee's activities in the
Section and in the law profession generally. The Committee shall submit its report to the Chair of
the Section who shall cause it to be published in the Administrative Law News, or otherwise
published to Section members, prior to the annual meeting, not later than 50 days prior to the
Opening Assembly of the Annual Meeting. The Nominating Committee shall supplement its
published report and action by making one nomination for each unanticipated vacancy, if any,
that may arise prior to the beginning of the annual meeting of the Section.

One or more additional nominations may be made for any position by petition signed by
not less than 50 members of the Section who are respectively accredited from at least three states.
The petition shall state that the member nominated has agreed to the nomination. The petition
shall be sent to the Chair of the Section and must be received not less than 30 days prior to the
Opening Assembly at the Annual Meeting. Any nomination made by petition shall be made
known immediately to the Nominating Committee, the other nominees, and the Council and
otherwise appropriately publicized.

The Chair of the Nominating Committee shall announce the committee's nominees at a
session of the annual meeting of the Section, and the Chair of the Section shall thereupon

member voting for Council nominees must vote for as many different nominees as there are
vacancies; failure to do so will invalidate such member's ballot with respect to the Council nominees. Those nominees receiving the highest number of votes shall be elected, to the extent required to fill all vacancies on the Council.

ARTICLE VI

Duties and Powers of the Council; Meetings

Section 1. The Council shall have general supervision and control of the affairs of the Section, subject to the provisions of the Constitution and Bylaws of the Association and the Bylaws of this Section. Between meetings of the Section, the Council shall have full authority to act for the Section in any way in which the Section itself would be authorized to act, and any action taken by the Council pursuant to this provision shall be reported to the members of the Section at or before the next annual meeting of the Section.

Section 2. The Council may authorize the Chair to create or terminate committees (other than those expressed provided for in these Bylaws) and task forces comprised of Section members and others to perform such duties and exercise such powers as the Council may direct, subject to the limitations of these Bylaws and the Bylaws of the Association.

There shall be an Executive Committee, consisting of the Officers and Last Retiring Chair, to exercise between meetings of the Council such functions and duties as the Council may assign to such Committee. Said Executive Committee, with such additional members as may be appointed by the Chair of the Section, shall constitute the Budget Committee whose sole responsibility shall be to assist the Budget Officer with the preparation of the annual budget of the Section as provided hereafter in Section 9 of this Article.

There shall also be four other standing committees of the Section as follows:

1. Membership and Communication: to develop, revise as necessary, and oversee the implementation of a program to retain and expand membership in the Section though focus on the values and benefits of Section membership. Said program shall contain, among other things, a detailed communication plan to include, as necessary, the production of brochures, the creation of e-mail campaigns, the use of internet social networking services, the utilization of the Section and Section committee web pages (including blogs and discussion boards), and such other means of reaching new potential members and insuring that existing and potential members are aware of Section benefits and can provide feedback on their degree of satisfaction with Section membership and services.

2. Continuing Legal Education and Skills Programming: to develop and oversee the implementation of an annual program to provide continuing legal education and skills development for Section members, government agencies and their employees, private attorneys, and others, said program to involve co-sponsorship, where authorized and
appropriate, of CLE and skills programs of other Association entities and non-AssOCIation entities. The committee shall regularly communicate with the Section’s Publications Committee in order to insure that each committee can develop appropriate initiatives based on the work of the other.

3. Publications: to implement the Section’s book publishing program as authorized by the Council. That program shall be conducted so as to insure the production of high-quality publications that enhance the understanding of administrative and regulatory law and contribute to the Section’s reputation as an important source of expertise in administrative and regulatory law and so as to generate income for the Section. The committee shall create and continuously update a strategic publications plan that will achieve these objectives.

4. Fundraising: to develop non-dues sources of funding for the Section and its programs from private firms, companies, foundations, government agencies, and other entities as well as individuals. Said sources may represent one-time opportunities for funding or, to the extent possible, provide support for several years or more of Section activities.

5. Diversity and Inclusion: to work closely with the section officers and Membership and Communication Committee to pursue the objectives of ABA Goal III. The primary objective of the committee is to promote full and equal participation in the section by all persons. The committee will assist with the implementation of the section’s Diversity Plan and recommend improvements. The section chair will appoint the chair of the committee, who shall be designated as the “Diversity Officer” of the section.

The number of members and term of office of members for each of said four standing committees shall be based on, respectively, the expected workload of the particular committee and the need for continuity of membership in effectively carrying out the functions of the committee. Terms of office of members of said committees shall be staggered.

Section 3. Between Annual Meetings of the Section, the Council may fill vacancies in its own membership or in the offices of Vice-Chair, Secretary, Budget Officer, or Section Delegate and, in the event of a concurrent vacancy in the offices of Chair, Chair-Elect and Vice-Chair, then in the office of Chair. The Council may fill the vacancy in the office of Vice-Chair only if such vacancy occurs before the midyear meeting of the Section. Members of the Council and officers so selected shall serve until the close of the next Annual Meeting of the Section, except in the case of a Section Delegate who shall serve for the remainder of the term.

Section 4. Action of the Council at its meetings shall be by a majority vote of those members present in person including those participating via telephone, videoconference, or other electronic means if (a) the Chair has convened the meeting as one conducted by electronic means, or if the meeting is a regularly quarterly meeting, then (b) when a member is authorized to participate by telephone or other electronic means by the provisions of subsection 7. A quorum consisting of a majority of the Council members shall be required to conduct its business, except that Ex Officio members shall not be considered Council members for purposes of determining the existence of a quorum unless they are participating in the meeting. There shall be neither absentee nor proxy voting. The Chair shall have a vote on matters that come before the Council.

Section 5 When to wait for the next regular meeting of the Council would preclude the
Section from acting upon any proposition upon which the Council may be authorized to act, the Executive Committee may, by majority vote of its members, authorize the action on behalf of the Section so long as all members of the Council, including those who are not members of the Executive Committee, are afforded by email or other effective communication an opportunity to vote a negative on any such action after the vote of the Executive Committee. That opportunity shall be offered Council members for at least 7 calendar days following the vote by the Executive Committee, unless the Executive Committee determines that exigent circumstances require a shorter period. Any notice triggering this procedure shall clearly identify that it is a notice under this section of the bylaws. If negative votes are not cast by a majority of all members of the entire Council, the action may be taken. If the action consists of the submission of written views, no submission shall be made that contains a material change from what was presented to the members of the Council. Any action taken under this section shall be reported to the Council at its next meeting.

Section 6. The Council shall hold four regular meetings each year, the first to be held following the Annual Meeting of the Section but before the Midyear Meeting of the House of Delegates, the second to be held near the time of or in connection with the Midyear Meeting of the House of Delegates, the third to be held thereafter but prior to the Annual Meeting of the Section, and fourth to be held immediately prior to the Annual Meeting of the Section itself. Special meetings of the Council may be called by the Chair upon prior reasonable notice and with prior approval of a majority of the Council, and shall be so called upon written (including e-mail) request by a majority of the Council. Such special meetings may, in appropriate cases, take place via conference call.

Section 7. Members of the Council are required to attend the four regular quarterly meetings of the Council in person. However, if extraordinary circumstances interfere with a Council member’s ability to attend in person, with permission from the Section Chair each Council member is authorized one time per year to participate by telephone, videoconference, or other electronic means, and such participation shall be deemed the same as attendance in person. However, if any elected officer or elected member of the Council shall fail to attend two regular meetings of the Council in person (or by telephone, videoconference or other electronic means when authorized to do so once annually) during one year, the office held by such member may be deemed vacated, and the vacancy may be filled as provided in these By-Laws.

Section 8. At such times as may be determined by the Conference of Section Chairs, the Council is authorized to submit a nomination for Section member-at-large of the Board of Governors. The selection of the nominee shall be made by the Council in accordance with Article VI, Section 4.

Section 9. No later than the Spring Meeting of the Council each year, the Budget Committee shall propose a Section budget for the upcoming fiscal year (which shall begin October 1 of each year). The Council shall, by majority vote, adopt a budget for the Section for the upcoming fiscal year no later than the end of its meeting that occurs in conjunction with the Annual Meeting of the Association. Thereafter, the Chair of the Section may submit to the Council for its approval any proposed discrete expenditure in excess of $1,000 or, in the alternative, the Council may, by majority vote, require that one or more proposed specific expenditures in excess of $1,000 be submitted to it for its approval.

Section 10. All bills incurred by the Section, before being forwarded to the Association
for payment, shall be approved by the Chair or the Chair's delegate. All funds of the Section must be expended consistent with the decisions and directions of the Council.

**ARTICLE VII**

Section 1. The Annual Meeting of the Section shall be held during the Annual Meeting of the Association, in the same city or place as the Annual Meeting of the Association, with such program and order of business as may be arranged by the Council and Chair.

Section 2. Special meetings of the Section may be called by the Chair upon approval of the Council, at such time and place as the Council may determine.

Section 3. The members of the Section present at any meeting shall constitute a quorum for the transaction of business.

Section 4. All binding action of the Section shall be by a majority vote of the members present.

Section 5. The Council may direct that a matter be submitted to the members of the Section for vote by ordinary or electronic mail. In that event, binding action of the Section shall be by a majority of the votes received from members in accordance with rules fixed by the Council.

**ARTICLE VIII**

*Miscellaneous Provisions*

Section 1. The fiscal year of the Section shall be the same as that of the Association.

Section 2. No salary or compensation shall be paid to any officer, Council member, or other member of the Section.

Section 3. Any action approved or proposed by a committee or task force of the Section must be approved by the Section or the Council, as appropriate, before it becomes effective as the action of the Section, unless that committee or task force action is otherwise authorized pursuant to an existing resolution of the Section or Council or by these Bylaws. Any action by the Section must be approved by the Association before it becomes effective as the action of the Association. Any resolution adopted or action taken by this Section may on request of the Section be reported by the Chair of the Section to the Annual or the Midyear Meeting of the Association for the Association's action thereon.

Section 4. These Bylaws shall become effective upon approval by both the Section and the Board of Governors of the Association.

**ARTICLE IX**
Amendments

These Bylaws may be amended at any Annual Meeting of the Section by a majority vote of the members of the Section present and voting, provided the proposed amendment shall first have been approved by the Council and provided, further, that no amendment so adopted shall become effective until approved by the Board of Governors of the Association.
