Re: "Broadband Connectivity Competition Policy Workshop – Comment, Project No. V070000"

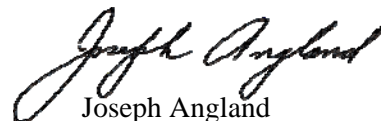

Ladies and Gentlemen:

On behalf of the American Bar Association Section of Antitrust Law, I am pleased to submit the enclosed comments to the Federal Trade Commission in response to its request for comments regarding issues related to broadband Internet access, including "net neutrality."

Please note that these views are being presented only on behalf of the Section of Antitrust Law. They have not been approved by the House of Delegates or the Board of Governors of the American Bar Association and should not be construed as representing the position of the American Bar Association.

If you have any questions after reviewing this report, I would be happy to provide further comments.

Sincerely,

Joseph Angland
