COMMITEE MEETINGS

Business Law Section committees are global networks of business law professionals sharing and producing resources, content, and initiatives. Many of the Section’s committees and subcommittees will discuss developments in their practice areas during their meetings. Learn more about each committee via the links below to find a committee that matches your interests!

THURSDAY, SEPTEMBER 12, 2019

8:00 AM - 9:00 AM  COMMERCIAL FINANCE
To provide cutting-edge, practical knowledge and guidance for commercial finance, real estate finance, and restructuring lawyers, to focus on new developments and industry practices in commercial finance, real estate finance, and restructurings, and to facilitate the development and evolution of commercial finance, real estate finance, and restructuring laws.

9:00 AM - 10:30 AM  CYBERSPACE LAW
To provide a forum for the analysis of corporate, transactional and regulatory issues related to the internet and digital technologies.

9:00 AM - 11:00 AM  PRIVATE EQUITY AND VENTURE CAPITAL
To leverage its diverse, active and experienced U.S. and international membership, and relationships with other Business Law Section Committees, to provide a unique and highly educational forum for private equity and venture capital practitioners of all experience levels to exchange views and information on current and emerging legal and practical issues, trends and developments and practice considerations of specific interest or relevance to private equity and venture capital funds, and their investment transactions, portfolio companies and investors.

9:00 AM - 9:00 AM  UNIFORM COMMERCIAL CODE
To provide timely information and training to its members and the wider bar about recent developments in commercial law, commercial transactions and commercial practices covered directly by the UCC (e.g., sales and leases of goods, payments, letters of credit, documents of title, investment securities and secured transactions) as well as those covered tangentially (e.g., bankruptcy, law relating to LLCs and other unincorporated entities, law of guaranty and international commercial transactions).

9:30 AM - 10:30 AM  DISPUTE RESOLUTION
To aid business lawyers in understanding and using alternative dispute resolution processes. The goals of the Committee are to focus on education for Section members; to encourage interaction between corporate legal departments and private law firms in the development of dispute resolution options relevant to the business needs of clients; and to foster continuing liaison and collaborative efforts with other Sections and other committees within the Business Law Section.
10:00 AM-11:30 AM **INTERNATIONAL BUSINESS LAW**

To provide practical and timely advice and expertise to business lawyers from all over the world, primarily in private practice and in-house, with respect to cross border transactions and other transnational commercial and financial activities. The Committee also affords its members opportunities to network and work together with lawyers from diverse cultures and legal systems.

10:00 AM-11:30 AM **PROFESSIONAL RESPONSIBILITY**

To inform Section members about developments in, and to work to improve, the law governing lawyers, including rules of professional responsibility and conduct, as applicable to domestic or transnational business law practice.

10:00 AM-12:00 PM **LLCS, PARTNERSHIPS AND UNINCORPORATED ENTITIES**

To be the principal Business Law Section committee dealing with unincorporated business organizations. Through its activities, the Committee strives to afford its membership practical information on unincorporated business entities from both the narrow and the broad perspective. Narrowly, we spend significant time analyzing and comparing various forms of business entity laws, including being the author of the Revised Prototype LLC Act, and being active in the drafting of various unincorporated business entity uniform acts. We also support our membership through the drafting and release of numerous annotated transaction documents. Broadly, the Committee devotes its energies considering the interrelationship of unincorporated business entity law with numerous other areas of law in which there is interface including bankruptcy, federal and state tax, litigation, and the application of the Uniform Commercial Code.

10:30 AM-11:30 AM **BUSINESS CRIME AND INVESTIGATIONS**

To educate and be a resource for practitioners on those aspects of white-collar criminal law that impact businesses and executives and to review and analyze the government's efforts to regulate business conduct via criminal investigations and prosecutions.

To assist in-house counsel and compliance professionals in developing, implementing, reviewing and evolving effective organizational compliance programs.

10:30 AM-12:00 PM **CORPORATE GOVERNANCE**

To promote and support effective corporate governance, domestically and internationally, for business and nonprofit enterprises by developing resources and providing thought leadership; creating networking opportunities; and facilitating a forum for the exchange of legal and practical information and insights on emerging governance and governance-related policy issues for the benefit of attorneys, including both outside and in-house counsel, and other governance professionals.

11:30 AM-11:30 AM **ENVIRONMENTAL**

To assist business lawyers to better understand the complexities of environmental law and to work with them to develop practical, effective, and innovative solutions to environmental issues.
1:00 PM-2:00 PM **ENERGY BUSINESS**
to inform members of developing energy business issues impacting upstream, midstream, and downstream fossil fuels and renewable energy, including issues arising in all phases of the development, operation and financing of energy businesses.

1:00 PM-2:30 PM **SPORTS LAW**
to be a unique forum for the analysis of all aspects of sports law and to provide cutting-edge information on the nowadays daily interaction of the world of sport with business law, business transactions and litigation matters. The Sports Law committee shall assist business lawyers in better understanding the complexities of modern sports law, looking at the national and the international sports law environment. The Committee will identify topics of interest among several areas of sports law, from anti-doping issues to sponsoring matters, from athletes matters to clubs-related issues, from sports dispute resolution to franchise matters, from IP issues to governance developments, and many others. The Committee is therefore open to all Section members.

2:00 PM-2:30 PM **BANKING LAW**
to act as principal Business Law Section Committee dealing with laws relating to financial services activities conducted through banks, regulated non-bank financial institutions, and third-parties engaging with bank and non-bank financial institutions as service providers, partners, and in other key capacities.

4:00 PM-5:00 PM **BUSINESS LAW EDUCATION**
to facilitate the development of business law education at all levels. The Committee's focus includes the business school, law school, and other lawyer training contexts. The Committee seeks to encourage collaboration among practitioners, educators, and students from these different venues, particularly through joint programs with the substantive law committees.
