(c)(1) A public entity exercising control of a memorial may petition the commission for a waiver of subdivision (b)(1).

(2) The petition for waiver shall be in writing and shall state the basis upon which the waiver is sought. The petition shall be supported by one (1) or more reports showing that there is a material or substantial need for a waiver based on historical or other compelling public interest. The petition shall also identify by name and address any private entities, groups, or individuals, including, but not limited to, descendants, that may have an interest in receiving notice of the petition. The petition for waiver shall be filed with the commission with proof of public notice as required by subdivision (c)(3).

The notice shall state the basis on which the waiver is sought and shall provide that a copy of the petition and all supporting reports will be provided to any interested party at no cost upon written request submitted to the public entity filing or intending to file the petition for waiver.

(4) An initial hearing before the commission on a petition for waiver shall be scheduled at any regular commission meeting no sooner than sixty (60) calendar days after a petition is filed. At the initial hearing, the commission shall determine which interested entities, groups, or individuals should be given written notice by the public entity, including copies of the petition and supporting reports. The public entity may be directed to provide supplemental notice by publication if deemed necessary by the commission. If an amendment to the petition is filed, the public entity shall provide supplemental notice. (5) A final hearing before the commission on a petition for waiver shall be scheduled at any regular commission meeting no sooner than one hundred eighty (180) calendar days after a petition is filed; provided, that if an amendment to the petition is filed, then no final hearing shall be scheduled until at least one hundred eighty (180) calendar days have elapsed from the date of the filing of the amendment.

An interested entity, group, or individual may file a memorandum, report, study, letter, or other document related to the petition for consideration by the commission prior to the final hearing on the petition. Upon providing written notice at least three (3) business days prior to a final hearing, an interested entity, group, or individual shall be allowed an opportunity to present relevant testimony or evidence at the final hearing on a petition.

(7) All hearings regarding a petition for waiver shall be recorded. Copies of the record and all exhibits shall be available to any interested entity, group, or individual at the cost of the public entity seeking the waiver.

(8)(A) In order for a waiver to be granted, the public entity seeking the waiver shall demonstrate by clear and convincing evidence that a material or substantial need for a waiver based on historical or other compelling public interest exists; provided, that if a memorial is designated as a national historic landmark or listed on the national register of historic places, there shall be a presumption in favor of preservation of the memorial.

(B) At the final hearing, the commission may grant a petition for waiver, in whole or in part, by a two-thirds ($2/3$) vote of the entire membership of the commission by roll call vote. The commission may include reasonable conditions and instructions to ensure that a memorial is preserved and remains publicly accessible to the greatest extent possible. Any petition for waiver that fails to receive a two-thirds ($2/3$) vote shall be denied. Within thirty (30) calendar days from the final hearing, the final determination of the commission shall be reduced to writing and shall state the commission's findings and the grounds on which the relief is granted or denied. The effective date of the determination shall be not less than one hundred twenty (120) calendar days after notice of the commission's determination is posted on the web site of the commission. Copies of the final determination shall be sent to the public entity seeking the waiver and to each interested entity, group, or individual who testified or submitted evidence at the final hearing.

(9) A public entity seeking a waiver or interested entity, group, or individual who testified or submitted evidence at the final hearing who is aggrieved by the final determination of the commission on the petition for a waiver may file a petition for review in the chancery court of Davidson County or, alternatively, in the county in which the memorial is located or, in the case of a memorial that is located in multiple counties, the county in which the memorial is predominantly located. A petition for review shall be filed within sixty (60) calendar days after notice of the commission's determination is posted on the web site of the commission. The court shall conduct a de novo review on the record of the issues. The review shall be conducted without a presumption that the determinations and findings of the commission are correct. Additional evidence may be introduced and considered by the court.

(d) Any person who can demonstrate a real interest in a memorial through aesthetic, architectural, cultural, economic, environmental, or historic injury, or through administrative involvement in the waiver process, has standing to seek injunctive relief in chancery court of Davidson County to enforce this section. To the extent necessary to preserve the status of any memorial prior to a final determination by the commission or the chancery court, the court may issue an injunction to preserve the memorial and any related public property pending a final ruling on any request for injunctive relief. No bond shall be required for any injunction issued.

(e)(1) This section shall apply to any memorial in existence prior to January 1, 1970, and those lawfully created, erected, named, or dedicated on or after January 1, 1970.
(2) This section shall not apply to any memorial located on public property under the control of, or acquired by, the department of transportation which may interfere with the construction, maintenance, or operation of the public transportation system. The department shall strive to ensure that any memorial is preserved to the greatest extent possible.

(3) This section shall not apply to a memorial that has reached the end of its useful life and is approved for demolition by the state building commission in accordance with § 4-15-102; provided, that, prior to any decision to demolish a memorial designated as a national historic landmark or listed on the register of historic places, the historical commission shall make comments to the state building commission in accordance with § 4-11-111.
