Homeless during a national mandated quarantine

@KellyMillerSaga
what homelessness means......

~unhoused.......  
~exposed to all environmental elements.....(cold, heat, rain, snow)  
~exposure to physical violence.....  
~lack of access to sanitation..(shower, toilet)  
~food insecurity.....  
~isolation....  
~segregation....  
~disenfranchisement......
CDC mandates protocol for homeless individuals during coronavirus epidemic

- provide access to sanitation
- to shelter in place without harassment
- shelter without threat of criminalization
- to be provided individual housing to shelter in isolation
what homeless still don’t have access to:

NO RESTROOMS
NO SHOWERS
NO FOOD
NO LAUNDRY
NO RELIABLE TRANSPORTATION
Absence of shelter does NOT diminish human value
