FIREARMS AND DOMESTIC VIOLENCE: AN INTERSECTION THAT CHALLENGES SAFETY AND PRE-SUPPOSITIONS

MONDAY, AUGUST 26, 2019
1:00 PM TO 2:00 PM EDT

Firearm access helps to fuel domestic violence: of all women shot to death by others in the U.S., half were shot by their intimate partners. Take this course to hear more about the different (and best) practices used by government across the country to reduce the incidence of gun violence in domestic violence.
