We have selected DreamCatcher Youth Services as the 2019 ABA Community Service Project. DreamCatcher is an Alameda County based program created by Covenant House California. Since 2000, DreamCatcher has been the only safe landing for homeless and trafficked at-risk youth in Alameda County who are between the ages of 13-18.

1,500-3,000 people ages 13-18 are homeless or unstably housed in Alameda County.

90% of youth who have been through DreamCatcher have moved directly into stable housing, further education or employment.

1/3 of DreamCatcher staff are graduates of the program who returned as adults wanting to give back for all they received.
