Urges all governments that impose capital punishment, and the military, to require that before a court can impose a sentence of death, a jury must unanimously recommend or vote to impose that sentence, and the jury in such cases must also unanimously agree on the existence of any fact that is a prerequisite for eligibility for the death penalty.

Approved

Urges each jurisdiction that imposes capital punishment to promulgate execution protocols in an open and transparent manner and require public review and comment prior to final adoption of any execution protocol, and require disclosure to the public by all relevant agencies of all relevant information regarding execution procedures.

Approved

Urges governments to enact civil protection order statutes that extend protection to minor and adult victims of sexual assault, rape, and stalking, outside of the context of an intimate partner relationship, and without the requirement of any relationship between the parties.

Approved

Urges governments and regulators to amend existing laws and regulations, or to enact new laws or regulations to expand housing protections for victims of domestic and sexual violence.

Approved

Urges authorities to identify and address the special needs of vulnerable populations, including but not limited to individuals with disabilities, children, the frail, the elderly, homeless persons, domestic violence victims, undocumented persons, the impoverished, and persons with language barriers, when planning for and responding to disasters.

| 111B | SECTION OF INDIVIDUAL RIGHTS AND RESPONSIBILITIES | Urges Congress to enact legislation that supports the principles regarding consumer data privacy set forth in the Consumer Privacy Bill of Rights contained in the 2012 White House Report *Consumer Data Privacy In a Networked World*, and urges governments to enact legislation, regulations and practices that are consistent with and supportive of these principles. | Withdrawn |
| 111C | SECTION OF INDIVIDUAL RIGHTS AND RESPONSIBILITIES | The Bar Association of the District of Columbia, Bar Association of San Francisco, Commission on Homelessness and Poverty | Urges governments to continue to enforce and to enact rules or legislation that strengthen consumer protections regarding deceptive or fraudulent loan foreclosure rescue practices | Approved |
| 112 | COALITION ON RACIAL AND ETHNIC JUSTICE SECTION OF INDIVIDUAL RIGHTS AND RESPONSIBILITIES | Urges legislative bodies and governmental agencies to refrain from enacting Stand Your Ground Laws that eliminate the duty to retreat before using force in self-defense in public spaces, or repeal existing Stand Your Ground Laws. | Approved |
Supports government appointed counsel for unaccompanied children in immigration proceedings and urges that immigration courts should not conduct any hearings, including final hearings, involving the taking of pleadings or presentation of evidence before an unaccompanied child has had a meaningful opportunity to consult with counsel about his or her specific legal options.
RESOLUTION

RESOLVED, That the ABA urges federal, state, local, territorial, and tribal governments to enact legislation and regulation that will promote the following components in the provision of care to persons with advanced illness:

1. Finance and payment mechanisms that support access to person-centered care coordination and care management across all care settings, providers, medical conditions, and stages of treatment and support;

2. Advance care planning through counseling, disclosure and meaningful discussion of prognosis, goals of care, personal values, and treatment preferences, including planning for family caregivers’ needs;

3. Access to palliative care, community-based supportive services, and caregiver support to enable persons with advanced illness to remain in the home and community in accord with their preferences and needs;

4. Expanded research to improve care delivery and payment practices that will benefit individuals and families facing advanced illness;

5. A strong health care workforce educated and equipped with the clinical and social skills to serve people with advanced illness and their families and caregivers; and

6. Health information technology that promotes advance care planning and effective information sharing across time, place, and provider.

RESOLUTION

RESOLVED, That the American Bar Association urges all federal, state, territorial, and local legislative bodies and/or governmental agencies to enact comprehensive laws that prohibit, unless otherwise exempted, the private possession, sale, breeding, import, or transfer of dangerous wild animals, such as big cats, bears, wolves, primates, and dangerous reptiles, in order to protect public safety and health, and to ensure the humane treatment and welfare of such animals.

FURTHER RESOLVED, that the American Bar Association urges that such laws should include reasonable exemptions, such as for non-profit wildlife sanctuaries, facilities accredited by the Association of Zoos and Aquariums, and research institutions.

RESOLUTION

RESOLVED, That the American Bar Association urges federal, state, local, territorial and tribal governments to protect the integrity of criminal proceedings, in its truth seeking function, by (1) seeking to hold accountable those who unlawfully intimidate or tamper with victims and prosecution and defense witnesses by any source or means, including the use of social media; and (2) examining practices, procedures, and training, and revising them as needed to assure that victims and witnesses are not improperly intimidated or tampered with by lawyers or law enforcement personnel, and that they receive adequate protection against intimidation and tampering by any person.

DELETIONS STRUCK THROUGH; ADDITIONS UNDERLINED
RESOLUTION

RESOLVED, That the American Bar Association urges federal, state, local, tribal, and territorial, governments to adopt sentencing laws and procedures that both protect public safety and appropriately recognize the mitigating considerations of age and maturity of youthful offenders i.e., those under age 18 i.e., those who have not reached the age of majority at the time of their offense who are subject to adult penalties upon conviction, by enacting sentencing laws and rules of procedure that will:

1. Eliminate life without the possibility of release or parole for youthful offenders both prospectively and retroactively;
2. Provide youthful offenders with meaningful periodic opportunities for release based on demonstrated maturity and rehabilitation beginning at a reasonable point into their incarceration, considering the needs of the victims.

RESOLUTION

RESOLVED, That the American Bar Association urges federal, state, local, tribal and territorial authorities to identify and address the special needs of vulnerable populations, including but not limited to individuals with disabilities, children, the frail, elderly, homeless persons, domestic violence victims, undocumented persons, the impoverished, and persons with language barriers, when planning for and responding to disasters.

FURTHER RESOLVED, That Congress, state legislatures, territorial legislatures, tribal and local authorities should adequately fund departments and entities charged with responding to and assisting disaster survivors to cover the increased and unique needs of and disparate impact upon vulnerable populations in planning for, responding to, and recovering from major disasters.

FURTHER RESOLVED, That lawyers should participate in community-wide disaster planning activities to ensure that plans comply with legal and regulatory requirements applicable to the provision of government services and benefits to all disaster survivors, and to identify and help address gaps in policy, practice, and regulation that disproportionately and adversely affect vulnerable populations in times of major disaster.

DELETIONS STRUCK THROUGH; ADDITIONS UNDERLINED
RESOLUTION

RESOLVED, That the American Bar Association adopts all of the recommendations contained in the Indian Law and Order Commission’s November 2013 Report to the President and Congress of the United States, entitled A Roadmap for Making Native America Safer, ("Commission's Report"), except for the new circuit court provision of Recommendation 1.2;

FURTHER RESOLVED, That the American Bar Association urges Congress to establish a means of creating a consistent, uniform, and predictable body of case law dealing with the civil rights issues and matters of Federal law interpretation arising in Indian country;

FURTHER RESOLVED, That the American Bar Association urges the Administration, Congress, state governments, and tribal governments to promptly implement the recommendations of the Commission’s Report; and

FURTHER RESOLVED, That the American Bar Association, through its appropriate bodies, should work with governmental entities, law schools, bar associations, and legal service providers to promote improvements to criminal justice in Indian country, and help implement and promote the recommendations proposed in the Commission’s Report.
