Americans for Immigrant Justice (AI Justice) and the ABA's Children's Immigration Law Academy (CILA) are looking for Miami based attorneys that are willing to travel to Homestead, Florida to meet directly with unaccompanied immigrant children whom do not have the option to reunify with family. Most of the cases will have to do with asylum, although some children may be eligible for Special Immigrant Juvenile Status (SIJS).

Attorneys must speak Spanish and should be licensed and in good standing in any state.

Interested individuals should contact us at:
