**Subject:** Report of the Nominating Committee

---

In accordance with the Section's Bylaws, the Nominating Committee hereby submits its report of nominations for the 2010-2011 Association year. The members of the Committee met numerous times by telephone and in person to consider a broad range of candidates for possible nomination. The Committee sought candidates who have demonstrated a commitment to and proactive mindset regarding the Section, its activities and its services to members and who reflect the diversity of the Section's membership. In addition, the Committee sought candidates who have the capacity and would be likely to provide the Section with strong leadership for many years.

The Nominating Committee is honored to present a superb slate of leaders. Our nominations for the 2011-2012 Association year follow. The Committee believes that the Section will be well served by these individuals and expresses its appreciation for all the suggestions it received during its deliberations.

Respectfully submitted,
