

Mission Statement: The Section's Leadership Development Program ("LDP") is intended to identify a diverse group of current and potential leaders from all constituencies, to engage and further involve them in the Section, and to give them the tools to move into new or additional leadership positions to promote the Section's goals.

Training for the 2016 LDP will take place on September 25-27, 2016 in Chicago. Attendance at the training is mandatory. If you are unable to attend the 2016 LDP, we look forward to receiving an application from you for participation in a future LDP.
