OPENING STATEMENT
Early on, we decided to call this our Voter Assistance Team (VAT) Project. We carried out this project on short notice, but with high hopes for success.

PERSONNEL
A total staff of 16 persons assisted voters. The three different categories of personnel were Coordinator, VAT Member, and Language Assistant.

Coordinator (1)
The Coordinator made initial or follow-up contact with the voter. She generated a printout of the voter’s registration information; arranged the date and time for the VAT visit; collected voting documents from the returning VAT members; and prepared a summary report two days following the election. At times, she also worked as a VAT member. She was trained to work in other election areas as well, so she was constantly busy.

VAT Members (11)
VAT members were trained to work in other election areas, so they also were constantly busy. We used the following temporary employees:
Rebecca Halverson (also acted as Coordinator)
Julio Arroyo Burdett
Anna Shultz
Justin Bechtolt
Sam Jackson, Jr.
Micha Rahder
Rosemary DeKay
Mercedes Ramirez
Barb Janac
Cindy Van Ortwick
Joyce Jensen
Pam Johnson

Language Assistants (4)
Through a contract Multnomah County has with Andalex International Inc., we provided language assistance in a variety of ways to our voters. After English, the most common languages in Multnomah County are Spanish, Russian, Chinese, and Vietnamese. We provided an in-house team of four language assistants: Julieth Baca (Spanish); Thuy Nguyen (Vietnamese); Ella Smith (Russian); and Samuel Longfellow (Spanish). They were all professional interpreters. None was registered to vote. They were asked to take the same training as the VAT members and the confidentiality and neutrality issues were stressed. Since interpreters work in a variety of ways, including medical settings between patient and doctor, such requests were reasonable and respected. They followed the schedule shown here:

OTHER LANGUAGE ASSISTANCE

We used an electric sign prominently displayed in an Elections Office window and visible to voters as they waited in line outside. The following message was in both English and Spanish and constantly alternated between the two languages. The asterisks were used to separate each statement from the statement that followed.

Welcome to Multnomah County Elections. This line is to update your registration and receive a ballot. All voters in line by 8:00 PM on November 2 will be allowed to vote. ** If you are dropping off your ballot, you do not need to stand in line. See an Elections Line Monitor (wearing an orange vest) for assistance. ** Toilet is available in Perfect Fit parking lot west of Elections building on November 2. ** If you have a disability, ask an Elections Line Monitor for assistance. ** If you need language assistance in voting, tell an Elections Line Monitor now. ** If you have other questions, ask an Elections Line Monitor. **
We prominently displayed the following “IF YOU NEED AN INTERPRETER” in the windows of our Elections Office:
Special laminated Pointer Cards were distributed to the election staff at the counter. The card asked, "Do you need language assistance in voting?" in 12 different languages. A voter with a language difficulty was shown how to point to the preferred language on the card. Then the telephone number was dialed by the election staff. Once all the required dialing and inserting of access numbers was completed by the staff, the receiver was handed to the voter, who spoke directly to the interpreter providing the preferred language assistance. A two sided Pointer Card is shown here.
1. Watch “The Ten Commandments of Communicating with People with Disabilities” and read accompanying hand out. (We required this of the four language assistants, also.)

2. Make a copy of each VAT member’s driver’s license and have the member sign off on the accompanying documentation. (Make sure each license is current.)

3. Driver drives vehicle and is responsible for keeping track of fuel needs. Other team member completes paper-work, if necessary, during trip to voter.

4. Read “how to assist voters with disabilities” brochure. As a group, discuss any questions. Make sure all VAT members receive the same information.

5. Explain use of “Multnomah County VAT Log”. *

6. Explain use of “Affidavit of Elector Requesting/Receiving Assistance” form.

7. Explain use of “Request for Replacement Ballot” form. Voter may destroy first spoiled ballot or VAT member may destroy it in voter’s presence.

8. Ensure the ballot is correctly voted (use pencil or blue or black pen; completely fill the oval; no overvotes; etc.).

9. Provide privacy for the voter.

10. If voter has a service dog, allow for more space in the voting area.

11. Administer “Oath of Office for Vote-By-Mail Temporary Employees”. Make a copy of this oath for employee to show the voter receiving assistance. Keep original on file in office.

12. Stress the need to keep confidential all information received about the voter and how his/her vote was cast. Protect any documents containing the voter’s signature.

13. Stress that the VAT member is not to lead the voter. It is not necessary to vote on every measure/candidate.

14. Explain that if a voter submits a “Signature Stamp Attestation Form”, a new “Voter Registration Card” should be completed using the signature stamp signature.

15. Demonstrate the use of the two-way radio. It must be kept available at all times. Do not carry it in your pocket or purse because you will not be able to hear it if the Elections Office tries to call you.

LESSONS LEARNED

1. For big elections, start sooner and use two Coordinators.
2. Complete one “Intake Form for Voter Requesting Assistance” for each voter, even if it is a husband/wife situation in the same residence. There must be separate documentation for each individual voter.
3. Be prepared for unhappy family members who learn after the fact when a family member has been assisted by the VAT.
4. Assign a staff person to be aware of voters needing curb-side assistance.
5. When lines form outside the Elections Office, have the language assistants go along the line and ask in their language, “Do you need assistance?”
6. Be prepared to contact other counties to assist voters who have moved from Multnomah County. (We sent a VAT, which included a Spanish interpreter, to assist a pregnant voter who had recently moved to Clackamas County. She was due to deliver any day and could not travel to the Clackamas County Elections Office to update her voter registration and she had difficulty understanding what she needed to do. But she did know she wanted to vote. We coordinated the assistance with the Clackamas County Elections Office.)
7. Keep more accurate information on categories of disabilities/special needs served, as well as the descriptions of the care facilities.
8. Contact political parties in advance to arrange for their pick-up of a ballot if the voter with a disability/special needs requests such.
9. For safety and public perception, always send two VAT members, even if it is to deliver replacement materials to the voter.
10. Continue using the “Affidavit of Elector Requesting/Receiving Assistance”. No voter objected to its use and it provides the Elections Office with documentation that service was requested.
11. Voters always preferred the League of Women Voters nonpartisan “Voters’ Guide”. Train the VAT to show both the official “Voters’ Pamphlet” and the “Voters’ Guide” to the voter. Explain that the League of Women Voters “Voters’ Guide” asks the same question of all the major candidates and let the voter chose which pamphlet to use.
12. Leave the portable voting booth in the car until the VAT knows it will be needed.
13. Note how the voter signs the envelope and take time immediately to compare it to the copy of the voter’s signature on the “Voter Registration Card”. If it is substantially different, ask the voter to complete a new “Voter Registration Card”. Do this before the voter places the ballot envelope in the ballot box.
14. One-Stop-Voting!!!! If we know in advance the voter has moved within Multnomah County, take the correct new ballot and envelope with the correct new address so the VAT does not have to make two trips to service the voter.
SUMMARY

Time and again our VAT reported deep appreciation on the part of the voter. Many times the voter and/or the voter’s caregiver would hug the VAT at the end of the procedure.

We will continue to extend this service to our voters, expanding and improving it with each election.

It is a work in progress. We benefit and the voter benefits when we continue to evaluate its use following each election.

how to assist voters with disabilities

Any Oregon voter with a disability can get assistance to register to vote, vote their ballot, or return their ballot by calling their County Elections Office or 1 866 ORE VOTES. The voter can also request assistance from a caretaker, care provider or someone else the voter chooses.

providers' responsibilities

All Congregate living facilities should let their residents know that assistance is available to them. The facility may form a Facility Assistance Team or call on a County Voter’s Assistance Team. Teams must be made up of two registered voters that do not have the same political party affiliation.

who can provide assistance
A County Voter’s Assistance Team
A Facility Voter’s Assistance Team
Someone chosen by the voter with some exceptions (see below)

who cannot provide assistance

- The voter’s employer
- An agent of the voter's employer
- A union officer or agent of a union of which the voter is a member

rules and guidelines

There are several resources that providers can use to help inform voters. Resources must be non-partisan and unbiased.

Suggested resources include:

- The State of Oregon Voters’ Pamphlet published by the Secretary of States’ office
- The League of Women Voters simplified voters’ guide
- Voting guides published by local advocacy groups
- Web sites that offer non-partisan and unbiased information

Do not summarize, edit, or make comments that are meant to coerce or persuade the voter when reading materials to the voter.

Do not display things that suggest a political preference or party allegiance.

Do not try to influence the person you are assisting to choose or not choose a particular political party.

Do not try to influence the person you are assisting to vote their ballot in a particular way.

Do not wear anything that would reasonably be understood to be associated with a past, present or future political party or political preference.

voting the ballot

When assisting an individual in voting their ballot:

- Respect the voter’s request for privacy
- Check the instructions on the ballot and have the voter use either a pen (blue or black ink only) or a No. 2 pencil
- Make sure the voter has accurately completed their ballot
• Explain to the voter that if they vote for more candidates than allowed, or if they vote both Yes and No on a measure, it is called an overvote. An overvote will not count for that candidate or measure.
• Offer to correct any mistakes made by the voter to indicate the voter’s true intent
• Check the back of the ballot for additional election contests

Do not make any stray marks outside any of the selected ovals or arrows.

Do not force the voter to vote for all candidate races or all measures on the ballot. The voter is not required to vote on every contest. Those they do vote on will still count.

Do not change the vote unless the voter you are assisting asks you to do so.

Do not coerce or pressure the voter to vote in a certain way or for a certain candidate.

Do not share how the voter voted with anyone. Respect the voter's right to secrecy.

providing a replacement ballot

You must provide the voter with the opportunity to get a replacement ballot if the voter requests one for any reason. Contact the County Elections Office to request a replacement ballot.

Possible reasons for requesting a replacement ballot include:

• the voter makes a mistake
  (votes for the wrong candidate, overvotes, etc)
• the ballot is damaged or spoiled
  (it is torn, something is spilled on it, etc.)
• the voter loses their ballot

returning the ballot

When assisting an individual in returning their ballot:

• Insert the ballot inside the Secrecy Envelope and seal it
• Insert the Secrecy Envelope inside the Return Identification Envelope and seal it
• Have the voter sign the Return Identification Envelope. If the voter, due to a disability, is unable to sign, they may use a stamp or put their mark on the Return Identification Envelope. This is only considered a valid signature if the voter has submitted a Signature Stamp Attestation to their County Elections Office. Signature Stamp Attestation forms are available at the County Elections Office.
• Immediately return the ballot by mail or by dropping it off at a County Elections Office or an official ballot drop site.
