Objective: Sustain active involvement of stakeholders over time; build synergy among stakeholders

Challenges & Questions – How Can WINGS:

- Address challenges of rural stakeholders
- Use technology to maintain active stakeholders
- Use steering committee for overall coordination and planning
- Use subcommittees that can meet separately on specific aims
- Maintain continuing internal communications, as through discussion lists
- Provide opportunities for networking and retreats
- Provide opportunities for structured presentations by each stakeholder, to strengthen understanding of their roles
- Address transitions in stakeholder organizations’ representatives
- Accomplish strategic planning
- Identify and pursue “low hanging fruit” accomplishments to motivate group
- Relate to any other statewide or local guardianship reform/ similar entities in the state
- Consider development of local WINGS
- Assess the best frequency and regularity of stakeholder meetings and committee meetings
- Determine whether by-laws or charter needed

This action tool is supported by grant No. 90EJIG0007- 01-00 from the Administration for Community Living, U.S. Department of Health and Human Services (DHHS). Grantees carrying out projects under government sponsorship are encouraged to express freely their findings and conclusions. Therefore, points of view or opinions do not necessarily represent official Administration for Community Living or DHHS policy.

Under the ACL grant, the American Bar Association (ABA) Commission on Law and Aging coordinates and provides technical assistance to establish, expand and enhance state Working Interdisciplinary Networks of Guardianship Stakeholders (WINGS). The views expressed in this Action Tool have not been approved by the ABA House of Delegates or the Board of Governors and should not be construed as representing the policy of the American Bar Association.
