Contra Costa County
Elder Death Review Team

Confidentiality Statement

The purpose of the County of Contra Costa Elder Death Review Team is to identify and review suspicious elder deaths and facilitate communication between persons involved in the investigation or reporting of elder abuse or neglect. In order to assure a coordinated response that fully addresses all systemic concerns surrounding these fatality cases, the Elder Death Review Team must have access to all existing records on each person’s death. This includes social services reports, court documents, police records, autopsy reports, mental health records, education records, hospital or medical related data, and any other information that may have a bearing on the relationship between the death and elder abuse and/or neglect. With this purpose in mind, I the undersigned, as a representative of
