Elder and Dependent Adult Death Review Team (EDADRT)

CONFIDENTIALITY STATEMENT

The purpose of The County of San Diego Elder and Dependent Adult Death Review Team (EDADRT) is to conduct a full examination of suspicious deaths associated with elder/dependent adult abuse and/or neglect. In order to assure a coordinated response that fully addresses all systemic concerns surrounding these fatality cases, the EDADRT must have access to all existing records on each person’s death. This includes social services reports, court documents, police records, autopsy reports, mental health records, education records, hospital or medical related date, and any other information that may have a bearing on the victim and his/her family.

All records and discussions shared during an elder and dependent adult death review are protected by Penal Code Sections 11174.4-11174.9.

With this purpose in mind, I the undersigned, as a representative of Agency’s Name

agree that all information secured in this review meeting will remain confidential as required by Penal Code Sections 11174.7-11174.9 and any other applicable state or federal law, and will not be used for reasons other than which it was intended. No material will be taken from the meeting with identifying case information.
