QUESTIONS?

Curbside Voting

Voters with limited mobility can vote “curbside” or outside the polling place. They should go to their polling place and ask someone to go in and ask poll workers to bring a ballot out to them. The poll workers should bring the voter a ballot within a reasonable period of time.

Accessible Polling Places

Voters with physical disabilities, whose polling place is not accessible, may request a different polling place assignment so that they may vote in a more accessible polling place. They should contact their local election authority to make this request. Voters can find their local election authority by visiting [www.sos.mo.gov/elections/countyclerks.asp](http://www.sos.mo.gov/elections/countyclerks.asp) or calling (800) NOW-VOTE.

Accessible Voting Systems

Every polling place must have an accessible voting system for individuals with disabilities including audiovisual accessibility. Accessible systems include an audio ballot to make selections or the ability to enlarge text so that voters can read the on-screen ballot with ease.
Permanent Absentee Voting

Voters with a permanent physical disability may request to be placed on a designated list so that their local election authority can automatically mail an absentee ballot application directly to them prior to each election. Voters will need to make this request directly to their local election authority who will send them further information. Voters can find their local election authority by visiting: www.sos.mo.gov/elections/countyclerks.asp or call (800) NOW-VOTE.

To register to vote online, please visit www.sos.mo.gov/RegisterToVote. Or call 800-NOW-VOTE to request a voter registration form be mailed to you.

Remember, the last day to register is October 8th. Election Day is November 4, 2008.

Dear Missourians,

One of my duties as Secretary of State is to ensure free and fair elections by making sure that EVERY voter can participate on Election Day.

This year Missourians will hold a very important election where important decisions will be made and local, state and federal elected officials will be selected. I want to make sure that every Missourian can vote regardless of physical disabilities. In fact, those with physical limitations may be able to have specific voting arrangements made if they are:

- Unable to leave their house without assistance
- Visually impaired or are legally blind
- Limited in their mobility

I hope Missourians will take some time to review the enclosed information. Those who would like to learn more about Missouri elections should visit my website at www.sos.mo.gov or call my office at (800) NOW-VOTE.

Very truly yours,

Robin Carnahan
Secretary of State
