FOREWORD

The American Bar Association Leadership Directory is a directory of individuals in active leadership positions within the Association and related organizations.

Every effort has been made to produce the Directory as early in the Association year as possible. Most of the information contained in the Directory was collected during May and June. None of the information was submitted after August 14. As a result, the Directory is not inclusive and some of the addresses may be out-of-date by the time it is printed.

In order to maintain the usefulness of the Directory, it is important that the ABA be notified promptly of any corrections or changes in addresses and telephone numbers. For your convenience, a Change of Address Form is found in the back of the Directory. If you prefer to make an address change online, please log onto the ABA Website at: http://apps.americanbar.org/abanet/common/MyABA/home.cfm. The cooperation of all those listed in the Directory will be appreciated.

PRIVACY NOTICE

The material contained in the American Bar Association Leadership Directory is solely intended for the individual and private use of ABA members in connection with the ABA's mission, goals and activities. All other use is strictly prohibited without prior written authorization from the ABA. Prohibited use includes but is not limited to the copying, renting, leasing, selling, distributing, transmitting or transfer of all or any portions of the material, or use for any other commercial and/or solicitation purposes of any type, or in connection with any action taken that violates the ABA's copyright.
