Ways young lawyers can expand their networks with Meeting Mentors:

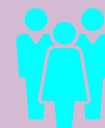

Step 1: Sign Up

Mentees can sign-up when they register for the Conference to request a Mentor in their practice area.

Step 2: Mentor Matchup

A Section Leader will reach out to the Mentee before the event to help them get the most out of the Conference.

Step 3: Meet Your Mentor

At the event, the Section Leader Mentor will introduce the Mentee to others in their practice area once the Conference begins.
