

Dear Friends:

I have been a member of the Missouri Bar for over 40 years, and have been a member of the ABA, although I am not currently a member. I nonetheless write to urge you to reject the proposed amendments.

I have read the letters submitted by "52 ABA Members" and by the Christian Legal Society. I agree with all the arguments set forth in both letters. They provide a reasonable basis to retain the current rule.

Thank you for your consideration.
