

Dear Myles:

I am pleased to announce that the Beverly Hills Bar Association's Board of Governors, voted to fully support 8.4 (g) at our meeting on Tuesday June 14th.

In a conversation with you last year I mentioned that we are a civil rights bar association that was established in 1931. At that time, Jews, women, people of color, not to mention gender identify matters, were not permitted to join the Los Angeles County Bar- so we were established.

We have always been in the forefront of civil rights issues. Is it still possible for us to join as co-sponsors?

Thank you.
