West Virginia Lawyer, 2007-DEC W. Va. Law 80 (November/December, 2007) West Virginia State Bar Committee on Unlawful Practice of Law Advisory Opinion 2007-01. (We do not have a specific complaint before us. Therefore no finding is made that a specific Landman is practicing law. However, the work of a Landmen is neither exempted nor excepted from the West Virginia definition of the practice of law. Until the issue is addressed by the West Virginia Legislature, it is the recommendation of the Unlawful Practice Committee that Landmen perform the work that seems to fit within the prohibition against the unauthorized practice of law, only under the direct supervision and control of an attorney licensed to practice law in West Virginia).
