MESSAGE FROM THE CHAIR

Please join us at this year’s ABA Annual Meeting in Chicago. Plan to make and strengthen connections at our business meetings on the latest SciTech initiatives, the Section Dinner at Ill Forks Steakhouse & Seafood Restaurant on Thursday, August 2nd, and the Annual Section Luncheon on Friday, August 3rd. We are delighted to welcome Robert J. Kriss, Partner at Mayer Brown LLP, and Charlie Catlett, Senior Computer Scientist at the U.S. Department of Energy’s Argonne National Laboratory as speakers to our luncheon and Jeffrey Hall, Partner at Bartlit Beck Herman Palenchar & Scott LLP as our dinner speaker. Both events will provide invaluable learning and networking opportunities.

In addition, we have an outstanding Showcase CLE program—Can’t Touch This—or Can They? Government Searches, Privacy, and Security in a Digital Age—featuring leading attorneys (including former White House, Department of Justice, and Homeland Security officials) addressing the hottest legal and digital issues in national and homeland security. We especially encourage our members to join us who have never attended an ABA Annual Meeting. Please visit the ABA’s Annual Meeting website at www.ambar.org/annual to register.

Our Headquarters Hotel is the Swissotel and with thanks to the generosity of Mayer Brown LLP, our meetings will take place in the firm’s beautiful Conference Center at 71 South Wacker Drive. Nearby is Chicago’s Magnificent Mile in close proximity to shopping and landmarks such as the Water Tower Place Shopping Mall and the Historic Chicago Water Tower featuring the City Gallery. Delicious dining venues featuring cuisine from around the world are within walking distance. You can admire Chicago’s world renowned architecture on river tours or as you walk to Millennium Park and the Art Institute of Chicago.

We are also near Navy Pier with its Ferris wheel, carousel and casual and fine dining options. There are world class museums all around Chicago including the Museum of Science and Industry, Adler Planetarium, Shedd Aquarium and the Field Museum of Natural History. Of course, Chicago is home to championship sports teams.

Summer is the best time to visit. We hope to see you this summer in Chicago.

Government Searches, Privacy, and Security in a Digital Age

Hyatt Regency Chicago, 151 East Upper Wacker Drive, Columbus Hall KL
10:00 – 11:30 AM

Explosive technological growth impacts our privacy and is changing traditional legal norms. What are the practical implications of these changes for practitioners and businesses? This program features an all-star lineup of former senior government and national security lawyers who lived through having to make tough legal decisions in connection with some of the most cutting-edge technologies.

Panelists will outline the various and fast evolving technologies, highlight the legal, privacy and constitutional concerns associated with the collection and movement of massive amounts of data, lay out the statutory and legal framework for thinking about these issues, and provide practical advice and solutions to lawyers and companies struggling to make sense of it all.

Moderator: Paul Rosen, Partner, Crowell & Moring

Speakers:
◆ Uma Amuluru, Senior Counsel, Boeing (former White House lawyer and prosecutor)
◆ Stephanie Christensen, Chief, Cyber and Intellectual Property Crimes Section, National Security Division, United States Attorney’s Office for the Central District of California
