About the Senior Lawyers Division

The Senior Lawyers Division (SLD) serves experienced lawyers and American families. In doing so, the Division promotes professionalism in the law, is the ABA’s knowledge center for elder law, and assists lawyers and judges transitioning in their careers.

All dues-paying ABA members are automatically enrolled in the Division if they: (a) are 62 years or older, or (b) have been licensed to practice law for 37 or more years in a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or a territory or insular possession subject to the jurisdiction of the United States. Other dues-paying members can submit a written request to the Association or the Division to be a member of the Division.

Our members include practicing senior lawyers, elder law practitioners, solos, judges, young lawyers, law students and many more.

MESSAGE FROM CHAIR

Aloha, from Honolulu, Hawaii.

As the Chair of the Senior Lawyers Division for the 2018-2019 bar year, I want to thank you for being a leader in our Division.

I have selected the theme of “W-I-S-E” for this bar year:

“W” represents “Well-being.” We will focus on issues affecting the financial and physical well-being of our members and their families. Additionally, we must ensure that the financial well-being of our Division remains secure.

“I” refers to “Innovative.” As Division leaders, we need to be innovative by thinking “outside the box” as we plan and implement programs and projects.

“S” stands for “Service.” Our Division must continue to be of service to our members by providing them with valuable and important benefits.

“E” means “Experience.” The Division’s strength is our 60,000 members with their collective experience. We need to encourage them to share their experience, knowledge, and insight.

I look forward to working with you for an enjoyable and successful bar year.
