Passage along the Danube River
Vienna to the Black Sea
aboard the Exclusively Chartered Deluxe AMADEUS SILVER II
October 4 to 16, 2020
Dear Members and Friends:

The Danube River has ranked among the world’s most impressive waterways following the passage of Roman legions, crusading knights, the indomitable Janissaries of the Ottomans and the proud Hussars of the Habsburgs. A channel for commerce, culture and conquest, the Danube links the heartland of Central Europe with nations beyond the Black Sea. Join us for an extraordinary journey along nearly the entire length of this fabled river, from the Habsburgs’ imperial capital of Vienna, a UNESCO World Heritage site, to the captivating Black Sea.

This outstanding travel program features seven countries and the enchanting eastern Danube River Valley, an untouched region steeped in natural beauty unknown to many Western travelers. Cruise for nine nights aboard the exclusively chartered, deluxe Amadeus Silver II and spend two nights in Romania’s elegant capital of Bucharest, where splendid architecture has earned it the nickname “Little Paris.”

A rich mosaic of medieval cities, charming villages, rugged countrysides and centuries-old tales and traditions awaits you. Visit the ancient land of Bulgaria, the relatively young territories of Serbia and eastern Croatia, Hungary’s fabled Puszta (plains) and the UNESCO World Heritage-designated castles, palaces and squares of Budapest. Cruise through the dramatic Iron Gates dividing the Carpathian and Balkan Mountains—where no fewer than six languages are spoken—and experience the fascinating Slavic heritage of medieval Belgrade.

Deepen your knowledge of the Danube and Central Europe with our Imperial Vienna Pre-Program Option and the Castles of Transylvania Post-Program Option, including “Dracula’s Castle.” This unique program sells out each year, so book now while space and Early Booking Savings are still available.

Best Regards,

P.S. Unless promoted as an ABA exclusive program, your group may include travelers from other organizations and alumni associations.
The legendary Danube River and its venerable banks are a powerful symbol of the diverse cultures and epic narratives of Central Europe. Fifth-century B.C. philosopher Herodotus declared it “the greatest of all rivers which we know” when Greeks traveled from the Black Sea through the naturally carved Iron Gates. The land was ruled by the Roman, Ottoman and Byzantine Empires, creating some of the world’s most intriguing capital cities along the banks including Vienna, Bratislava, Belgrade and Budapest.

Follow in the wake of Roman Emperor Constantine the Great and Francis Joseph I, Emperor of Austria and King of Hungary. Journey through the unparalleled natural beauty of the Carpathian Mountains, even more captivating in the warm autumn light. The history and culture of this fascinating region are a jewel of Central and Eastern Europe, continuing to intrigue and inspire musicians, writers, artists and travelers from all over the world.
