

2018 US – LATIN AMERICA TAX PLANNING STRATEGIES CONFERENCE
SPONSORSHIP COMMITMENT FORM

The 11th Annual U.S. and Latin America Tax Planning Strategies Conference will address key tax issues for a wide range of in-house and outside tax and finance personnel doing business in the U.S. and Latin America. Case studies will underscore the effect of treaties, court decisions and domestic laws to provide insight into local planning opportunities. Panels will feature industry speakers, leading practitioners and government representatives offering the latest perspectives from the U.S. and Latin America on such topics as cross-border mergers and acquisitions, financing and transfer pricing.
