Join as many committees as you wish to stay abreast of new developments, acquire new practice methods and meet others who share your professional interests.

TAKE THE LEAD
There are numerous opportunities in practice-specific general committees to take a leadership role. Involvement can also lead to an appointed position within TIPS leadership, focusing on initiatives such as membership, long-range planning, technology, publications, plaintiff’s involvement and outreach to law student and young lawyers.

SHARE YOUR EXPERTISE
TIPS offers speaking opportunities at more than 50 individual CLE sessions, which gives you and your firm valuable recognition and a chance to share your insights with your peers. You may also choose to write articles for committee newsletters, develop programming, or speak at industry events.

ENHANCE YOUR INSIGHTS
Take advantage of our many CLE conferences and meetings. Make time to attend our Section Conference each Spring with more than 24 hours of top-notch CLE programming and networking events. Participate in our free CLE series, “Member Mondays,” which offers free CLE teleconferences and webinars. You will also have access to our audio and publications library.

GIVE BACK
Members can also give back to the community by volunteering to participate in our public service projects. Take part in a variety of Section activities to enhance your professional and personal development.
