The ABA Commission on Women in the Profession established the Margaret Brent Women Lawyers of Achievement Award in 1991 to recognize and celebrate the accomplishments of women lawyers. This award honors outstanding women lawyers who have achieved professional excellence within their area of specialty and have actively paved the way to success for other women lawyers. The award is presented to up to five women lawyers who excel in a variety of professional settings and who personify excellence on either the national, regional, or local level.

2019 Honorees
